September 28, 2024 Monthly Match Report MidSouth F-Class

Match Summary

It was overcast last Saturday, when 25 shooters showed up from Louisiana, Missouri ,Alabama and Tennessee. There was just enough switchy wind to drop a point here and there but enough sun to make some mirage too. The scores were relatively high as a result with several clean targets.

A group of guys from White River Energetics (shown above) came up to show us how to shoot F-Class; although I heard it was their first match. Dakota Snelson won first place in Open and got overall honors with a borrowed rifle. Glad to have ya'll and congratulations! Also, Kevin McKee from AL, came up to shoot F-TR and took third place. It was only his second match. Two youths shot with us as well and that's good for the future of our sport; Lane Allen and Noah Miller. Lane got second place in Open after he lost by creedmoor with a 599-41X. Way to show the adults how to shoot, Lane!

Next month is our Regional NRA Match 10-26 and 10-27. There are only a few more spots available if you want to shoot with us. We have some great awards this year! The range will be open for practice on Friday starting around noon. Call Johnny Easley for details.
