JIM MONTGOMERY - In his 15th Season at Roker Park this brilliant and consistent keeper is an invaluable club man. Regarded by many football experts as one of the country's best uncapped players. A tall strong central defender, Jeff joined us in an exchange deal which took Dave Watson to Maine Road.

BOBBY KERR - Although lacking in stature, lacks nothing in skill, determination and courage. A fine example of the professional footballer. Usually plays the right touchline where he has a great understanding with Billy Hughes. Born Alexandria, Dunbartons. 5'4½". 9 stone 2 lbs.

BILLY HUGHES - Another Scot. An exciting individualist renowned for his speed and exceptional ball skills, quick and decisive inside the penalty area. A danger to any defence. A member of the Scotland squad last season. Born Coatbridge, Lanarks. 5'9½". 10 stone 3 lbs.
