

# Ask for “Rosie Becomes a Warrior” children’s books to be included in your child’s school library!

*Here’s a template you can start with:*

Dear (School Contact Name [Principal or School Librarian]),

Please consider adding books in the “Rosie Becomes a Warrior” children’s book series to my (child’s name)’s school library. By adding books in this series to the school library, you will help increase awareness of the signs of type 1 diabetes, which can be life-threatening when misdiagnosed or undiagnosed. (Share a personal story or anecdote about why this matters to you here.) Anyone can be diagnosed with type 1 diabetes at any age.

Understanding the signs of type 1 diabetes alone is crucial. Understanding the type 1 diabetes experience will help students at (school name) develop key empathy & empowerment skills that will carry with them throughout their lives. “Rosie Becomes a Warrior” children’s books will help achieve each of these goals! “Rosie Becomes a Warrior” children’s books help children & their families navigate big life challenges like type 1 diabetes. They will inspire all students to find their inner warrior and help them craft stronger friendships.
