

Ipswich Soccer

(1875-1925)

Author: Neville Cruickshanks

Anglo Queensland Football was first played in Ipswich in the 1880's with the first recorded match being in 1886.

Blackstone and Bundanba districts were first to field teams and were followed by the Dinmore district

In the early years teams were based around mining companies. Mining and Football in Ipswich were to be linked through until the seventies.

The early mine owners like Lewis Thomas were pioneers of the game and provided land for clubs. The land mostly bush would be required to be cleared by some of the players themselves.

The mine owners would be influential in the game also becoming administrators and Club patrons.

The early teams were made up of predominately immigrants from the UK who had sailed to Australia arriving in Ipswich as early as 1850. With the second generation of these immigrants being born in Ipswich teams became home grown. The 1926 all conquering Blackstone Rovers team were all home grown players with eight from Blackstone and three from Dinmore.

In the early years whilst the grounds were not ideal this was made up for with enthusiasm for the game. Most players would work on Saturday morning mostly at the mine and then play that afternoon as no games were played on a Sunday until 1949.

Up until bus or car transport was available players would walk, run or go by horse and buggy to games. Players thought nothing of riding horseback up to 40 kilometres one way to play a game.

Teams travelling to Brisbane to play had special train carriages set aside for the trip and travelled back the next day as games were scheduled in the afternoon so players could arrive in time from Ipswich.

As a result home teams would graciously provide entertainment and meals for visiting teams.

Results of these games were not reported to the Queensland Times until days later

It would not be until the 1894 when homing pigeons were used that a result was known on the day.

Toddy Edwards Blackstone Rovers International recalled in the twenties working at the pithead, running home bathing, as no facilities existed in the mines eat if time allowed and then run from Blackstone to the north east through the borehole to Bundanba Railway Station to catch the train to Brisbane. Players were also risking their livelihoods as no compensation from employers existed and injured players had to rely on funds being raised to support them. A number of organisations assisted including the Masonic Clubs. The rivalry between Ipswich and Brisbane has endured the 134 years of the game in Queensland, from the * Kruger Cup and other * Intercity matches through to the administration of the game.

The competition has split between Brisbane and Ipswich on a couple of occasions with the Ipswich and West Moreton Football Association fiercely guarding the interests of Ipswich clubs from its inception in 1891 through until 1940 when the senior competition fell under the control of Queensland Football Association.

Ipswich also held additional competitions for Ipswich based clubs from 1891-1956 such as the Challenge and Hetherington Cups O'Callaghan Shield and Cribb and Foote Cup and other competitions for Charity

Ipswich had a player in the Queensland team every year a team was chosen from 1890 until 1990

Success at club level shows Ipswich has four of the top five clubs in terms of total trophies won

With the expansion of the city in to new suburbs twelve clubs (5 Senior and seven Junior) were operating in 2020

Brisbane Club vs. Woogaroo Asylum

In accordance with a challenge issued by the Woogaroo players, eighteen "braves" of the Brisbane Football Club donned their war paint, left Brisbane per rail at 12.5 on Saturday last, and arrived at Woogaroo at 1.15 p.m. Their names were Menzies (captain), Joe Bourne, John Bourne, Macalister, Coutts, Brennan, M'Intosh, Foster, O'Doherty, Devoy, Norris, P. Roberts, Miles, Bryant, Scott, Bowman, Hobbs, and Caston ; on the whole, a very fair team indeed

The first item on the programme was an excellent spread provided at short notice at Host Drysdale's, which was paid every attention to, and a move was then made to the scene of action, a paddock adjoining the Asylum, where play commenced at half-past 2, after arranging the rules and appointing umpires; Mr. Sheehan acting as such for Brisbane, and Mr. Jack for Woogaroo.

