## POINTS TO PONDER

GOOD for the State League grand final, which now will have the weekend of October 5 all to itself. The Philips League decided to bring the scheduled round 26 match between Brisbane City and Canberra City forward a week to September 28th. The grand final really only has a chance of being successful if it is played on a Sunday, rather than a Saturday night.

FORMER Newcastle soccer correspondent Neil Jameson was a great loss to the code when he left the Newcastle Herald to work for Playboy in Sydney earlier this year. But soccer is still getting a mention in some tremendous articles written by Neil, including this month's issue, which runs a story comparing Soccer, Australian Rules and Rugby League. It takes your mind off the centre fold for a while.

WOULD Gold Coast City qualify for the Guinness Book of Records for the number of players used by a senior football team in a season. We don't know the exact figure of players who were registered, but we can tell you that 27 players received points in the Go-Soccer Valley World Travel award this season. Incidentally the only two regulars still there last weekend were Dennis Dodd and Kiwi Hayward.

—oOo—

INTERESTING rumour floating around at council meeting last week that Lions would have a different coach next season. One would have thought that Matt Carson had one of the safest jobs amongst his 14 PSL counterparts.

—oOo—

STEVE KONSTANINOU was St. George's star player last weekend against Eagles, but judging by the presence of some people at the match, he might well be wearing a shirt of a different colour, in a higher grade of football in 1981.

CERTAIN Grange Thistle supporter, who has only one eye and its all tangerine, became a little alarmed last week. He was told Ipswich United were on an 18 gallon keg to beat Mt. Gravatt last weekend but that Ipswich had upped the ante to 36 gallons. He headed for the nearest phone to inform officials to get the second keg ready.

TWO of our referees the subjects of very big wraps from the south last week. From Australian Soccer Weekly: "In the national under-16 titles, refereeing standards were very high with Col Amos (Queensland), Otto Scevak (Nth. N.S.W.), Basil Masters (Tasmania) and Ken Small (NSW) being rated very highly on their performances." The second was from Soccer Action, describing the Blacktown-Leichhardt PSL match: "The game in conclusion did have one bright spot and that was the efficient handling by Brisbane referee Dave Nugent. How pleasing to see a match controlled without histrionics and delusions of grandeur. Quiet words on the run and the ever-present smile were quite a change." Take a bow gents.

—oOo—

RUMOURED conversation between two club officials, with one asking about securing the services of the other's star player. "Listen, we're both Italian clubs so we should be able to work something out." Second official's reply: "For a start we are not an Italian club, we are . . . ., and secondly we want everything to do with business put down on paper."

ANECDOTE from visiting Canberra referee Bob Mee last weekend. He was refereeing a PSL match and penalised a player for pushing another in the back. Offending player remarked: "Come off it ref. I didn't push him very hard," to which Mee came back with: "I know, so I didn't blow my whistle very hard."

# STATE LEAGUE ROUND 18

GOLD COAST CITY 1 (Kinnear 25th) v MAREEBA UNITED 1 (Boot 31st);  
Halftime 1-1;  
Referee: Des Miles, rating 8.

City finished off in fine style and averted the wooden spoon by sharing the points with Mareeba, whose dropped point cost them a berth in the first round of the Phillips Cup next year. But it's a safe bet Mareeba will be more than happy competing in the semi-finals for the first time.

Tony Kinnear, who during the second half of the competition emerged as City's most valuable player, scored the first goal with a breakaway effort in the 25th minute. He almost set up another two minutes later with another break down the right, but Dennis Dodd just missed the crossbar after accepting the pass. A break down the right and a clear header for Mick Boot resulted in the equaliser some four minutes later.

Mareeba had chances to win in the second half, including one shot which hit the post.

MT. GRAVATT 2 (Head 7th, 23rd) d IPSWICH UNITED 0;  
Halftime 2-0;

Despite the tremendous pressure on Mt. Gravatt to win this game they came through with flying colours. Steve Clark, Paul Yeuell and Dave Costa responded splendidly in the absence of Eric Thompson, their midfield was faster and more adept at making openings and the Mounts' strikers displayed much more opportunism. Mt. Gravatt got away to a dream start after seven minutes through young Ian Head, who intercepted a back pass from Ian Lawrie to Peter Nielsen.

Another Ipswich defence lapse a few minutes later almost let Mt. Gravatt in again as they stormed forward to try and clinch the title, but Greg Donnelly dived to concede a corner. In the second half, after Head had hammered in his second goal in the 23rd minute, Ipswich started to gain territorial advantage, but many of the moves broke down in the face of the inspired Mt. Gravatt defence.

