

CALL FOR INDUSTRY GUESTS

WOMEN IN CYBERSECURITY (WICYS) AT THE UNIVERSITY OF PITTSBURGH

MISSION

A community of women, men, allies, and advocates that support the WiCyS mission to recruit, retain, and advance women in cybersecurity as a part of a workforce solution.

VISION

Collaborate with industry professionals so that driven students can hear their stories, be exposed to their expertise, envision their futures, and form networking connections.

Our Events

Capture the Flag (CTF) Competitions, Guided Technical Workshops, Industry Speakers and Panels, Cyber Law/Policy Competition, Cyber Movie and Trivia Night, Resume and Interview Workshop, Cyber Safety Outreach

Industry Speaker

Participate in an event in which you speak on your experiences and/or your niche within cyber. Speak on your own or as part of a panel.

Mentorship

Communicate one on one with our members. Answer questions about resumes, personal projects, career development, etc.

Resources

Provide access to any tools, training platforms, or materials that would be valuable to students learning cybersecurity.

Workshop

Lead students through a hands-on exercise. This could be a cybersecurity software, a threat simulation, CTF prep, an activity similar to your daily responsibilities, or any area of interest.

Please contact us about the ways in which you would like to collaborate with our club. You can choose any of the above or something that is not listed. We would be happy to communicate about anything you would like in return, such as social media recognition. Any monetary support (such as for food for events) is welcome but not required. Contact us to learn about our corporate partnership tiers.