***One rule provided that the ball should not be handled nor carried**, and this condition gave a great advantage to the "bedlam" folks, as the active little Brisbane fellows thereby lost half the benefit of their "lissome-ness," while the superior weight of the Woogaroo nuggets was "bound to cipher up in a muss." So thought the spectators, but the result proved the contrary, for the first goal was kicked for the club by the veteran Joe Bourne, thanks to the skill of the Brisbane battalion. In this the first bout, the Brisbane side had the choice of ends, and the ball was kicked off at starting by Dr. Webb, who acted as captain for Woogaroo. No time was lost in saddling-up for the next heat, and at it, fast and furious, went all hands. Several players were denuded of their upper garments with a workmanlike rapidity worthy of the occasion. In one of the tussles a hapless "Metropolitan" got his finger broken; but such trifles were not allowed to interrupt "the 'harmony of the evening," any more than a cropper in the ditch stops a fox hunt; and now it was, in round No. 2, that weight began to tell, and the visitors found they had some heavy up-hill hauling to do, and in spite of all their gal-lant efforts, a Woogaroo patient sent the ball in the way it should go, between the uprights, which, after an appeal to the umpire, was allowed. Ten minutes' rest, smoke oh, and a drink, came next, and Brisbane went in "lemons" to collar, if possible, the odd trick. Our friend Jack Maca-lister—a Rupert amongst the Roundheads—formed himself into a committee for the purpose of carrying out the conveyance of the ball betwixt the Woogaroo standards, and he worked so energetically, that the motion was ultimately carried, not exactly nem con. perhaps, but certainly nolens volens. (Pray excuse our classical style !) There was some roughish play in this bout, and some unequivocal compliments given and taken; and now all hands adjourned to partake of some refreshment, hospitably pro-vided by Dr. Webb. As it was now getting late in the winter afternoon, "time" was called, and "The row that for a space began to fail, Now doubly, trebly, thundering, swelled the gale." The local team kicked off the ball, for a fourth issue. The battle raged, the warriors were prostrated in all directions. Macalister kicked a goal (disallowed by the umpire). "Never mind, pick up the pieces, at it again," and on they went, and the fray grew as furious as if this were the deciding event; which it was not, for it had been agreed before starting that the first two out of three events should win the match, and these had been scored by Brisbane. This fourth bout for "love" was the hottest of the series, and weight again told its tale, and one of the Warders kicked a goal for Woogaroo. An attempt was then made to dance the fifth figure of the quadrille, but before it had been long on hand the bell sounded for the Brisbane boys to go home; and so, after a very jolly afternoon, and the interchange of hearty farewells and expressed hopes as to their next merry meeting—to take place, if possible, this season—the visitors proceeded per train homewards, and the latter being, as a matter of course, behind time by about an hour, they did not reach the city terminus till 7.30 p.m. The game was witnessed by a large number of the patients and many visitors, all of whom seemed to be highly delighted with the sport*

- *A meeting was held at Bundanba, on Monday night last, for the purpose of forming a football club. There was fair attendance, and Mr. W Hastie occupied the chair. It was resolved to form a club, which will play the British Association game. Mr James Glasgow was appointed secretary; and the members present were deputed to act as a general committee until officers were permanently chosen for the year., Thirteen members were enrolled at the meeting, and it is probable that a good many well-known players at Dinmore and Blackstone will join later on. It is intended to hold practice on the Bundanba reserve, on Saturday next, the kick-off taking place at 4 o'clock. It was decided to name the club the Bundanba Rovers*

Queenslanders 2 vs Bundamba Rovers 2

*The first football match played at Ipswich under the Anglo-Queensland rules came off on the cricket reserve on Saturday afternoon last, the contesting teams being the Rovers, of Bundamba, and the Queenslanders, of this town. Owing to the usual convincing ground being occupied with another match, this one was played on the lower portion of the reserve the end nearest the woollen factory. **The ground was not in a good state by any means. Some of the stumps had just recently been removed, and the surface was very rough and muddy, and in places pools of water lay in the hollows.** Though there were many persons present, the livelier game going on at the upper end seemed to have, by a long way, the greater attraction. Then the spectators were better acquainted with the Australian game, few seeming to properly understand the one recently introduced. The teams, too, were new to the game, and it could not be expected that such exciting or interesting play was to be witnessed at their end of the ground as between the Ipswich and Brisbane men further up.*

*This game was played with eleven men a side. The goals, placed at a distance of 120 yards from each other, consisted each of two posts 8ft. high and 24ft. apart, with a crossbar on. To obtain a goal the ball was to be kicked between the posts and under the bar, and nothing counts but goals. None of the players except the goal-keeper are allowed to "handle" the ball, and if in any way, the ball touches a player's hands (or a player's hands touch the ball) a free kick is allowed to the other side. It seemed very natural to the players to put out their hands towards the ball, and a good many free kicks were allowed. **While handling is not allowed, "head-work" is, and at times it was amusing to watch the men jump at the ball and strike it with the head. The fact that no umpire could be obtained militated against the game, and the players had to decide all questions that arose amongst themselves.** Hastie, who captained the Queenslanders, won the toss from Waugh, and chose the eastern goal, thus having a little advantage as regards the breeze. After playing for three-quarters of an hour, a rest of ten minutes was allowed, goals were changed, and play resumed for another three-quarters of an hour. J Glasgow kicked off for the Rovers, a little after half past three o'clock. Nothing spectacular occurred till within two minutes of half-time, when R. Stephens passed the ball to **Tunstall, who was within five yards or so of the posts, and he kicked the first goal for the Queenslanders.***

*After the half-time interval play was resumed, and about half an hour afterwards the cry of "Handball" was raised by some of the Rovers, who seemed to stop play for a free kick, but the other party played on, and B. Stephens pat the ball between the posts. It was, however, agreed that this should not count. **Tunstall, nevertheless, put the sphere through properly a few minutes subsequently. The Rovers then played up better and Sneddon soon kicked a goal for them. Their captain followed up with, another goal thus equalising the score.** As nothing more was added, the game terminated in a draw. Among the Rovers, Waugh played a capital game, and Dobbie, Sneddon, and Denham did good service. For the Blues, Tunstall and Hastie played best. and were ably supported by Hudson R and J Stephens, and others. We understand that the St. Andrew's Club are sending up a team to play the Queenslanders here on Saturday next, and as a good many people seem to think the Anglo-Queensland a pretty game, if a good combined match could be arranged for some afternoon when no other game is on, the public, we think, would patronise it and the might also be educated with regard to the pastime.*

Tuesday 27 July 1886 *Queensland Times, Ipswich Herald and General Advertiser (3)*

*Extract

The match, though well played. had not such attractions for the public as had the Australian game which was going on lower down the reserve at the same time, but the supporters of the Anglo Queensland game here are sanguine that it will yet come to the front as they say it deserves to.

