Monthly Match Report
MidSouth F-Class

Match Summary

As you can see from the photo, we like to have a lot of fun! Although, we never clown around about safety. We had a good group of 26 shooters for this month's match.

It was a pleasant day for shooting too with temps starting in the 70's before creeping up to the low 90's. The winds were light SSE and variable which caused some 9's and 8's when the wind switched. There were a few clean targets here and there to commemorate the nice conditions. Congratulations to the winners, Gabe Gavrock-Open, David Schmidt-FTR and Johnny Scott -MR. Steve Howell was the overall match winner with a great score from the bench of 599-37X.

It was good to have Mike Cornelius from MO, and Jeff Porter from IL make the long drive to shoot with us. We hope you had a good time and will come visit us again next month.

Next month's match is September 28, 2024
