

## **Job Summary:**

The Licensed Marriage and Family Therapist/ Licensed Clinical Therapist will offer counseling and mental health services in the marital and family context, where maternal mental health and paternal mental health being central to treatment, and the safety and well-being of children ages 0-7. Services may include evaluation, diagnosis, and treatment of mental illness and other psychological issues. Services may be provided in-person at the office, in the field, and or via telehealth.

This position is part of a team of clinical, support, and administrative staff, with a group practice who integrate Faith (Judeo-Christian), Modern Science, and age-old wisdom, in its work and service delivery. The person in this position is part of a group practice based on Judeo-Christian principles and values, within a framework of culture and diversity. The person in this position is not required to be a Judeo-Christian but must demonstrate natural innate qualities which are in alignment with faith-based principals and standards (i.e., kindness, fairness, truth and authenticity, dignity, respect, loving others as themselves, reliance on a higher source.), including the golden rule -do onto others as you would have them do unto you – loving others. The owner's ultimate purpose through her businesses is to fulfill 2 basic principles: Loving God who is One, and loving others as we love ourselves.
