

Dear Parent/Carer,

The following information is needed to complete your claim for The Government 15 or 30 hours funding. Could you please fill in below as requested and return to Saskia.beanstalks@gmail.com, if you have any questions please feel free to get in contact.

The counterpart to this is Trafford Council's Early Years Funding Declaration which you can find a link to in my email; this is quick and easy and can be done online in approximately 2 minutes.

Failure to complete either of the above may mean that your child misses out on this council funding period and may have to wait until January.

Warmest Regards,

Saskia and the team at Coppice
