

FINAL TOUCH

DIGITAL MEDIA

PROCESS FOR A 30-45 MIN WEDDING WITH RAW FOOTAGE

1. Text your event date and name to Darren Schmitt at 801-947-9118 or email darren@finaltouchfilm.com
2. Pick a package below
3. Make payment via PayPal, Credit Card or Venmo
4. Expect your masters within 3 weeks. Rush orders available on request with service charge

1. We will pull your DVCAM masters from archives
2. Set up and digitally transfer your production from the master to our editing suite

3. Once in the timeline, we will proof & upscale your original 720x480 footage to 1920x1280 High Definition. Add cinema settings and borders so your wedding will look incredible on modern TV's!

4. Upload to [vimeo](https://vimeo.com) where you can privately proof, approve, view, share and download for up to 3 months in any file size.

Cost for this service
