

March, 2024 Monthly Match Report MidSouth F-Class

Match Summary

There were 18 shooters who ventured out for the March MRP in spite of high northerly winds and temps in the low 40's. If you like to shoot in the wind, you missed a real challenge. No mirage due to overcast skies and flags dancing in every direction. You had to be a real Houdini to read those conditions and some of the experienced shooters did a pretty good job. Just like last month, there were no clean targets! We are all praying for better conditions for next month's match April 27.

What's New?

We had a couple new shooters brave the cold, windy conditions; David Bumgardner and Mick Glancey. Thank you for coming and I hope you felt welcomed. Thank you to those who assisted these new shooters too. There is a spirit in F Class of helping new shooters and I hope that is felt in our local chapter.

Not necessarily new, but we require a minimum of 3 participants in any discipline to give out awards. However, you can still win overall champion, even if you are the only one shooting that day. Doug Fletcher almost took these honors from Bo Hood, if not for a few X's; great shooting Doug!

Top Shooters in March

F-Open	Stewart "Bo" Hood	591-23X	Overall Champion
F-TR	David Schmidt	585-19X

Next Month! Next month's match is scheduled April 27 so tell your fellow shooters.

Shooting Tip *Good feedback is essential to good wind calling.*
