

Mid-South F-Class 08/23/2025 Match Summary and Newsletter

There were 25 competitors at the August F-Class Match on Saturday. The weather was fantastic with a nice northerly breeze. The conditions were pretty decent for the first relay. Then the tricky, switchy winds with mirage showed up and spoiled the fun! Everyone had an enjoyable time shooting and making new friends. The Regional match registration opens on the website on September 1.
