

## ***Amenity Guest Policy***

---

The Board of Directors supports the enjoyment of the community Pool by all homeowners. The number of guests (non-residents) permitted on the Pool Deck and in the Pool is six (6) guests per household.

The Sports Courts do not have a guest limitation, but homeowners/residents' guests must not monopolize any court for an extended period of time.

We appreciate your cooperation with this policy.

The Enclave Board of Directors
