Mindy Mohlenbrok

CEO & Founder

Mindy's Purpose:

Six years ago, recognizing a growing need for family-centered volunteerism and community connection, Mindy founded a nonprofit organization designed to bring families, children, and community members together to serve side-by-side.

The organization was built to foster kindness, address critical community needs, and create meaningful opportunities for engagement, collaboration, and impact.

✦ Community Service

For nearly two decades, Mindy has served on numerous non-profit boards in leadership roles. Roles include Vice President of Fundraising and Event Coordination for Franklin PTC, and President of the Loomis Basin Education Foundation for six years.

✦ Professional Experience

An accomplished Independent Financial and Retirement Insurance Specialist with 26 years of experience, Mindy is dedicated to helping individuals achieve their savings, retirement, and family protection goals.

✦ Family Life

Mindy has been married for 21 years and is the proud parent of two amazing teenagers, which further grounds my commitment to family, community, and building a future rooted in service and stability.