On one occasion, Mark Davis ventured out of his area and took the unusual step of heading the ball safely out over the sideline. Davis also made two good saves to deny Bryan Kathage and Lawrie and after that the flickering Ipswich fire died. A late penalty awarded for a handball by Nev O'Sullivan was stroked well

wide by Yeuell, but he and the others could not have cared less when the final whistle blew.

TOWNSVILLE KERN UNITED 2 d FRENCHVILLE UNITED 0;  
Halftime 1-0;  
Referee: Alan Kibler, rating 8.

Townsville United retained their unbeaten home record this year to clinch this 2-0 win over Frenchville and at the time, unknowingly edge their way back into third place.

With this week's Ampol Cup final very much in mind, Tim White rested Mick Geoghegan and Malcolm Tuttle, who had minor injuries, and replacements Keith Royle and Rob Lawson had fine games. Royle in fact won the Lappins Menswear man of the match award. A solo run and great goal from fullback Kevin Johnson in the 34th minute sent Townsville in with a half-time lead.

The first half was an even battle, but the home side should have rattled up a few more in the second half. In the end they had to settle for Chris Young's header in the 55th minute which was set up by a neat run and chip by Lawson. The second half highlight was a fierce 40 metre drive from Royle which hit the upright.

ST. GEORGE SOUTHS 1 (Fairbrother 80th) d SOUTHSIDE EAGLES 0;  
Halftime 0-0;  
Referee: Bill Monteverde, rating 7.5.

These teams played their final match as if the League title depended on it, so they both at least deserved full marks for effort. St. George wound up with the two points to finish in fifth place, making it obvious how costly were a couple of mid-season slumps.

For most of the match both defences were in almost total control with the Saints led by Tony Edwards and Eagles by the younger but equally effective Trevor Moris. As a result John Bennett and Ross Kelly did not have a great deal to do until late in the match.

Kenny Gordon had the best chance to push Eagles in front in the first session when he broke away, looking to be in an offside position, Kelly advanced but Gordon was too strong with his chip over the keeper.

Halftime substitute Barrie Fairbrother broke the deadlock with 10 minutes left finishing off good leadup work by Neil Docherty and Steve Konstaninou. The latter was the an of the match.

—oOo—

GRANGE THISTLE 3 (Marley 11, 23, Mangan 59) d ACROSS THE WAVES 2 (Young 75, Smith 79)  
Halftime: 2-0;  
Referee: Col Amos, rating 5.

In Thistle's last home game of the season they defeated Waves 3-2 in a match full of incident. There were five goals, two cautions and two send-offs.

Not a happy way to finish up the season.

Alan Marley opened the scoring when he picked up a Ross Barbera fumble from a Ricky Mangan 30 metre drive. This was after only 11 minutes, twelve minutes later Lazenby put up a "bomb" and Marley was again on the spot to knock it in. Waves only forward of note in the first half, John Wood, had a great solo run through half the length of the field, beat the defence, but his finishing shot was off target.

Ross Barbera was obviously upset as within two minutes he dropped two more drives, one from Sokeni from 25 metres, fortunately for Waves, nobody was on hand to knock them in.

Ben Sokeni was sent off for an alleged retaliation after he was stopped rather forcibly at the end of a 30 metre solo run just prior to getting in his shot.

The last ten minutes of the first half steadily got worse, it appeared as if referee Amos was losing control of the game. One player from Bundaberg, with a rather common name, obviously had it on his mind to provoke every opposition player that came near him, as the fouls he committed off the ball and behind the back of the referee were too numerous

The uprights came to the rescue of Waves in the second half as Dolan, Marley and a 35 metre thunderbolt from Maelaau all came back into play from the posts. Ricky Mangan scored Thistle's third from a Paterson corner, he rose head and shoulders over the defence to nod home.

Midway through this half, Waves started to come back into play, with Bromfield looking more and more dangerous, he provided the lead up down the

left, crossed into the centre, the defence failed to clear and Young was on hand to put it home. Porter also found a chink in the defence and Ferguson did well to punch out for a corner. Two minutes later Smith scored from a short corner and the result was not quite so obvious as had appeared earlier.

Waves Ron Kidd was sent off for persisting with niggling fouls after being cautioned early in the game.

Not exactly the best of games with the continued niggles that was apparent early in the game continuing throughout.

