THE BOSTON SOCCER FOOTBALL

The Arsenal F.C.,

Jan. 25, 1951

We can assure you it compares very favourably indeed with the football cases as at present used in this Country. We would say that the leather itself is a very fine product and should do admirably for the game in whichever Country the game is played.

Yours sincerely,
J. WHITTAKER,
Sec.-Manager.

The Portsmouth F.C.

We received a ball from Mr. Boston to try out here in English L. Football. We tried this ball and it proved a great success in all sorts of weather and we have no hesitation in recommending its use to other Football Clubs.

Yours faithfully,
BOB JACKSON,

ENGLAND FASCINATES AUSTRALIA !

Last Saturday the 42,150 attendance was treated to the greatest display of Association football ever seen in Australia. The Englishmen scented mastery early, and revelled in pattern-weaving movements, as elaborate as they were speedy and spell-binding.

Bobby Langton (we saw from whence his nicknames of "The Bolton Bombshell" and "The Lancashire Flyer" were derived), "The General" Jimmy Hagan, Hurst, Kieran, Bamford, Sewell and Co., were all in superb form. The Englishmen, until to-day, have not been extended. We can draw a rough parallel to the 1949 Yugoslav tour. The Yugoslavs completely out-classed N.S.W., but were very fortunate to maintain a 3-2 majority to the final whistle of the First Test.

After seeing England's tour matches to date, it is obvious that our hopes of heading them in to-day's Test are not exactly at peak. The Australian team assembled last Wednesday. Their determination under the expert guidance of Bob Lawrie demonstrates that they will be a much more solid combination than the N.S.W. eleven of Saturday last. They will force the Englishmen to concentrate on a type of football that is an essential feature of heading them in to-day's Test are not exactly at a peak. The Australian almost unsullied in the Dominions.

AUSTRALIAN PLAYERS FIND THEIR FEET

The first clash with the Englishmen was an ordeal for N.S.W. players. Australian sportsmen have a tremendous capacity to learn, so Australia's Test team will rise to the occasion admirably to-day.

The players in the "Green and Gold" to-day have won their positions in an exhaustive series of trials, which have extended to all States. Two players, Eric Duff and Malcolm Wild, will make their international debut. Dicky Kemp, N.S.W.'s pint-sized touchline star, is making a welcome return to the Australian team.

In all tour matches replacements will be allowed for injured field players until half-time. Replacements for injured goalkeepers will be allowed at any stage, which, in the event of a mishap, will preserve the game as a spectacle.

The English touring team's visit is expanding Soccer's horizons to a marked degree. The example of clean play, teamwork, making use of the open space, and keeping the ball in play, is an eye-opener to all who follow the World's Premier Football Game. After to-day's match, all will look forward to the return of the English Soccer team for the Second Test on the Sydney Cricket Ground.

COLOURFUL NEW AUSTRALIANS BOOST SOCCER

Typical of the beneficial influence of migration upon the forward march of Australian Soccer football is the signing of S. Alempyevitch for the South Coast club, Corrimal Rangers. This talented centre-forward is a Yugoslav, who has played professional Soccer in the South of France, representing that district against England.

His first name is Slobadan—but he insists to all and sundry that he be known as Dan!

Not only have we gained such brilliant exponents as Milija Vesovic (Leichhardt-Annandale) and Rudy Roth (Wallsend), but the playing strength in many junior grades has been increased. Many clubs comprising players of one nationality playing in the Sydney Metropolitan League and junior competitions are thriving. They play a positional game, complete with all the team-work and finesse that has made Soccer the world's most popular sport.

Dutch, Polish, Hungarian, Jewish and Italian teams are amongst those in the Metropolitan League. Schoolboy grades have also gained an influx of new players. For instance, the Wollongong district has a prospective Australian player in young centre-half W. Tschischkan, who could easily develop into an Australian Soccer star.

M. Vesovic

BIG INCREASE IN JUNIOR SOCCER STRENGTH

Latest available figures for schoolboys playing Soccer under the Public Schools' Amateur Athletic Association in Sydney show an increase from 2,502 in 1949 to 6,000 in 1950. These are official figures supplied by the P.S.A.A.A.

This advance indicates the increased activities of schoolteachers as well as the livewire attitude of the P.S.A.A.A. The Union Jack trophies, presented by the Eastern Suburbs club and its Ex-Imperial organisation, have also assisted to a marked degree.

Junior Association officials, Mr. A. Burton and Mr. L. Wilson, have done much to re-organise the West Sydney, Eastern Suburbs and St. George Junior Associations.

Typical of the country's attitude to Soccer is the fact that Wagga's Soccer playing strength has gone from 90 to 220 players. Lithgow's energetic management committee is giving much time to the coaching side of the game. Broken Hill and Goulburn Associations are to meet in Sydney.

Canberra has arranged a Jubilee Soccer Carnival, to be held in the Capital from 9th-11th June. Various clubs from the southern districts will compete. Features of the Carnival will be penalty and corner kicking contests and athletic events.

AUSTRALIA'S FIRST TEST TEAM.

NORMAN CONQUEST (Canterbury-Marr., N.S.W.), Goal-keeper. Australia's leading custodian of the past decade. Agile, expert on ground saves and placing his kicks. Played against Palestine, China, South Africa (1947 and 1950), Yugoslavia, and now England.

KEV. O'NEILL (Cessnock, N.S.W.), Right-back. Starred against the Springboks, both as right-back and centre-half, also against Yugoslavia as left-half. Versatile, and a tough tackler. Kev's occupation is a mine deputy.

