

Mid-South F-Class 2/28/26 Match Summary and Newsletter

There were 21 competitors at the first F-Class Match of the season on Saturday. The conditions were very nice with light winds for the first relay and then the winds picked up and added some mirage to make for some fun shooting in the next two relays. Everyone had an enjoyable time shooting and making new friends.

Please welcome two new shooters in the Field Precision Rifle (FPR) Class, Bill McGregor and Andy Fultz. They all had a great time and took home some medals for their efforts. Spread the word to your fellow shooters that we have several rifle classes that they can shoot in including AR Tactical, FPR as well as the NRA Classifications for F-Open, F-T/R, Service Rifle and Any/Any Rifle. Come on out and try your hand at 600 yards. Check the website for more information on our matches and the various rifle classes.