Kibbey and Sinclair had their usual fine games for Waves whilst Marley and Mangan ran all night for Thistle.

## LIONS' 11th DRAW

SYDNEY — Leichhardt did more than enough to beat Brisbane Lions at Lambert Park but their lack of finishing power left them with only a single point from a scoreless Phillips League draw.

Leichhardt failed to prise open one of the best defences in the competition due mainly to the skilled work of drilled Brisbane backs Jim Hermiston and Colin Bennett.

The first half left much to be desired with both sides heavily committed to defence.

Jim Dempsey turned in a solid game both in attack and defence but the inability of the Leichhardt wingers to cross the ball accurately to the strikers deprived Leichhardt of any chance of scoring before the interval.

The match came to life after halftime and Leichhardt showed more determination up front, but poor finishing and the excellent covering of Bennett and Hermiston denied them goals which the amount of pressure they applied seemed to promise.

SYDNEY — Newcastle United played right into Marconi-Fairfield's hands by presenting them with two penalty goals as they slumped 1-4 in their Phillips League clash at Marconi Stadium.

And when Marconi mid-fielder Gary Byrne takes penalties he rarely misses.

And hammering two goals, he completed his hat-trick after a brilliant solo run in the 74th minute.

Newcastle's plan was to nullify Marconi striker Eddie Krncevic by close marking him with John Sneddon.

But that play succeeded only in the early stages of the game.

Roy Drinkwater had Newcastle one up after only 16 minutes when he latched onto a weak clearance 15 metres out and planted the ball home.

But four minutes later, Marconi drew level with Newcastle right-back Paul Reaney fouled Marconi striker Mark Janakovics, and Byrne scored his first goal from the penalty spot.

Then, in the 33rd minute, a long high centre from Marconi defender Ivo Prskalo

found Krncevic in front of the Newcastle goal.

Krncevic soared high to beat Newcastle keeper Phil Dando to the ball and head home.

An inexplicable hand ball by veteran Soccerroo left-back Col Curran gave Byrne another chance to demonstrate his penalty scoring prowess, and he netted in the 60th minute, sending Dando the wrong way.

Newcastle tried a double change in the 66th minute, with strikers Peter Tredinnick and Malcolm McClelland taking the field for David Jones and Paul Burrows, but to no avail.

Byrne cut out Newcastle defender Sneddon along the right wing in the 74th minute and the tidy little Marconi mid-fielder beat Dando to slot home the fourth goal.

## LETTER TO THE EDITOR

Dear Sir,

As an independent witness to the incident at Dittmer Park last Sunday week which resulted in the sending off of two players. I can only say that the powers that be at Perry Park are not helping the code. The referee, at the commencement of the incident was involved in play elsewhere and had his back to the players concerned, and did not see what led up to it.

I am appalled to see that Thomson, surely one of the best and fairest players in the code, was convicted, and that the other player who incidentally was the cause of the trouble, was cleared. It seems to be a case of having the right friends in the right place.

