

EASTON HOUSING AUTHORITY

BIRD FEEDER POLICY

EASTON HOUSING AUTHORITY BOARD APPROVED 6/12/2018

To: All Easton Housing Residents

RE: Bird Feeders and Feeding of small animals and wildlife

After much consideration and in an effort to minimize property damage caused by the ever increasing population of birds and to eliminate issues of debris on balconies and patios the Easton Housing Authority is no longer allowing bird feeders or the feeding of small animals on the property. This includes hummingbird feeders due to the nectar drawing wasps and other pests.

Should you have a bird feeder, please remove it on or before **July 20, 2018**. Also effective immediately, please cease from feeding any squirrels, raccoons, chipmunks etc. from your patio or anywhere on the grounds.

Any feeders left on the property after the above date will be disposed of by the housing authority.

Thank you in advance for your cooperation in this matter.

Sincerely

Kathy Steiger

Cc. Easton Housing Authority Board of Commissioners
