We charge a consumable fee of £5 per day for funded places to ensure all non-consumable items and activity charges are covered and that your child is receiving the awe and wonder they deserve in their early years. We never want any child to miss out on their Early Education due to financial considerations and therefore offer a percentage of our places where the consumable cost is covered by the company. To make a special request please email saskia.beanstalks@gmail.com directly. Children in receipt of 2 Year Old funding under the "families receiving additional support" criteria, for example, low-income families and those claiming certain state benefits, are automatically allocated a consumable free place.

Please note that ALL places will need to be discussed or re-applied for the term before your child turns 3 – we adhere to strict EYFS ratios at all times and our available places will differ based on the class your child is in.

Wipes, barrier creams, suncream, facecloths, soft furnishings, bibs and aprons.

We have several parties and events throughout the year which are included within your consumable/activity charges and additional childcare for these sessions are at no extra cost, for example:

Graduation (school leavers) – includes graduation gifts such as keepsakes, photographs of them in their cap and gown, graduation scroll and party food. We also invite parents to this event and overstaff for this due to increased capacity.

Christmas Party – as above, includes several keepsakes in a bag to take home, baking, party food, decorations and music, also includes all children from across the week in the same session.

Birthday celebrations – taken on a case-by-case basis but each child is celebrated on their birthday in a way which is appropriate to them by liaising with parents to fact find.

Easter Bonnet Parade – parents are invited to share an afternoon of Spring singing, a bonnet parade, snacks and keepsakes/crafts each year.

All other cultural and festival celebrations which include tasting foods from around the world, visitors, culturally traditional items, clay modelling, origami and lots more.

Visits and Rhyme Time are provided at no extra cost (fire service, police, Father Christmas, Oral Hygiene Specialists etc)

Opt-Out

Should you prefer not to pay our consumable or activity charge, and have unsuccessfully applied for a free places, you will need to provide the following daily items, clearly labelled and packaged:

Please provide all Nappies, wipes, cream, bibs (missing items provided by nursery will incur an additional charge, invoiced in arrears at a rate of 50p per event)

Additional events provided will incur a charge per event, examples below:

A visit/party/trip involving increased staff ratio - £10

Additional childcare for parties and concerts are payable at the Nursery hourly rate, and pre-payable at booking.

Christmas, birthday, graduation, baking for home and gifts are optional under the “opt-out” option and cost £10 per event.

Should you decide that you wish to “Opt-Out” from our consumable charge we cannot offer a “mix and match option”. Due to administrative and practical reasons we are unable to deliver these on an “as and when required” basis. The additional items above must be provided daily, or paid for as they incur, in the event that items are forgotten, not provided, or unpaid for, we will issue a first warning, second warning and third a compulsory application of our consumable charge for the remainder of your place with us.