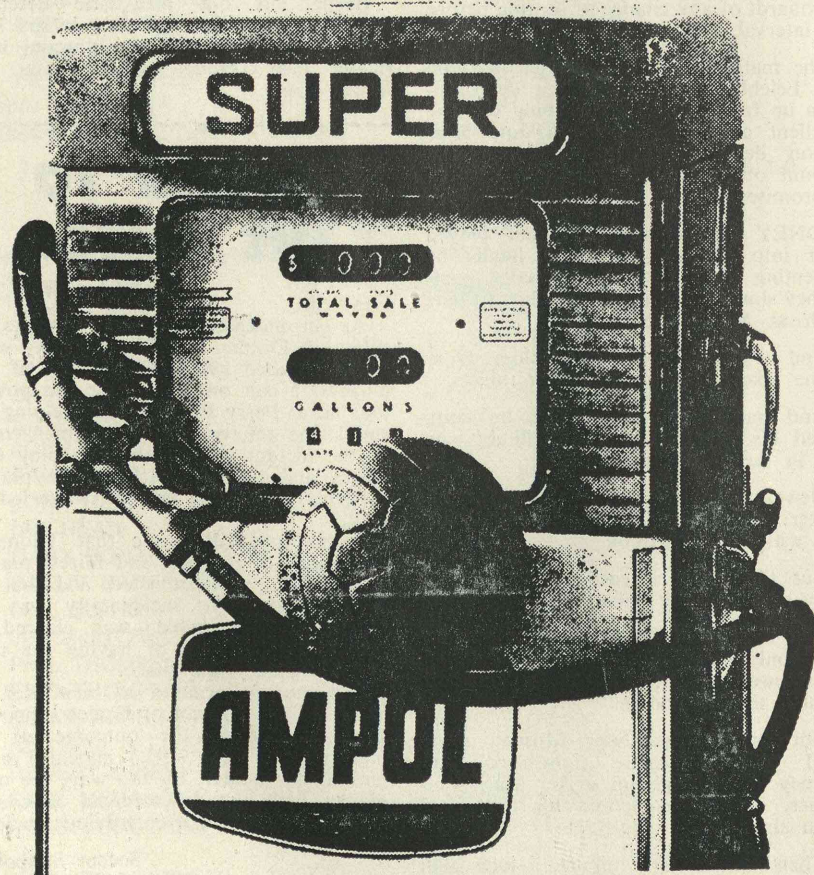

I cannot be accused of bias as I am neither a Mt. Gravatt or Eagles supporter. But after seeing the outcome of last night's (last Wed. week) appeal I'm beginning to wonder. By the way, the other player had already received a caution from the referee for a previous incident.

**CLUB NEWS**

Congratulations to Mt. Gravatt in winning the State League title for 1980. We feel we gave them a hard battle over the season, and, as it was our turn last year, so it is the Mounts turn this year.

Still we made them keep looking over their shoulder to see how far away we were. It will now make for an extremely interesting semi-final series to see just who is going to be the top team. We gave back the Championship Cup the other day to the QSF, and we want it back again. The two sides meet twice in two weeks with the Ampol Cup playoff and the major semi-final, with an excellent chance of their meeting again a couple of weeks later.

—oOo—

Congratulations go to our 6th division for winning their premiership. Last Saturday by defeating Rovers they won the title, there is still one match to be played, but it does not have any bearing on their placing.

They have had a fairly good year this year, as they reached the quarter finals of the Qantas Cup and led the table in the 6th Division all year. Credit must go to coach Sandy Woodside for his efforts all year and to all the players who played their hearts out in every match, let's see if you can take out the double in the finals series.

—oOo—

The club's commiserations go to Adrian Harvey, one of our up and coming players who has been playing in our SEQ team this year. In the game against St. Helens a couple of weeks ago, in a tackle that was not vicious, he suffered two breaks to his right leg. One in the

ankle and one just above the ankle. He will be off work for about 4 months, so he is quite incapacitated at the moment. It was an unfortunate accident and no blame is attached to the other player. We feel Adrian is one of our players of the future, and we sincerely hope the breaks mend without any complications.

—oOo—

This week saw a further activity commence in the Club, that of rhythmic fitness classes. There are two sessions a week, conducted by Mila Kallis, a fully qualified gymnast, coach and judge. These rhythmic classes consist of various exercises set to music to improve one's co-ordination, strength, posture etc. They are held every Monday from 9.30 a.m. to 10.30 a.m. and on Wednesday from 7.30 p.m. to 8.30 p.m. There is no age limit set, and as the fee is only \$2.00, who knows what profusion of footballers and budding fitness fanatics will be taking these classes

—oOo—

With the junior fixture season over, teams still left playing are the ones left in the finals of the knockout series, of which Thistle are fortunate in having quite a few.

This weekend will tell the tale of who has the staying power. In the premiership competition Thistle secured premierships in the U7, U8, U10, U14 and Junior Colts 2, and won the Improvers in U7, U8 and U13.

This weekend we hope we will have another honour or two to show for the junior lads effort. Their playing season is not quite over yet, however as at the end of this month the big Thistle/Rochdale carnival will be played at Lanham

Park. There will be matches played in all age groups over the two days for the Arch Dann Memorial Shield. A huge fete is scheduled for this weekend also, and we will advise more details next week.

**JEFF CORNFORD—Team Official**

Jeff, whilst not saying how old he is, has a playing career going back to 1957 with Latrobe. He played for them for six years, then for Annerley for four years before coming to Thistle. He played as a central defender, and represented the Queensland Schoolboys in 1963, the Queensland Under 18 in 1967

as well as numerous Brisbane representative teams during the latter 60's. The most memorable game he played in was the curtain raiser game at the Queensland v Manchester United match at the Exhibition grounds in 1967.

He still plays occasionally, more often than not, in the "young" division of the Commercial League. He would like to take up coaching, and sees this as an ideal way to keep involved in the game in a very practical way.

