ANNIVERSARY

This is the third recital since Spotlight Studio reopened in 2022- but did you know that Kirsten first opened Spotlight Studio in the Spring of 2015? She taught for 3 years on and off between having her children, then began teaching again in the summer of 2018 and hasn't stopped since! Kirsten joined Legacy Performing Arts in 2019, then Legend Dance in 2021, before deciding to open Spotlight Studio again in summer of 2022.

Over the last 10 years, many of the students you see performing today have danced with Miss Kirsten or at one of the studios she instructed at! Today, we are proud to celebrate three year, five year, seven year and ten year anniversaries of many of our students.
