Maple Mustard

This is our very first condiment release and is the engine that drives our enterprise. It is very popular, especially with those who like softer, milder and more gentle styles of Mustard. **Gluten Free*

Hot Horseradish Mustard

We source very high-quality Hot Horseradish from a farm down the road from us and blend it with Hot Mustard Powder and Vinegar and finish it all with a dollop of Maple Syrup. This is PROPER Mustard with PROPER Mustardy Heat that is eye-popping yet very palatable all the same. **Vegan*

Hot Jalapeño Mustard

Similar in style and texture to our HR Mustard, the heat however from this one stays on the palate and dances around super nicely with the Jalapeno/Mustard Powder doing a really balanced TANGO for the senses! **Vegan*

Whole Seed Maple Mustard

Using Brown and Yellow Mustard Seed with a dollop of Maple Syrup we have crafted a perfectly balanced, sweeter style Seedy Mustard. **Vegan *Gluten Free*

Classic Yellow Mustard

“Take Me Out To the Ball Game!” This classic turmeric-driven beauty provides that essential “bitter vinegary” flavour profile that made most of us “Mustard Heads” from the get go, made with all natural ingredients and no junky stabilizers used in its grocery shelf counterpart. **Vegan *Gluten Free *No Carb/Keto*

Whole Seed “Zero” Mustard

Our most natural and untouched product, a simple whole seed offering with only water/vinegar and a pinch of salt, super good for you and tasty all the same! **Vegan *Gluten Free *No Carb/Keto*

Proper Dijon Mustard

All brown seeds only in this whole seed offering, snappy heat and nice and bitter. Very untouched as well and popular with the minimalist crowd. **Vegan *Gluten Free *No Carb/Keto*

Beer Mustard

Using our local craft brewer Block Three’s *“King St. Saison”* Beer to soak our seeds in, we have come up with a “Beer Mustard that actually tastes like Beer!”. This recipe was selected by a panel of judges at their brewery in St. Jacobs and brings complexity and depth with sprinklings of red chilli peppers and a twist of lime. **Vegan*

Nana's Favourite Brown Sauce

Modeled after the classic A1 or HP (that through mass production are a "whittled down" version of their former selves!) this sauce POPS! With the classic Granny Smith Apple/Pitted Prune partnership this sauce delivers the goods!
