### PROFESSIONAL SUMMARY

Interior Designer and LEED® Green Associate™ specializing in commercial and corporate environments. Skilled in concept development, schematic design, design development, and construction documentation with strong proficiency in Revit, BIM, Enscape, and Adobe Creative Suite. Collaborative communicator passionate about creating sustainable, inclusive, and well-detailed design solutions.

### PROFESSIONAL EXPERIENCE

#### Real Estate Operations Manager

Keller Williams Realty

September 2019 - January 2024

- Prepared and maintained accurate documentation, ensuring compliance with regulatory and contractual requirements.
- Coordinated timelines, schedules, and stakeholder communication, mirroring design consultant and client coordination.
- Facilitated multi-party collaboration between buyers, sellers, lenders, and inspectors, reflecting transferable skills in project management and coordination.

#### Solutions Sales Representative

MSC Industrial Supply Company

March 2013 - September 2019

- Built strong relationships with clients, providing consultative support and tailored solutions to meet operational needs.
- Partnered with cross-functional teams to streamline processes and improve client experience, aligning with collaborative design workflows.
- Negotiated terms and facilitated documentation to support contractual agreements, demonstrating detail orientation and organizational skills.

### RELEVANT DESIGN EXPERIENCE

#### Savannah College of Art and Design

Interior Design Studio Projects

2021 - 2025

- Completed studio projects in senior living, multifamily residential, workplace, hospitality, nonprofit/community and educational design, spanning concept development through construction documentation.
- Created 3D renderings in Enscape, developed conceptual and schematic packages and prepared full construction documents including plans, elevations, sections and details.
- Integrated architectural systems, lighting, furniture layouts and finishes, applying sustainable strategies, universal design principles and LEED® guidelines to deliver cohesive, inclusive design solutions.

### EDUCATION
