Sit Better. Work Better.

Innovative Design

It's about more than a chair for us. It's our deep understanding of people, how they work, how they move and feel and what they need while they work.

Our insights inspire new seating solutions, expressed with uncompromising quality, craftsmanship and sustainability.

Dynamic Comfort

It's not just about that initial feeling when you first sit down.

Dynamic comfort is about encouraging healthy movement to keep you engaged and focused without sacrificing support.

Broadest Choice

Steelcase offers one of the most comprehensive seating portfolios in the industry to support all the different ways people work.

Our extensive range of styles and materiality options can meet your brand and budget needs.

Office Chairs

Inspired by human physiology and behaviors, our office chairs intuitively conform to you—encouraging movement while providing comfort and support.

Gesture

Best overall performance for every posture, task and technology. Gesture is the first office chair designed to support a greater range of technologies, postures and user sizes.

Think

Think is a smart seating choice designed to understand how you sit and adjust intuitively.

Please + Please Air

Please task chair balances comfort, beauty and freedom of movement. Thanks to precise and intuitive adjustment controls, the chair adapts to the user.

Steelcase Series 1

Steelcase Series 1 office chair delivers performance, style and choice. It retains everything that's valued in a chair, while making it attainable for everyone.

Steelcase Series 2

Provides attainable performance – personalized with extensive style choices – to keep you supported all day.

Reply + Reply Air

A family of customised, high-performance seating which combines choice of aesthetic with real comfort and an easy way to use ergonomic design.

Amia

Amia is a hardworking, versatile ergonomic office chair that adds an element of sophistication to any workspace.

Leap

Leap offers ultimate adjustability providing personalized support and comfort – all day – for every shape and size.

Side, Conference + Dining Chairs

You're collaborating more than ever. Supportive chairs that let you easily change your posture and vantage point make a big difference in the outcomes you achieve.

QiVi

QiVi chair promotes movement and collaboration while supporting a variety of postures.

cobi

Shift your weight. Rotate your view. No matter how long you stay in collaboration mode, cobi promotes the movements that keep you engaged.

SILQ

A breakthrough in engineering and artistry, SILQ responds to the natural movement of the human body, requiring just one simple height adjustment.

Cavatina

Cavatina is a versatile range of chairs, offering a sophisticated touch to every workspace.
