## **CAN PARENTS WATCH THE CLASS?**

For all classes we do not have a space for the parents to view them. The hall is too small once all the equipment is out. The last session of every half term you may come along for "Parent Watching Week" where you can

quietly sit and watch the class and see how your gymnast is doing. At all of these sessions we have some small refreshments for sale for you to enjoy.

### **WHAT SHOULD MY CHILD WEAR TO CLASS?**

Gymnasts should wear a leotard or shorts/leggings and a t-shirt. Our uniform is available to purchase. Please visit the uniform button on our website to order. Bare feet and long hair tied back. Please remove all jewelry before each session.

### **WHAT SHOULD MY CHILD BRING TO CLASS?**

Gymnasts should bring a drink along to every session and chalk if they prefer to use it on the bar. We no longer provide chalk for the children so this must be provided by yourselves. A good place to buy this is gymnastics planet.
