David's Purpose:

I joined Shine with Purpose to help make our community a better place, and to help develop an outlet where community members can give back and receive.

I think it is important for our youth and community to understand that life is not always an easy or pleasurable experience, and that it takes time, effort and service to achieve the things you want.

My goal is to continue to support and help this organization grow so that we can have a broader impact and touch more lives in meaningful ways. This organization allows me to make the world a better place and be beside and amongst others who want to do the same thing, especially my wife, Mindy.
