Monthly Match Report  
MidSouth F-Class

### **Match Summary**

The young guns were in charge on Saturday for our April Mid-Range F Class Match. Strong southerly winds eliminated any readable mirage and the wind flags were little assistance dancing in every direction. Young eyes and reflexes were able to overrule the wind as the young shooters dominated the field with some very high scores. Congratulations, Cooper, Gabe, Lane and Jacob! Wind strategy is often taken for granted. Shooting fast can be very effective when changes are near impossible to read.

Overall, a great turn out and we had a couple new shooters as well. Welcome Marty Massey and John Williford to the group.

### **What's New?**

The decision was made not to host the Regional Match in October later this year. Hopefully, we can pick it up again next year!

### **Shooting Tip**

Chasing the spotter is considered a beginner strategy, but the last shot is always the best indicator of the wind.