In business, Jeff is the State Manager for a clothing manufacturer, and, naturally, hopes for the business to succeed in the same way as his footballing career has. His favourite singers are Bette Midler and Peter Allen, though not necessarily at the same time.

Jeff and his wife Wendy live at Strathpine, son Nicholas was only a few weeks old when Jeff registered him in the Supporters' Club, he says that even if he doesn't know what is happening on the field, he makes the same noises as some of the more "informed" supporters. Jeff celebrated his birthday a couple of weeks ago, the present he wanted was the second State League title, it wasn't to be, still Jeff, I'm sure that if the players had known that is what you wanted, they would have got it for you.

## TRIDENT TALES

TRIDENT were hosted by Sunnyside Club in their country style surroundings and were lulled into a false sense of security because we left 75% of points with Sunnyside.

At this juncture I must congratulate Sunnyside on their new headquarters. There is a lot of potential there and their future looks rosy if and when they complete their development — Good on you Sunnyside.

### 5th DIVISION —

After 36 minutes of football, Sunnyside opened up the score with a breakaway goal. Trident equalised when a penalty was awarded for pushing. Jack Waddington struck it well. In the injury time, Sunnyside with another breakaway goal, took the lead and at half time led 2-1.

The second half was just started when Sunnyside increased their lead and half way through went further ahead when they were awarded another penalty, which Tony Lowndes failed to save — having saved a penalty in the first half.

In the dying stages of the game, Trident pegged one back when good lead up work by John (Chooky) Panasiuc sent Jack Waddington in for his second goal and the final score — TRIDENT 2 v SUNNYSIDE 4.

### FIRST DIVISION —

This game was a pleasure to watch. Both sides played good constructive football and although Trident were in control of the game it was Sunnyside that opened up the score in the 29th minute of the game. Craig Wallace eluded full back Garrie Lake, for the first and only time, and struck the ball from about 35 yards catching keeper Mark Bond off the line and in the windy conditions the ball was carried into the back of the right hand corner of the net.

The ball travelled from end to end and both sets of forwards missed on several occasions, with Trident having more chances, although they played against the wind — composure in the box is the name of the game.

The half time score was Trident 0, Sunnyside 1. The second half was only five minutes old when Trident received a free kick outside the 18 yard box.

"The Doog" struck the ball well but the keeper only partially saved and Don McDonald slotted it home for the score line TRIDENT 1 v SUNNYSIDE 1.

With the wind behind them, Trident played very good football, until they got to the 18 yard box, then they made some shocking passes to their strikers. Some of those balls were uncontrollable in the windy conditions and the shots went wide over the crossbar, or feebly to the keeper.

Trident settled down and in this spell played very good football. The ball went from player to player in a precise clockwork manner with "The Doog" having the game of his life, supported by the rest of the team in a tradesman-like manner. Brett Beninca from one of these buildups took Sunnyside's defence on, held up the ball before giving a perfect pass to Mickey Borian, whose shot went through the back of the net. The referee examined the net, but the goal stood.

It looked as if Trident would go into double figures they were playing so well. However, it is goals in the net that count and it is a credit to Sunnyside who did not give up, and with only four minutes to go from a Trident attacking move the ball went to the opposition and the counter attack produced a corner from which Sunnyside equalised.

A second time in as many weeks Trident failed to take both points by standing flat-footed, and allowing the opposition to capitalise on their bad marking. Trident tried hard in the dying stages for the two pointer but time ran out. The final score — TRIDENT 2 v SUNNYSIDE 2.

## OVER THE RANGE

A very subdued, orderly, South Star took the field on Saturday at Samford's grounds. Both sides quickly acknowledged that this referee could supervise 4 teams and still not miss a beat. Therefore everybody played by the rules.

South Star are to be commended on their excellent performance, and we will look forward to playing them again. I have been criticised for writing a report only when Samford win. This is completely unintentional. We have had our share of disastrous games. Unfortunately I have been unable to attend every game this year.

The whistle blew for the kick off, and for ten minutes there was little to report. Bob Perry prepared the first goal. From the half way line despatched an outstanding long ball to Dan Smareglia, who smashed it straight through the keeper's legs. Graham Beehre and Glen Brown, played performance soccer and kept the ball moving in the right direction and finding the man.

South Star were awarded a penalty in the 35th minute of play. The ball was kicked to the right, our keeper went to the right, but was a half a second too late, leaving South Star to equalise. Halftime 1-1.