Tuesday 17 August 1886 *Queensland Times, Ipswich Herald and General Advertiser(4)*

An interesting football match was played under the Anglo Queensland rules, at the Pineapple ground, on Saturday, between the Rangers and the Bundamba Rovers. The former won by 2 goals to 1. Waugh, of the Bundamba club, appeared to be their best man, if not the best of all the players, but only the Lind. says and Tunstall backed him up really well. The visitors were entertained in the evening.

Mr. Tunstall is reported to have said, in the course of his speech, that the Anglo. Queensland game met with very little support in Ipswich, but he intended to play no other.

Brisbane Courier (Ipswich population)

The 1886 census showed there were then 7576 persons within the municipality, while the present one gives 7588. This would lead one to believe that a decrease of 38 had taken place, while actually there was an increase though comparatively small); as many residents are away temporarily from the town seeking employment until things are brisker in Ipswich, and, in addition to this, it is known that at least sixty of the inhabitants wore away in Southport on the night the census was taken. As regards the district immediately surrounding the town the increase in population is satisfactory, the numbers being in 1880, 9562; 1891, 10302. The boundaries which define the district run along the Ipswich side of Bundamba Creek to Deebing Creek, thence round to the Ipswich-Toowoomba railway line, including Amberley and the Four-mile Gate, the municipal boundary being the limit on the northern side of the river. The gain in population to the suburbs is therefore 740, a result which is gratifying in the face of the depression throughout the colony for the past twelve

Blackstone Rovers

Blackstone Rovers was formed in 1886.

It was reported that Sergeant Frederick Wort(1863-1932) drill instructor for the Defence force introduced Soccer to Blackstone.Sergeant Frederick Wort would be the clubs captain and players were principally drawn from those who served in the “Old Volunteers”

The original Rovers ground was directly across the creek on Lewis Thomas's land on Blackstone Road next to the now Heritage listed Welsh Church and was donated by Lewis Thomas on the condition no games would be played on a Sunday.The ground is the oldest where Soccer has been played continuously The Welsh influence on Blackstone Rovers would continue to today with the Blackstone Welsh United Dragons (QCSA) playing on the ground after forming in 1970.

Blackstone was known as the district of Colliers and Choristers

Rovers played in Red and then from 1904 Black striped shirts with white shorts and black socks with red tops

.The war cry was “Play up Rovers” Andrew Hamilton became the first Secretary of Blackstone Rovers and was responsible for importing the first Black and Red Guernsey’s from Scotland.

Tom Barker would become the first Ipswich player selected for Queensland.Tom was secretary of The Ipswich and West Moreton Football Association,

The Ipswich Shelley brothers were also selected but they were living and playing in Brisbane at the time but move to Ipswich in 1896

Rovers would win the first Ipswich trophy in The Ipswich and West Moreton Competition in 1891 defeating Silkstone in the Final

In 1911 Rovers changed to Rugby Union returning to Soccer in 1912. Rovers were also nicknamed the “Boo Boos”

Rovers would win 30 trophies in all until the club merged with Bundamba Rangers in 1965 to form Coalstars

Blackstone Rovers would produce twenty five players who would play for Queensland and six for Australia Jack (Toddy) Edwards, Les Halls, Redvers Kitching, Ron Hughes, Robert Lawrie, Don Leo, Alwyn Warren.

Under 18 Juniors

A number of Queensland and Australian players played for Rovers including Col Kitching, Mervyn Shanks, Brian (Chooky) Vogler, Richard James, Redvers Kitching who represented Australia.

Two of the most successful Blackstone teams were the 1926 side that won the Premiership/Tristram Shield, Ipswich Challenge Cup and Special Trophy. The side included eleven home grown players with eight born in Blackstone and three in Dinmore.

The 1953 side that won four trophies Premiership/Tristram and Hilton Shield Winners, Ambulance Shield only losing to St Helens in the Cribb and Foote Cup

Notable families who played and were administrators for Blackstone were the Dobbie, Evans, Hughes, Williams and Woolleys

In 1970 Blackstone Welsh United Dragons (QCSA) formed, Coalstars owned the ground and played matches there and when Sunday matches were played to the annoyance of churchgoers in the nearby Welsh Church some ex-Rovers players bought the ground and United Dragons was born.

Eric Jones and Norm Rule were instrumental in the formation of the club

Unfortunately the Blackstone Rovers Clubhouse was destroyed by arsonists

Formation of Bush Rats

***Joseph Potts(New Chum Bush Rats)**

When Dinmore Bush Rats first formed up they cleared a ground burning timber beyond the New Chum road bridge near Stafford Brothers property.,The naming of the club was discussed and all agreed as they had worked in the dark with miners lamps that Bush Rats was the appropriate name

***Joseph Potts(Dinmore Bush Rats move to Reliance Ground)**

We fenced it with barbed wire(4 rows).I remember well we christened it playing Booval Stars we charged sixpence and took 50 pounds

***1893 Queensland Times report on Bush Rats ground (3)**

Ground which is situated almost opposite the pottery works, close by the New Chum Colliery a newly cleared spot, the work in connection with which was done by the Rats during their spare evenings, and, judging by the quantity and size of the timber in the surroundings, it was no light undertaking either, some of the logs being utilised as seats for the spectators on both sides of the boundary.

***Tom Barker(1912) Queensland Times "Bush Rats were founded 24 years earlier"**

***Tom (Old Sport) Barker 1923**

Thirty odd years ago, the original T'Rats cut out. a nice ground, clearing it of trees, on the "New Chum" Colliery side of the railway, where in the evenings it was quite an entertainment to watch the boys training while the womenfolk-young and old occupied seats on the logs, knitting and singing, with large fires in full swing adjacent.

***Matthew Bailey (1924 Reunion))**

*In those days there were no playing pitches, but the dense scrub did not prevent 13 stout-hearted lovers of football from playing their favourite game.They set to work with a will, and many a time the moon was well up before they ceased their labours. Eventually they cleared a patch big enough to play on and it was the proud boast of those original Bush Rats that they **never suffered defeat during, four seasons on their home ground.**When the work of clearing the three grounds was completed, the question cropped up. 'What shall we call the team?' according to Mr Bailey one 'night this happy band of enthusiasts knocked off for a smoke. It was a dark night and as they sat around the fire one of them, Bill Hansell suggested that as they were like a lot of bush rats why not call the club that name and they did so.The comment was made to George Duck as reported in the Daily Standard 28th March 1930*

***William Henry Jones (1926)**

Mr. Junes, who was 58 years of age played with Blackstone Rovers over 30 years ago, and later assisted the Callbacks Several times he represented Ipswich against Brisbane. He also will be remembered as one of those who founded the present Bush Rats F.C

***Ernest Rumble(1945)**

Many years ago, when the club was preparing one of its other playing areas, members worked till well after dark. "Come on, we'd better go home." said one of their number otherwise people will think we are bush rats."Since then the name has stuck and always has meant something in the Soccer world

From 1890 when they first competed until the start of WW1 Dinmore Bush Rats would win 22 Premierships and 20 Shields and Cups in 24 Years

1889

- Dave Newlands (27 December 1952 QueenslandTimes)

After a few years with Blackstone Dave, John Lovell, Jacob Tapp, and Tom Barker went to the Dinmore Bridge and formed two teams. One team played at Nunn's Paddock, and the other was called Wallabies.

Next year the teams amalgamated to become New Chum Bush Rats.

Formation of Ipswich and West Moreton Football Association

For some time past those interested in the game of football as played under British Association Rules have been anxious to form an association on similar lines to that of the West Moreton Rugby Union, in order that cup matches for the various clubs could be arranged. With this object in view a meeting was held, at Dinmore, last week, in the rooms of the Workmen's Club. Mr. T. Barker occupied the chair, and teams from Dinmore (2), New Chum, Blackstone, and Silkstone were represented. On the motion of Mr. Caddies, seconded by Mr. Lovell, it was decided that an association should be formed for the West Moreton district. After a few other matters had been attended to, the meeting was adjourned till this evening at Kennedy's hotel, Booval, for the purpose of making further arrangements. The British Association game has become very popular of late, especially in the mining centre, and, though somewhat late for this season, if a good association could be successfully worked (and there is no reason why it should not, it would be the medium of greatly advancing the game next year.

Thomas Sharp (1851-1937) (President of IWMFA)

Tom Sharp, had a keen concern in the soccer game in which, in his younger days, he was a capable exponent. He came from a soldier line of Scottish folk, and he doted on the military.

He was for 12 years in the army, having been with the colours for seven years and 10 days, and he was four years and 335 days in other callings of the army from which he obtained his discharge with a very good record.

He is a native of Hawick, Roxborough, Scotland, but later on when old enough, he followed the calling of a coal-miner at Larkhall, in Lanarkshire. He joined the 90th. Perthshire volunteers at Hamilton, Glasgow, thence he went to the 90th. line regiment in Dublin. Six months afterwards he volunteered for service to the 74th. Highlanders, with whom he sailed to Malta, and while quartered there, the 74th. received orders to go on to Singapore. Doing six months duty at Hong Kong, he returned to the depot at Hamilton, Glasgow. While here news came of the tumult of the Zulus, in South Africa and the cutting up of the 24th regiment for which volunteers were called and he joined up with the colours, and they were dispatched for the scene of operations.

He received a Zulu medal, and returned to Gibraltar, where after six months at this famous fort his next move was to India. His regiment - having been sent thence to Afghanistan, where they arrived at the scene of hostilities just after Lord Roberts's - celebrated march to Kandahar. Fourteen months were put in the Indian climate, where in they were returned to England and placed in reserve at Bracken in the south of Wales.

He married while in the army, was called up again in 1880, and sent to Tabekabu, Egypt. His military career lasted for some 12 years, when he retired from a soldier's life and went back to a mining life in Scotland. He has no complaints about his soldier's life, it having been as open, free life which he thoroughly enjoyed.

Three of his brothers were soldiers, and during the recent great war, two of his sons and a grandson were at the front, and the husband of a granddaughter was killed abroad. He left the old country, where he held important positions after his soldier's life and came to Queensland about 12 years ago, settling down at Bundamba ever since until leaving for the north.

Ern Richards(1895 Bundamba Rangers) Queensland Times (1947)

Some of the players have proper Jerseys, but some have makeshifts strips of red ribbon sewn on to singlets. Some have only singlets with sashes over shoulders. They were the days when a player bought a jersey if he could afford one. If he couldn't, he did the best he could with the material at his disposal. They were the days of short work in the mines, and Butcher boots (with bars or studs fitted as Soccer gear. They also were the days when anyone who showed the slightest sign of going for the ball could be knocked over, and when the goal-keeper was nobody's friend who often went in danger of his life from charges. Clashes with the Bush Rats and Blackstone Rovers were classic occasions on the Bundamba ground in the 1890's. "We used to get fairly big crowds at our games," said Ern. "We did not charge for admission, but depended on passing the hat along the side line for funds." Playing shorts usually were moleskins cut down to fit below the knees, and shin guards were made at home from moleskin and strips of cane.

THE BUSH RATS.
As is already known (writes our Dinmore correspondent) the Bush Rats won the football competition in Brisbane on Eight-Hour Day. There were no goals scored by either side in the final, and the game was decided on points in favour of the Rats. Their victory is all the more meritorious, because of the combination they defeated, which comprised players of about four different clubs, and the Rats were mostly juniors.

QueenslandTimes Saturday 3 September 1910

A delightful feature of the football matches in the Dinmore district is the interest evinced in these soccer battles by the women-folk. This has, however, always been in evidence with the followers of the Bush Rats, and I was delighted to notice the large assemblage of the feminine sex. Mothers, wives, and sisters were there in great force, and it was pleasing to again meet that good old lady, Mrs. D. Nunn, who has been in that district some 53 years : she stated that the whole of her family (12 in all) were all alive, that she had 72 grandchildren, and quite a number of great grand-children. The women seem to regard the football matches as occasions for homely gatherings, and every available log was lined with 'happy and smiling faces. It was likewise pleasing to again "rub shoulders" with those who have been stout defenders of the Bush Rats' laurels in many a hard-fought battle with metropolitan soccerites.

QueenslandTimes (Thursday 20 June 1912

By-the-way, the New Chum Colliery district is the home, generally, of the celebrated Bush Rats Football Club, and, while wending my way to the colliery named, I passed across their field of play, which T'Rats "carved" out of the bush by their own exertions some 20 odd years ago; and I could not help thinking of the many exciting contests which I witnessed there in the days gone by..How many, both of players and spectators, could answer the roll now if one were called? And that dear old lady, the late Mrs. Rachel Nunn (a resident of the Dinmore district of over half-a-century), has been called to rest

She was a keen enthusiast of both "soccer" football and cricket, and she always made it a point of honour to be present at all the matches of any note. Her pleasant familiar face will certainly be missed by the Bush Rats. She leaves behind a numerous family, of whom all the sons are engaged in the coal-mining industry

Queensland Times report 28th January 1929

Jacky (Quilp) Lynch

Jacky Lynch is the well-known aboriginal who lived at Dinmore many years ago under the name of Quilp (writes our Bundamba correspondent). Quilp was at one time a keen footballer, and I think he played in some of the minor football matches with the Dinmore Bush Rats Club. Quilp was formerly employed by the late Mr. Asburn, a well-known butcher of Ipswich, and whose home was at Riverview, where the Salvation Army Boys' Training Farm is now situated. Quilp was brought down from out West when a little boy by the late Mr. Asburn and lived for many years with him.

After Mr. Asburn's death and the removal of the Asburn family from Riverview, Quilp went to live at Dinmore and worked at various callings in the district for a number of years. Finally, some years ago, the police, acting under instructions from the Home Secretary's Department removed Quilp to the aboriginal settlement at Barambah. About eight or 15 years ago Quilp went to Tweed Heads, and he still lives at the blacks settlement on the Tweed River. Only last Christmas holidays the writer was talking with Jacky Lynch in the main street at Tweed Heads and called him by his old name, "Quilp," and he entered into earnest conversation about old residents of the Dinmore and Bundanba district.

St Helens (Ebbw Vale)

St Helens formed as a Junior Club playing on the Whitwood Ground at Ebbw Vale
The Whitwood Ground which opened in 1892 and later became Stan McCrea Oval.
This ground was originally used for Rifle training by the Armed Forces and was home to the St Helens Rifle Club.

The suburb was originally called St Helens. Soccer matches were played on the ground from 1892
The Rifle club was instrumental with support from footballers to have trains stop at Ebbw Vale and this occurred years before the Ebbw Vale station was opened.
The WW1 statue now in Ebbw Vale Memorial Park was originally outside the station but was moved.
It bears the names of a number of the Original St Helens players

The club formed in 1910 as a Junior Club and reformed after not fielding a team in 1911 as a senior team in 1912 following players leaving Rosebells
In 1920 it dissolved with the majority of its players going to Dinmore Bushrats
It reformed as a junior club in 1922.

In 1925 it entered a team in the second division.
The club merged with Dinmore Wanderers in 1935 and again with Redbank Dinmore in 1966 to form St Helens United
The club formed an alliance with Coalstars to form Ipswich United in 1979. Coalstars exited the arrangement and St Helens continued with the name reverting to St Helens in
1990 the nineties. The club merged with Coalstars to form Ipswich Knights in 1998

St Helens had thirty two Queensland representatives and eight Australian representatives selected whilst playing for the club. A total of eighty two Queensland representatives and twenty five Australian representatives in total also played for the club. Gordon (Bunny) Nunn and Cliff Sander were inducted into the Football Hall of Fame

(Dan Potts)
1946 tribute

Jottings
Ask some of the "old-timers" who was the greatest district product in the Soccer world and it's a safe bet that many of them will give their vote to Dan Potts, who represented Ipswich on 21 consecutive occasions at in-ide left. Dan played for Bush Rats and Rangers, and had a long association with the game. I nearly prefixed Bush Rats with "Dinmore" and Rangers with "Bundamba," but the clubs are so well-known that their districts are identified by the straight-out club titles . . . Joe Wilson. former

*Queensland Times Saturday 12 January 1946

Real McKay ! What's all this talk of being too old for football when you are over the 30 mark? "Jimmy" McKay, of Booval, who turned out for Bundamba Rangers at full-back when he was 45. Jimmy had a grand career in the code on the other side. He captained the Scottish Junior team in 1899, and was offered a game with a crack English combination. He played for many years with the Paisley team, Abercorn. In Australia he was selected to represent both New South Wales and Victoria, but was unable to play. He did not stop in Victoria long enough, and had a sore leg when in New South Wales. He finally won active Interstate honours when he came to Queensland. Centre-half was his favourite position.

*Queensland Times 3rd May 1947

Bob McMurdo, of Booval, may well be known as the five sports man. He has done share of walking, running, cycling, boxig, and wrestling. Highlight of aathletics career which he followed boy and man was winning the Australian and New Zealand Marathon, on August 27, 1927. Training for the Marathon, Bob "worked out" between the Booval Police Station and Oxley and return.. A week after that success, he was second in the SydneyCamden 50 miles walk. The 50 miles Briabane to Southport walk was covered by Bob in 10 hours. Other trophies on the sideboard and there are plenty of them include a salad bowl Won at Lanarkshire miners sports which were held on the estate of the Duke of Hamilton (Scots from Lanarkshite should remember those meetings), and a cop won at a shipboard boxing tournament Buccesses at miners spbrts and other meetings are all dirpetuated. Among the phtographic treasures Is. one of the Motherwell Harriers, of 1911. That was the team which represented Scotland In the two-mile team rage at Crystal Palace, and won.. Just to keep the record straight, I had better mention that Bob played in goeal for the old Bundamba Athletics when the Club's ground was on Station Hill PaF~

Extraordinary sports record of Mr Frederick Elson

To gain international selection in one code of sport is a worthy enough achievement for anyone, but to reach international status in another, and to be offered first class posting in still another is indeed extraordinary. Such is the versatile record of Mr. Fred Elson, of Blackstone

He was selected as a Welsh Rugby Union forward in 1911, but was unable to line out at Cardiff with the side because his amateur standing had been upset by his playing professional Soccer.

In 1910, Fred was a reserve for the Welsh Rugby Union side against Scotland.

He was a Welsh international rink hockey centre-half, and a Soccer full-back. who may have risen to top flight ranking in the round ball game if his first love had not been for Union. Fred's club Union was played with Peny Craig, Rhondda Valley, where the colliers were tough and where cauliflower ears were the badges of the big men in the pack.

With Fred in Peny Craig's forwards was Bob Jenkins, of Booval. Fred's playing weight in those days was about 139 stone

It was Soccer which claimed the versatile Welshman's attention first.

He played full-back for Porth for seven years, and "Fatty" Wedlock, international Soccer star, offered him a game with Bristol

In 1910-11 he played rink hockey for Wales, football being played in the daytime and hockey at night.

His club rink hockey team was Forth All Blues.

When he came to Blackstone from Wales, Fred played Rugby League with the Blackstone Club and West Ends.

In 1915 he was a member of the West End team, which won a premiership. After the final League game for the season he transferred to the Blackstone Soccer side, played the last few games of the season with them, and saw them win their premiership, two premiership sides in different codes in one season

Welcome Home

TO SERGEANT M. EGAN, CORPORAL W. POTTS, AND PRIVATE D. LILLEY.

AT DINMORE.

A LARGE and most enthusiastic gathering assembled on Saturday evening at Mrs. Roache's Hall, Dinmore, to celebrate the return from South Africa of Sergeant M. Egan, Corporal W. Potts, and Private D. Lilley, members of the fifth Queensland contingent (or, as they are more familiarly termed, "soldiers of Major Toll's Fighting Fifth"), and a right hearty welcome was accorded them. The affair was taken in hand by the following committee:—Messrs. W. J. Lynch (chairman), John Stafford, Mat. Bailey, T. Schofield, J. Lowe, A. Stewart, T. Burns, J. Tedman, sen., and J. Roberts, with Mr. J. Tedman, jun., as hon. secretary, and as everyone worked energetically towards making the function worthy of the traditions of Dinmore, the undertaking was a pronounced success. The catering was in the capable hands of Mr. Isaac Han, and was faithfully carried out. The hall was tastefully decorated, and two long tables extended the whole length of the room. So numerous was the attendance that the accommodation was entirely inadequate, and two sittings had necessarily to take place before all were satisfied. Mr. W. J. Lynch occupied the head of the table during the banqueting part of the evening's proceedings, having on his left Sergeant M. Egan and on his right Corporal W. Potts and Private D. Lilley, all of whom were received with hearty cheers as they entered the room. Tables having been cleared the convivial part of the night's

Privates Faulkner and Wade. Return (11 July 1919)

Bush Rats' Football Club held a social on Friday evening at the residence of Mr Matt. Bognuda, who kindly placed his home at the disposal of the club. There was a record attendance. Miss A. Stewart supplied the music for the dancing, and Mr Joe. Potts acted as M.C. A solo was rendered by Miss L. Elms. During the evening a cushion, which had been donated by the Misses Esmie and Dorrie Nunn, was won by Mrs. A. Walker. Refreshments were provided. Much credit is due to the lady helpers for the assistance they rendered, and to Mr. and Mrs. Bognuda for the use of their home. As the result of the function the club will benefit to the extent of £5 s-6d. Returned Soldiers--Local residents are pleased to have back amongst them two more local soldiers--Ptes. Faulkner and Wade. Pte. T. Wade has been approached by several soccer teams, enlisting his support. He will probably rejoin his former club.

Football resumes

After a spell owing to the war, the popular form of sport has again "sprung into being," and -to all appearances, will recover all the past enthusiasm. A meeting of the Bush Rats was held, and the attendance was exceptionally good. Mr. Joe Potts was unanimously elected to tile position of secretary and delegate to the union meetings. A senior team has been arranged, and it is Considered that its chances for premiership honours are good. A junior-minor team has also been formed, and its prospects are also good.

1920-1942

In the twenties there were only four grades of soccer apart from school teams.

They were Junior Minor(Under 18) Junior(no age limit) Second and First division

The nineteen twenties will see Dinmore Bush Rats again the most successful club with ten trophies but by the end of the decade would be in decline and would not field a team in 1930

Their last premiership for twenty five years was in 1925.

That team had five players in the Queensland team

Bundamba Rangers won its first Brisbane Challenge Cup in 1922 led by the first Australian Captain Alec Gibb.

Alec Gibb will captain Australian on a tour of New Zealand with Clarrie Shenton Internationals Cliff Gedge and Mosie Burton are also in the 1923 team

In the twenties there was a Railway Workshops interworks competition involving eight teams

One mode of transport to games was by McKeen rail car special used to transport teams

In 1926 the Blackstone Rovers team won the Brisbane and Ipswich competition and the Tristram Shield and was arguably won of the best sides Ipswich produced with players including Internationals Les Halls and Jack(Toddy) Edwards along with Queensland representatives Roy Woolley, Jack Williams and James Clarkson

Bundamba Rangers would win in 1927 and 1928 with International William(Sally) Oliver captain and Russ Buchanan in the team.

In 1928 the first raid on Ipswich players commenced with Norman Park signing International Les Halls from Blackstone Rovers, James Henderson and James Kenny from St Helens and Queensland Representative Col Warrell from Dinmore Bush Rats

They would however return to Ipswich within a couple of months

By 1929 the Brisbane and Ipswich Federations were in dispute and would go separate ways for the 1930 competition

The dispute arose over a suspension until a 20 pound fine is paid was imposed on Dinmore Bush Rats, Bundamba Rangers and St Helens for forfeiting the semi finals

The games were all to be played at Woolloongabba with all proceeds going to Brisbane Clubs

The thirties was a success for Bundamba Rangers winning in 1931, 1936, 1937, 1938, 1939

These sides included Internationals Redvers(Fat) Kitching, Mervyn Shanks, Dan Roderick, Lex Gibb and Richard James.

Three of these were in the combined competition which recommenced in 1937.

Blackstone Rovers would win their first premiership in fifteen years 1941 led by future Australian captain and

Hall of Fame member Robert Lawrie

This success underscored the strength of the Ipswich competition

Clarrie played for Ipswich Grammar and was selected in the Ipswich Shoolboy team in 1914

H played for Bundamba after leaving school before moving to Wynnum in 1918 with his father who was a Methodist priest

He played a season of Rugby with the Gordon Club in 1919 and a season of Australian Rules as Wynnum did not have a soccer Club

When Wynnum Soccer Club was formed in 1921 he joined and he made such an impression at Wynnum in their inaugural

season that he was selected in the first ever Australian side to tour New Zealand at centre half. He turned 21 on the tour

Clarrie represented Queensland seven times from 1922-1924

He played for Wynnum from 1921-1924 and Thisle in 1925 (Vice Captain)

His football career was short-lived and he settled with tennis as his sport of choice where he became President of the Ipswich Tennis

Association and the clubhouse was named in his honour (Shenton House)

Clarrie was a partner in Walker and Shenton who were Stationers and Sports goods retailers

He was a member of the Ipswich Rotary Club and President of the Ipswich Grammar Old Boys Association, and

a trustee of the Ellenborough Street Methodist Church

He was also the Patron of several cricket clubs

Sadly Clarrie died in 1934 at the age 34. A life lost too early

His brother Maurice who played for Bundamba Rangers died in 1940 age 36

Both proceeded their father William who died in 1944

Jack (Toddy) Edwards (1900-1981)

Toddy represented Australia three times

He was subsequently advised another player would play, but eventually played after an uproar and the team refusing to play.

Toddy was playing for Blackstone Rovers when selected

* Brisbane Courier Monday 9 June 1924 (13)

Before the big match started it was reported that the Australian players took decided objection to Edwards being dropped for Mitchell.

They adopted their attitude on the principle that once a player was selected he should play. It was stated that the team would not go on without Edwards

and the officials were at once confronted with a delicate situation. Conferences took place, and it was finally resolved by the Australian executive, by nine votes to two, that Edwards should play. The news of the dispute caused something of a sensation and was the cause of free and outspoken comment. The Press were informed that Edwards refused to stand down in favour of Mitchell. The voting shows that this action was officially endorsed'

Tom Barker (1855-1925)

Tom was the eldest son of T J Barker who immigrated to Australia in 1854 on the "General Hewitt" Journalist Tom 'Old Sport' "Red Gum" Barker returned to Ipswich in 1890 to rejoin the Queensland Times as Foreman after almost a decade away working in northern Queensland and at Brisbane newspapers. Tom was involved in cricket and boxing and soccer

Tom was also member of the State Military Forces and became a Staff Sergeant

Tom Barker, aka T.J. Barker, aka 'Old Sport' and "Red Gum" as a journalist reported on cricket and football. Despite being heavily involved in cricket Tom wrote extensively on soccer for 35 years

Sir Walter Scott wrote- *"My foot is on my native heath, and my name is MacGregor-----I write----- My name. At Silkstone I notice great improvements-comfortable residences where once were large fields of cotton, and, while my eye is intent on watching the redoubtable Tom Barker, of Blackstone fame, teaching a number of hardy Silkstonian's the art of football "dribbling" under British Association rules*

Queensland Times(1880's)

Tom(Old Sport, "Red Gum") Barker
(1855-1925)

MR. T. J. BARKER
IPSWICH, June 1.
Mr. T. J. Barker, familiarly known as "Old Sport," has passed. His last innings closed at 8 o'clock last night. He was well known also as "Redgum" under which name he wrote interesting anecdotes and historical incidents. In the passing of "Old Sport," "Red Gum," and Tom Barker, Ipswich loses almost a part of herself.
Mr. Barker celebrated his 70th birthday on March 29 last, and on that occasion he was hale and hearty, and was boyishly pleased with a little presentation made to him by the proprietors and staff of the "Queensland Times." He eagerly took up his pen to tell through the "Times" the story of the history of Ipswich. Illness weakened the hand. The spirit fought on, but at last the pen had to be laid aside. The story remains unfinished.
Mr. Barker was the eldest son of the late Mr. and Mrs. T. R. J. Edwards (left), A. Burns (centre), and Jack Potts (right), all of Bush Rats Football Club, who have been chosen to play for Queensland against England next Saturday, and for West Moraitia today. Edwards has represented Australia and Queensland. Burns has also represented Queensland. This is Potts' first big game apart from representing Ipswich on several occasions. The latter probably is Queensland's youngest player next Saturday, as he is only nineteen. He weighs 11.10. Burns is 12.8, and Edwards 10.8.
