

We've Got You

Fast, discreet support for urgent student needs

The We've Got You Initiative provides rapid help when a student has an unexpected, time-sensitive need that affects their ability to learn, participate, or feel confident at school.

WHAT YOU CAN REQUEST

For urgent, same-day or next-day needs such as:

- Shoes that break or become unsafe
- Required uniform pieces needed immediately
- Broken or lost glasses
- Work clothing for a teen's first job
- Field trip, club, or activity fees due right away
- Weather-appropriate clothing
- Other small, unexpected needs impacting a student's day

If it's urgent, essential, and affecting the student right now, it qualifies.