CEC. DRUMMOND (Leichhardt, N.S.W.), Left-back. Back in the limelight to continue his unbroken run of Test appearances against all post-war Soccer opponents, including New Zealand (1948). Cec. possesses a big-match temperament that will prove invaluable to-day. A french-polisher by trade.

BOB LAWRIE (Bundamba Rangers, Q'land), Right-half and Captain. Learnt his Soccer on the Ipswich coalfields, Queensland. Wonderful skill at playing ground passes. Every player who toured South Africa in 1950 speaks volumes for Bob's ability as skipper. Occupation is a school-teacher.

ERIC DUFF (Woonona-Bulli, N.S.W.), Left-half. 21-year-old painter, who was the surprise selection of the team. Played well for South Coast against England, and clinched his place for Australia. Represented the Coast against the Hadjuk Yugoslavs in 1949.

TOM JACK (Brighton, Victoria), Centre-half. Commenced professional football in Scotland at age of 17½ years. Tom played for both Third Lanark and Dumfermline before migrating to Australia two and a half years ago. Toured South Africa last year. A traveller by occupation.

E. "DICKY" KEMP (Wallsend, N.S.W.), Outs.de-right. The "Mighty Midget" of Wallsend. Elusive, an accurate cross, and a first-time shot. After some grand displays against the 1947 South Africans, "Dickie" lost his place to Granville's George Sanders. His deeds to-day will make up for his lack of height.

GEORGE RUSSELL (Leichhardt-Ann., N.S.W.). George makes his second international appearance to-day. A tireless worker who is always ready to turn defence into attack. Came from Cessnock to Leichhardt after army service, and has been one of the reasons for the Reds' continuous successes.

GORDON "BUNNY" NUNN (Caledonians, Queensland). Played for Queensland as a schoolboy. Joined St. Helens at 15 years of age. Toured New Zealand and South Africa. Only missed one Test against the Slavs due to a shoulder injury. Type of player who would "take" in English football.

MALCOLM WYLD (Eastern Suburbs, Queensland). Best inside-left prospect since Ronnie Hughes hit the headlines. Started in Queensland senior football with Easts, went to Corinthians, and returned to Easts this season. Good ball control and accurate shot.

HARRY ROBERTSON (Leichhardt-Ann., N.S.W.), Outside-left. Coolest left-flankman of recent years. A product of Sydney churches' football, Harry went into Leichhardt's first team at 17 years of age, and has missed few games since. Played against the Slavs and Springboks.

RESERVES: RON LORD (Auburn, N.S.W.), goal-keeper; HEDLEY PARKES (Wallsend, N.S.W.), back; F. PARSONS, Leichhardt, N.S.W., and A. JOHNS (Adamstown, N.S.W.);

SOCCER FOOTBALL IS AN ART!

Soccer must be accepted as the **ONLY FOOTBALL CODE**. It is not **HANDBALL**. None of the players, excepting the goal-keeper, are allowed to touch the ball with their hands. A Soccer football player must have control of the ball with head and both feet, combined with accuracy of passing and 90-minute stamina, to be a success. The adaption of these skills into the general formation and team-work makes a worthy Soccer team.

Eleven players form a Soccer side—five forwards, three half-backs, two backs and a goalkeeper. The duration of the game is 45 minutes each way.

Only the goalkeeper is allowed to handle the ball, and then only in the penalty area. He must not take more than four steps while holding the ball, otherwise a free kick (defined below) is given.

The ball is kicked off from the centre of the field optionally by the side which loses the toss for choice of goals. After each goal, the game is recommenced in the same way by the eleven which did not score. A goal is only scored when the ball crosses the goal line between the posts.

When the ball goes behind, it is kicked off from within the goal area nearest the point it went out.

If the ball is played behind by one of the defending side, a player of the attacking side kicks it from the nearest corner flagstaff. This is called a corner kick.

When the ball goes into touch, a player of the opposite side to that which played the ball out throws it in from the point where it left the field of play.

In the event of intentional handling of the ball, and tripping, kicking or holding an opponent, and charging an opponent from behind, by the defending side in the penalty area, the referee awards a penalty kick, which is taken from the penalty mark with all the players, except the kicker and the opposing goalkeeper, standing at least 10 yards from the ball.

A free kick is given for any of the above infringements committed outside the penalty area. The kicker's opponents must not approach within 10 yards of the ball.

A player is offside when he takes, or attempts to take, a forward pass in other than his own half, and there are not at least two opponents in front of him. It is not an infringement to stand off-side.

A goal cannot be scored direct from a kick-off, or goal kick, or from free kicks, except when they are awarded for handling, tripping, kicking, striking or illegally charging an opponent.

BRITISH SOCCER

By L. A. W. Pearce

England retained its unbeaten record at Home last Saturday when Portugal was beaten on the Everton ground 5-2 in the final Festival of Britain international. The English team was strengthened by the inclusion of Stanley Matthews, Stan Pearson and Billy Nicholson.

Frank Butler in the "News of the World" (13/5/51) says:—"More than ever I am convinced the time is overdue to chop down our nine-man selection committee and learn something from Argentina, who rely on one person to pick the team, or Sweden, who leave the national side in the hands of three club managers. Too many F.A. cooks are going to spoil our international Soccer broth."

Hibernian, Scottish league champions, got a shock when they were beaten last Saturday by Rapide (Austria) by 5-3.

Some of the other matches resulted:—

- Ireland v. Scotland (Amateur International), 0-1.
- Aston Villa v. Frem (Denmark), 7-1.
- Cumberland XI v. Newcastle U., 5-6.
- Milwall v. Charlton A., 6-1.
- Southampton v. K.B. (Denmark), 3-3.
- Welsh League v. Irish League, 0-2.

The F.A. is seriously considering allowing a substitute up to half-time in all League matches next season.