Coach Neil Griffiths, who normally plays in the goal scoring area, positioned himself in the back line for this game and an example of his versatility was evident in the 50th minute. Calling Clint Argent out on the wing he sent the ball high over many heads. Clint passed it to the centre, Michael Bensen was ready with the powerful left foot, and the keeper never had a chance.

The Rangers were in front by 2 goals when Clint Argent, still recovering from a legitimate tackle and keeping to his earlier style of superiority, put Samford in front by 3 goals when his strike whistled into the net.

South Star's full-backs put everything into the game, trying to stop the hammering at the goal mouth. Unfortunately they were no match for Michael Benson, who had the taste of victory and decided to sweeten it!

## RIDGE REPORTING

Once again today the Ridge found out just how hard it is to stay on top of this division. In the first 20 minutes of this game Annerley looked the more likely to score as they gave the Ridge defence no time to settle down, with 15 minutes gone they were lucky not to find themselves in the arrears when Randal Jackson cleared a good shot off the line.

60 seconds later the story had changed when a cross from the right wing found Ridge keeper Rob Farrow mis-judging the flight of the ball, which clipped his fingers and was smartly placed into the back of the net to give Annerley a well deserved lead.

From here on the Ridge fought back well, but our forwards who were a little out of touch found it hard to crack the Annerley defence except the "Ferret" Johnny Kean who was easily the man of the match with some dazzling runs down the wings which gave the Annerley defence all sorts of trouble and it was fitting that it was he that scored for the Ridge after 38 minutes with a chip shot over the keepers head after a good run down the left.

Well that is the way he would like me to tell it, anyone wishing to know the truth come and see me privately.

2 minutes later Brian Lampitt went close for Annerley with a free kick which just missed the cross bar. In the 42nd minute Stevie Holmes nearly put the Ridge in the lead, but a good save by the keeper "John D." kept the scores level at half time.

In the second half the Ridge had the better of the game but could not find the back of the Annerley net. Although Johnny Kean could count himself unlucky not to do so after 50 minutes when a good shot on the turn was tipped over the bar by the Annerley keeper who proved to be a stumbling block for the Ridge on many occasions with shots from Jimmy Spence, Bob Davis and Steve Gallagher finding his safe hands. With the amount of possession they had in this half the Ridge should have collected both points, but once again they failed with that final touch, and Annerley deserved the point they received.

Best for the Ridge were John Kean, Nev Cruickshanks who had a good duel with Brian Lampitt throughout the game, and Bob Davis who worked very hard in the mid-field.

In the early game the 4th division played Annerley and managed to retain their position at the top of the League

by a margin of only a point from Bardon. In the first half the Ridge made most of the play, dominating the game from the midfield winning and keeping possession for long periods and making inroad into the Annerley danger area on a number of occasions but good defensive work by the Annerley full-backs denied them a goal for 40 minutes. This was until Alan Teague received the ball from just outside the box. He rounded the first defenders tackle came inside the second defender and cracked home a left foot shot into the net.

The second half saw Annerley with most of the ball and working very hard to pull a goal back, the Ridge were all at sea and could not settle down to play the football they can. Annerley were rewarded for their efforts when keeper Fuzzy Hill in clearing his line kicked the ball straight to an Annerley mid-field player, who knocked it first time to the winger who rounded the Ridge defenders and pushed the ball under the boot of the keeper, Hill.

Although the Ridge had two good chances with only the keeper to beat, both attempts were missed.

In all, a fair result although we may have opened the door for Bardon. Best for the Ridge were Alan Teague, Phil James and Keith Bentley. At this point I would like to congratulate coach Reg Dyer and his young team for winning promotion to the 3rd division.

Before I finish I thought it was a very poor piece of management on Saturday by the Annerley club to close the canteen just as the main game finished. This is the second time in two years this has happened. Not everyone likes a beer or spirits after the game, a good cup of rosie-lee goes down with some people. Gee it must be good to be involved with such a wealthy club.

Mike Collins.

P.S. — Hope I do offend someone, but on Sunday I gave soccer a miss for a change and visited Lang Park. I think it would do some of the Q.S.F. management committee the world of good to visit it to see how the B.R.L. manage to sell most of their beverage xxxx and wide variety of food with tip top service at 20 percent lower than Perry Park.

I was amazed also at the number of soccer involved people I met too, someone even said that they saw Bruce Waddell there, but mind you he had a few tinnie's in him by then, can't blame him at that price.
