

Job Summary:

The Licensed Marriage and Family Therapist/ Licensed Clinical Therapist, 0-7 Early Childhood Mental Health Coordinator will offer counseling and mental health services in the marital and family context. Maternal mental health and paternal mental health, as well as the safety and well-being of children ages 0-7 are the primary focus of this group practice. Services may include evaluation, diagnosis, and treatment of mental illness and other psychological issues. Services may be provided in-person at the office, in the field, and or via telehealth.

The Licensed Marriage and Family Therapist/ Licensed Clinical Therapist will also function as the 0-7 Early Childhood Coordinator, including providing therapy to children 0-7. In this position, the therapist will provide education and training to employees, parents as related to infant mental health and early childhood mental, and conduct play therapy workshops with children 0-7. The therapist will dedicate 10 hours of work to create an early childhood mental health program.

This position is part of a team of clinical, support, and administrative staff, with a group practice who integrate Faith (Judeo-Christian), Modern Science, and age-old wisdom, in its work and service delivery. The person in this position is part of a group practice based on Judeo-Christian principles and values, within a framework of culture and diversity. The person in this position is not required to be a Judeo-Christian but must demonstrate natural innate qualities which are in alignment with faith-based principals and standards (i.e., kindness, fairness, truth and authenticity, dignity, respect, loving others as themselves, reliance on a higher source.), including the golden rule -do unto others as you would have them do unto you – loving others. The owner's ultimate purpose through her businesses is to fulfill 2 basic principles: Loving God who is One, and loving others as we love ourselves.
