

Reservation Policy

Monday –Friday: Reservations can be made by calling the restaurant. Parties of 8 or less do not require a reservation. If you are bringing a larger group, let us know in advance and our staff will be happy to accommodate your group, if space allows.

Weekends and Holidays: The No Wait smart phone app is available for adding parties of 6 or less to our wait list. It can be accessed through Yelp! by searching for the Original Pancake House and adding your name to the wait list for the location you choose. It will tell you how long the wait is and will text you when your table is ready. Just check in with the host when you arrive. Reservations are not taken on weekends and holidays.
