Spring 2024 Newsletter

Over the last 28 years, the Millbrae Community Foundation (MCF) has awarded financial grants for projects and to organizations that provide valuable benefits to Millbrae residents. This newsletter highlights recent grants and other ways that MCF helps our community. We send a hearty “thank you” to all who have supported MCF in the past. We can’t do this without you!

CORA Legal Services Program

We approved a grant to CORA for its Legal Services Program. CORA is San Mateo County’s only provider of services focused on domestic violence prevention. The program provides an array of services including: a legal information line to help navigate the complex landscape of legal issues, from restraining orders, child custody, and divorce; advocacy in multiple ways, including helping a victim to fill out legal documents and prepare for court proceedings; court accompaniment, providing information regarding the court processes while also being there with the victim in court as they face their abuser; and client-centered representation by an attorney with expertise in domestic violence.

Boba Bots 253 Robotics Team

We approved a grant to Boba Bots 253. In the 25 years since its founding, the team has continually promoted STEM (science, technology, engineering, and math) learning among Mills students, giving members the space to construct their own robot to participate in competitions. The team also recently added a new program at Taylor Middle School to give those students opportunities to learn the basics of robotics.

...continued

Holiday Stars & Holiday Gift Cards

Each year MCF raises funds for our grant making program and encourages our community to come together with our Holiday Stars and participating in the Annual Tree Holiday Lighting Ceremony. This past winter at the gathering, the Holiday Tree was loaded with lights and stars and it even snowed!

In another ongoing effort, MCF distributed **Holiday Gift Cards** to several deserving Millbrae families. We expanded the number of recipients and we hope to continue to grow the program in the future.

Scholarships for Mills & Capuchino

And finally each year we offer **scholarships** to Mills and Capuchino High School seniors headed to college or trade school. This spring we will have the honor of giving a total of four \$3,000 scholarships to two students at each school.

This spring, we hope you will consider making a donation to the Millbrae Community Foundation so that we can continue to help our community today and in the future.

If you would like to support the Millbrae Community Foundation, please return your donation in the enclosed envelope or donate online at:
