MESSAGE FROM THE PRESIDENT

As President of the Northern Territory Women's Soccer Association here in Darwin, it gives me great pleasure in welcoming all the visitors from other states, both players and supporters. I also extend a great welcome to our Patroness Dr. Ella Stack, the Mayor of Darwin, and all the people of Darwin and Northern Territory, to our first ever Australian National Titles to be held in Darwin.

I am proud to be able to hold this position this year and to work with my committee in acting as hosts to you all. The committee has put in a great deal of time and effort in preparing for these Championships to make it a success and we hope these Championships will be something you will all remember for some time to come.

In the forty years I have been in Darwin, nothing like an Australian National Championship has ever taken place before. It is great to see all the states here at one time to compete. Many of the Northern Territory team are from old Darwin families so it gives me greater pleasure to be able to play in National Titles in our own city of Darwin in front of Darwin people.

Good luck to you all and may the best team win.

Mrs. Cecilia Castillon.

HISTORY OF THE ASSOCIATION

The Northern Territory Women's Soccer Association is now five years old and during this time the game and the administration has developed into a strong association.

The credit for this development is to no small degree attributed to the hard work and family sacrifices of the President, Cecilia Castillon and her hard working husband Leo, Sue and Peter Wright, Cliff Green, Elayne Diessel, Peter Higgins, Barbara Frost and Ann and John Cameriao and their families.

The founders of Women's soccer in Darwin were Ann and John Cameriao Maddie McIntosh and Kay Hoffman. The Association was then called the Darwin Women's Association. This association first started in 1975 just after Cyclone Tracey shook us all up. When the people started returning to Darwin and sport activities returned to some sort of normalcy, Don De Rosa and Klaus Boomjack from the Men's Association assisted the women to get going again.

We then only had three teams in the competition and we were not taking the game too seriously. However, we then received an invitation from the Australian Women's Soccer Association inviting Darwin to compete in the Australian Women's National Championships to be held that year in Queensland. Darwin was to represent the Territory as it was the only Territory centre playing Women's Soccer. The Committee jumped at the chance of competing on a National basis as this was the only way we could improve our standard of play. All arrangements were made and our first representative squad went to Queensland. We were beaten in every game we played in but we did not mind as all of the players had only played three to five weeks of soccer in their life.

The committee and all women interested in Women's soccer are grateful to these three women, Maddie (Auntie Maddie to most of us) Ann and Kay for entering us in that first competition in 1975.

For five years most of the Southern states have used the Territory team as a percentage booster but we have learnt a lot in five years and now have better coaches willing to learn more about the game for our sakes. They are continually giving their time and effort in an endeavour to make us a better team and their spirit and enthusiasm is to be fully appreciated. Mr Jim Selby and his wife Connie are a great source of help and inspiration and we can benefit greatly from their knowledge of the game.

The committee throughout the years, has held on to fight and save the chance to compete in these Championships and now it is our turn to finally be the host state and we now have the opportunity to show the visitors and our Darwin public that our girls can really play good soccer. Now that it is here in our own climate and we don't have the problems of cold weather, our girls can extend themselves to the best that we know they can produce. The visiting teams will have the advantage of more experience as well as very good ball control, but a small warning to all: Be on your toes because the Territory's not going to be so easy to beat this year.

AUSTRALIAN NATIONAL COACH

During the next seven days, players and coaches from seven States will match their wits, skill and energy against each other to see who will reign as A.W.S.A. Champions for 1979

I am sure that the high standard of play will continue as in past years, and that sportsmanship above all will prevail.

Darwin is an interesting city with beautiful sites and the N.T.W.S.A. has organised an exciting itinerary which everyone should take advantage of.

I would like to wish all players a successful and injury free tournament, and to officials I offer a quote:

UNITED AS ONE OUR SPORT WILL GROW,
BUT DIVIDE IT INTO MANY AND
IT IS NOT WORTH A PENNY

Good luck to all from Jim Selby

FROM THE COMMITTEE

To our visiting teams and our visiting supporters, we extend to you all a very warm welcome to the Territory, and may your stay with us in Darwin prove enjoyable and rewarding through the meeting of old and new friends.

The Darwin Soccer Referees are responsible for adding prestige to our games. These services at the present National Championships are deeply appreciated. Please accept a big thank you from us all.

Women's soccer in Australia and throughout the world is increasing in popularity all the time both by players and spectators. All Associations support and encourage young women to play the game of soccer at all levels. The Northern Territory Soccer Federation has assisted us this year with advice from the President Mr. Joe Ross and the Secretary Mr. Syd Rosetto. A big hello and welcome to the Territory's centres Katherine and Alice Springs and thanks to each team for bringing their under 16 teams to Darwin to compete in the curtain raiser to the Championships. Our Territory Juniors as well as everybody in Darwin will be able to see the CREAM of Australian Women's Soccer players here for 7 days. This is hoping to create more interest from the Juniors and their parents.

The Australian Women's Soccer Association is now in it's sixth year since its inception in 1974. Each year, six states play for the title of AUSTRALIAN CHAMPIONS. The Championships are held in a different state each year and this year it is our turn to play hosts to the visiting states. The object of the National Titles is to promote Women's Soccer throughout Australia. South Australia is the latest additions to the Championships, giving seven states to compete in the titles. Tasmania has contacted us with regards to competing next year and delegates from Tasmania will be at our Annual General Meeting to be held on Sunday evening. Next year the National Championships will be held in Adelaide and it looks very much like eight state teams will be competing.

The Annual General Meeting will be held on the Sunday evening of the 26th August at the Asti Motel, cnr Smith Street and 7 Packard Street at 8.00 p.m.

All delegates and interested persons may attend.

CHAMPIONSHIP RULES

1. The Australian Women's Soccer Championship is open to teams representing State Associations which are affiliated with the Australian Women's Soccer Association.
2. All players taking part in this tournament must be registered as players with Associations affiliated to the State Association they represent.
3. 18 players only are permitted to participate in this tournament from each recognised State Association.
4. F.I.F.A. rules will apply - 2 substitutes may be used at any time during the game.
5. A size 5 ball shall be used in all games. Balls supplied by the home State.
6. This tournament adopts the laws of the game as contained in the Referees' Chart and Player's Guide to the Laws of the Game - current edition - as published by the Football Association, England, and as modified by these playing rules.
7. Each participating State Association is required, wherever possible, to have a second strip in case of colour clash.
8. Names of players shall be sent to the Secretary of the A.W.S.A. prior to the tournament. Names of coach and manager/ess and other officials should also be included, plus team colours and alternate colours. These details should also be sent to the Organisers of the tournament.
9. Duration of game - 2 x 35 minute halves, half time no less than 5 minutes, no more than 10 minutes.
10. Points: 2 points for a win. 1 point for a draw. No points for a loss. In the event of teams being equal, goal difference will decide.

12. Each State competing in the tournament shall be liable for their own travel, food and accommodation costs. The home State shall be liable for all running costs of the tournament, and their own team costs. A perpetual trophy remains. The home State shall also be liable for field accessories.
13. The fourth day of the tournament shall be a "lay day" to provide a rest day for the participants.
14. Neutral referees shall be used wherever possible. Therefore each State Association will be invited to nominate and travel with a referee, who will be a member of the referees' panel for the Championships.
15. Trophies for winners and runners up are to be supplied by the home state. This rule will apply up to and including 1979, when it will be revised.
16. Should a team bring 18 players to the Championships, then they will be allowed to list 7 reserves on the team sheet. (ASM 1978 NSW).

LAY-DAY

For the Lay-Day on the 27th Monday we have arranged a boat trip across the harbour for \$10 a head, and back to Darwin. The arrangements are: two ferries will be at the wharf at 1 p.m. which will carry 175 persons. The larger ferry will leave the wharf and start straight out on the 2 hours fishing trip. The other smaller ferry will go straight to Mandorah, unload, then back to Darwin to collect any passengers in our group and will leave Darwin wharf at 2 p.m.

Those who miss out on the first fishing trip will be able to go later in the day. The ferries will also take us all out on a sightseeing trip around the harbour which will also take about 2 hours. Those who don't like fishing might prefer this trip. Everyone can go on both trips if wanted, but you must inform us as soon as possible when you all have an idea on the amount from all States.

Mandorah has a snack bar and refreshments bar over there, also fresh water and salt water pools if you don't like swimming in the sea. Some aboriginal dances will be performed in the afternoon. There are some wild animals in cages to see; turtles, birds, crocs etc.

A buffet supper will be available at 6.30 p.m. for everyone, which will have seafoods as well as two hot dishes. A disco starts at 7 p.m. for those who feel like loosening up. We will start to leave Mandorah at 10 p.m.

Bait is provided on all fishing trips; all you have to do is bring your own lines. The ferries will have drinks for sale on board for all trips in case you may need one. They will also have eskies on board to put all your big catches in.

During the afternoon sometime, if we have enough people interested, they have a bush trolley available to take groups into the bush at the back of Mandorah. This is not included in the \$10 because we didn't know how many would be interested, but the manager promised it would cost no more than a dollar or so.

Well, that's all for the Lay-Day. We tried to arrange as much as we could in the one day, in case you all don't get much time to see a lot of Darwin. We're sure the management will take very good care of you all.

In case you're all wondering what to wear, shorts and tops will be suitable. Bring swimmers, towels, sunburn cream, hats, fishing lines, and something to change into in the evening. They have showers and change rooms there.
