Disney Photo Imaging- *Walt Disney World*

November 2023-Present

- Partnered with multiple photographers to have the right settings and creative ideas to give guest memories and experiences to remember for a lifetime.
- Trained in many different specialties such as Capture Your Moment, Support, Enchanted Tales With Belle, Castle, and Make A Wish. These areas are earned through great guest facing skills and excellent photography skills used by our line of business for advertising

Sports Videographer- *QwikCut*

August 2023-Present

- Operate as a gameday videographer for a wide variety of sports ranging from football to soccer at all levels from youth to high school.
- Trained in operating elevated broadcast tripod systems reaching 30-40 feet and instructing others on safe setup and filming procedures.

Hero Videographer/Photographer- *Core Government Services*

May 2023-July 2023

- Selected to be a part of the XCTC Army National Guard exercises as a photographer, videographer and editor where I designed graphics for videos, edited after action reports and was on site shooting their exercise.
- Gained experience and knowledge using my skills to meet deadlines in a very high-paced environment, where we supported each other to give them a product they use to this day
