

# PRECISE CATTLE

FEMALE PRODUCTION SALE VOL.II

SATURDAY, APRIL 20 | NOON EST

*At the Precise Cattle headquarters in Watkinsville, Georgia*

# WELCOME

First and foremost, on behalf of Precise Cattle I would like to cordially invite you to the Precise Cattle Female Production Sale Vol. II to be hold on Saturday, April 20, 2024, at the farms in Watkinsville, GA. We have 61 lots of elite Angus genetics both live cattle and frozen genetics for your appraisal.

What an exciting time to be in the Angus business as demand for premium Angus genetics is at an all-time high. We feel this offering exemplifies what we are striving to do and that is to produce Angus cattle with elite phenotype and genotype. There are several lots in the sale that when you run their EPD parameters against the Angus database they are the only individuals that surface. We have worked diligently at this process and are very happy with the offering we have for your appraisal.

The lot 1 female is the proven donor known as "4110" that is a big spread female with elite phenotype and value-added carcass merit. Her progeny and frozen genetics sell as lot 1A, 1B and 1C. Lot 2A and 2B are direct daughters of "Elba" the \$650,000  $\frac{1}{2}$  interest feature lot in the 2023 Express Ranches Big Event. Lots 3 - 5 are from the Fall ET program and are equipped with elite EPD profiles and strong phenotype. Lots 6 and 7 are two powerful two-year old spring pairs that we feel are big time donors in the making. Lots 15 - 21 have been donors in the program and can make an impact in any program. The lot 36 female is a maternal sister to Poss Maverick and has an elite EPD profile. There is a strong set of spring pairs to round out the catalog on the live cattle. We finish the book with the Lot 61 semen out the \$235,000 FF Ambitious the feature lot in the Friendship Farms bull sale this past fall. The only way to get semen was to purchase a package otherwise no other semen will be available until 2025.

We hope you can be with us Friday night on the 19th as we will have a Flank Steak dinner at 6 p.m. easter time with drinks and refreshments. Sale day we will have brisket and barbecue cooked right on the farm and lunch will be served at 11 eastern.

If you cannot be with us sale day you can view and bid on [liveauctions.tv](https://liveauctions.tv) or call myself or any of the sale staff and we would be more than happy to assist any way possible. If you have any questions about the offering, please do not hesitate to call. In advance I would like to personally thank you for your interest in our program.
