

## **Connect Group Member Responsibilities**

**Priority.** Value the community and give priority to Connect Group meetings.

**Confidentiality.** Keep what is said within the Connect Group confidential. This should be a place where members feel comfortable sharing their life.

**Participation.** Encourage and support one another. Participate in fellowship and bible study discussions.

**Accessibility.** Be open to receiving calls in times of need. We should strive to support our Connect Group.

**Openness.** Seek to be open and honest with one another. Each Connect Group is a place where members can be themselves and share their lives without fear of judgement.

**Respect.** Communicate in ways that are respectful and only give advice when it is requested. We must strive to listen to one another, encourage, support and tell the truth in loving ways.
