– hubs for memory, focus, and flexible thinking.

Fruit of the Spirit: Self-Control (Cognitive)

Love Style: 🎯 Disciplined Love

Clan Motto: Intentional.

MELO

Color: Mint

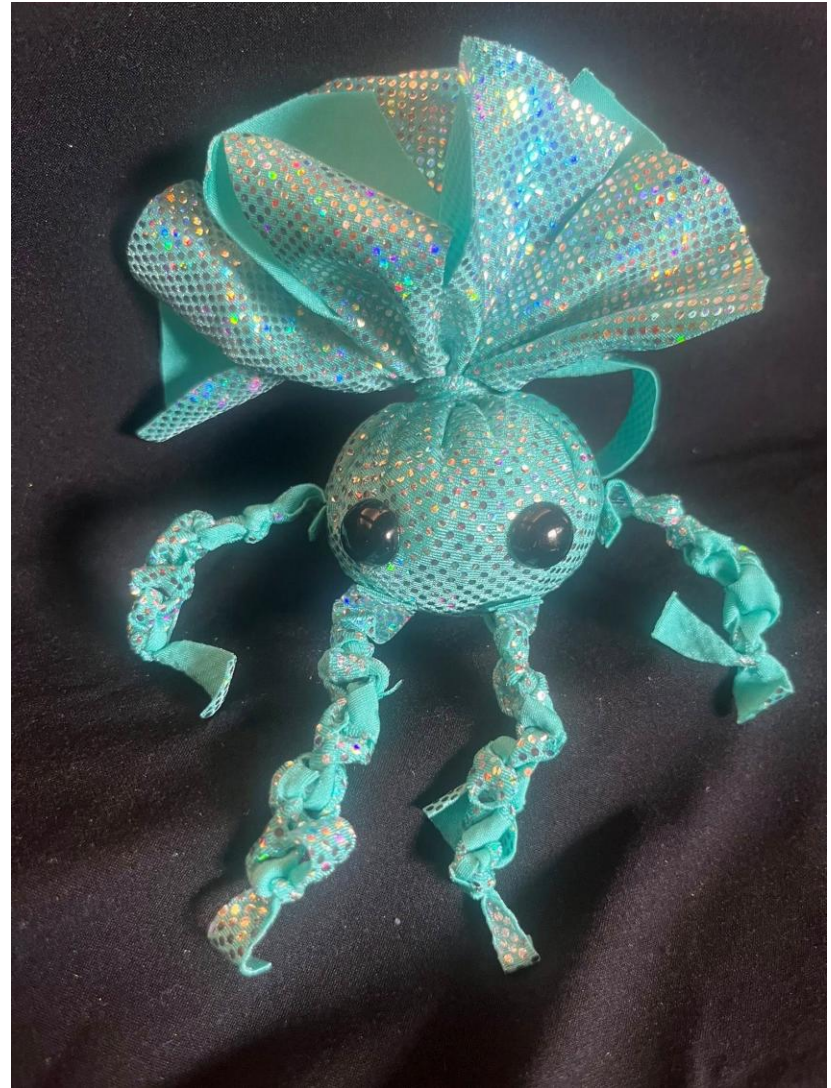

Nuro-chemical: Melatonin

Fruit of the Spirit: Peace

Personality (basic): A gentle night-shift guide who helps Nuropolis slow down and settle. Soft-spoken, loves cozy routines, dim lights, and quiet hugs. Steady, reassuring, and great at helping friends “power down.”

Nuroquirk: insomnia

(Character still in development)

Name: Mira

Neurotransmitter: Inspired by Mirror Neurons

Color: Iridescent Silver (shifts with emotions)

Nuroquirk: Loses their sense of self

(Character still in development)

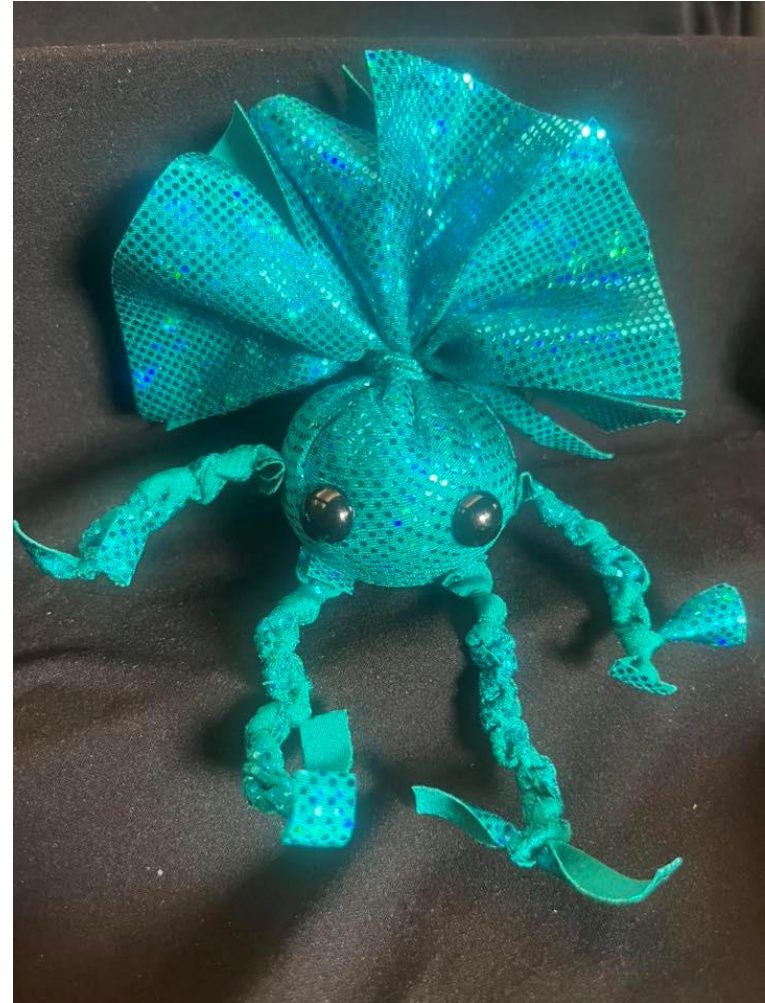

ANA

- **Color:** Teal

- **Nuro-chemical:** Anandamide (“bliss” molecule)

- **Fruit of the Spirit:** Peace

NORI

- **Color:** Aurora Teal (iridescent teal–violet)
- **Nuro-chemical:** Norepinephrine
- **Basic personality:** Alert, focused spark—rallies the crew, loves morning missions, crisp air, and tidy checklists.
- **Nuroquirk:** When turned up too high, gets edgy

(Character Still in development)

SuP

- **Color:** Red
- **Nuro-chemical:** Substance P (pain/alert peptide)
- **Basic personality:** Fiery first-responder—senses trouble fast, rallies the crew to care, and says “let’s fix what hurts.”
- **Nuroquirk:** Can crank the alarm too high over small irritations—does best with a Gaba-breath, an Ace-made plan, and a little Endo comfort.
