

JRK™**BROS.***Fresh Fusion Food***MENU**

JRK BROS. is a fresh fusion kitchen inspired by the diverse influences of Caribbean food with a modern twist. The menu is an evolution of the Island flavours for the modern palate, from Jerk Salmon & Halloumi Burgers to Pulled Carib' Chicken to the traditional secret family recipes passed down from mother to son. Complimented by a mouthwatering selection of sides this is a revolution in taste not to be missed.

Curated by two childhood friends from humble beginnings, Daniel & Rheiss descended from a unique and bold heritage of Jamaican, English, Turkish and Cypriot. The curiosity of diverse cultures and taste has driven their passion for the love of food. The BROS welcome you to the flavours of JRK.
