CHAIRMAN'S WELCOME

It is my pleasure on behalf of the Queensland Soccer Federation to welcome New South Wales to Queensland for today's representative clash.

Only two years ago Queensland played an integral part in re-establishing the representative calendar amongst the States. Two years down the line we now see New South Wales, Victoria, South Australia and the ACT committed to annual representative clashes. The stature of these clashes will continue to grow each year as the cream of Australia's Soccer talent is on show.

I welcome everyone to today's match which I am sure will be a pleasure to watch and equally as enjoyable for those that take part. I also take this opportunity to acknowledge the representative teams from the Sunshine Coast and Gold Coast who are also on show today as the curtain raiser. I am sure the Queensland State Coach, Danny Wright will take a close interest in this match.

It is a pleasure to welcome everyone to Perry Park today and I am sure that you will all enjoy the Queensland Soccer Federation hospitality.

David Kay
President
