

Dinmore Bush Rats Soccer Club

(1888-1915)

Author: .Neville Cruickshanks

Introduction

The History of Dinmore Bush Rats is written to acknowledge the rich History of a club that played a large part in the development of the game in Ipswich. Through it's players administrators and supporters the club became an integral part of Dinmore life. The achievements on and off the field provided the district with a sense of pride.

My interest in the club comes from being my first Junior club and listening to the stories of my father who played in the 1950 Premiership team.

In researching for this history i also uncovered that my Great Grandfather Matthew Bailey was involved in the formation of the club in 1888 and was club President and long time Ipswich Football administrator.

Dinmore Bush Rats remains the most successful club in terms of Trophies won in the Brisbane and Ipswich competition despite not having competed since 1966.

In 1966 having fallen on hard times the club merged with St Helens and ultimately became Ipswich Knights.

From the eighties until his death in 2012 Lloyd Verrall who played for the club in the fifties resurrected the club in the lower divisions and also as a Junior club and his efforts are acknowledged.

It is encouraging to see the club which refuses to die has once again sprung in to life thanks to the efforts of Scott Morrison who in 2017 brought the club back and one day may yet return to the glory days of the past.

History of Ipswich Football from 1886 to 1918

The Ipswich clubs' success may be attributed to a number of reasons: Ipswich "enjoyed prosperity during the boom of the 1880s, there was remarkable growth of mining and miners swelled the population of the Ipswich area. Many of these miners had emigrated from Great Britain, where they would have experienced the enormous growth of professional association football there in the late nineteenth century.

The Ipswich colliery owners also encouraged the growth of football: "Ebbw Vale Memorial Park was first known as the Whitwood ground, as in the early 1890s the owners of the Whitwood Colliery made the land available for their employees to use as a football ground ... Several collieries had football teams formed by miners including Stafford brothers at Dinmore, Wright's at Tivoli and Lewis Thomas at Blackstone.

The game in Ipswich did not have the same level of competition for players as there was in Brisbane from the other established football codes: it was reported in 1898 that "The [Association] game has recently taken a strong hold here [Ipswich], especially since Ipswich has been unable to muster a senior Rugby team

It also has a big following at Blackstone, Bundamba, Dinmore. As well as these factors, it is likely there was a fierce rivalry with Brisbane, particularly as the latter town had become the capital of Queensland ahead of Ipswich in 1859. Towards the end of the 1899 season, a match between South Brisbane and the ultimate Premiers, Bush Rats, was played at the "Rugby Union Ground, Bowen Bridge Road ... Admission Sixpence; Ladies free" (the result is not recorded).

The first soccer game played in Ipswich took place on the North Ipswich Reserve on 26 June 1886. Ipswich became officially involved with the Association from 1887. In 1889, the Association changed its name to the Queensland British Football Association.

The name Dinmore comes from the Village 'Hope under Dinmore' in Herefordshire England

1875

Firsts game of British Association Football

A game took place on Saturday 7 August 1875 in Woogaroo (now Goodna) just outside of Brisbane. The *Queenslander* of 14 August reported that the Brisbane Football Club met the inmates and warders of the Woogaroo Lunatic Asylum on the football field in the grounds of the Asylum:

“... play commenced at half-past 2, after arranging the rules and appointing umpires; Mr. Sheehan acting as such for Brisbane, and Mr. Jack for Woogaroo. One rule provided that the ball should not be handled nor carried.”

This is a direct reference to British Association Rules.

Formation of Bush Rats

****Joseph Potts(New Chum Bush Rats) (1)***

When Dinmore Bush Rats first formed up they cleared a ground burning timber beyond the New Chum road bridge near Stafford Brothers property. The naming of the club was discussed and all agreed as they had worked in the dark with miners lamps that Bush Rats was the appropriate name

****Joseph Potts(Dinmore Bush Rats move to Reliance Ground) (2)***

We fenced it with barbed wire(4 rows).I remember well we christened it playing Booval Stars we charged sixpence and took 50 pounds

****1893 Queensland Times report on Bush Rats ground (3)***

Ground which is situated almost opposite the pottery works, close by the New Chum Colliery a newly cleared spot, the work in connection with which was done by the Rats during their spare evenings, and, judging by the quantity and size of the timber in the surroundings, it was no light undertaking either, some of the logs being utilised as seats for the spectators on both sides of the boundary.

(Nunn's Paddock owned by Amos and Isabella Nunn from 1858-1902)

Nunn's Paddock is now the site of the Ipswich meatworks

***Tom Barker(1912) Queensland Times** “Bush Rats were founded 24 years earlier” (4)

***Tom (Old Sport) Barker 1923**

Thirty odd years ago, the original T'Rats cut out. a nice ground, clearing it of trees, on the "New Chum" Colliery side of the railway, where in the evenings it was quite an entertainment to watch the boys training while the womenfolk-young and old occupied seats on the logs, knitting and singing, with large fires in full swing adjacent.

***Matthew Bailey (1924 Reunion) (5)**

*In those days there were no playing pitches, but the dense scrub did not prevent 13 stout-hearted lovers of football from playing their favourite game. They set to work with a will, and many a time the moon was well up before they ceased their labours. Eventually they cleared a patch big enough to play on and it was the proud boast of those original Bush Rats that they **never suffered defeat during, four seasons on their home ground.** When the work of clearing the three grounds was completed, the question cropped up. 'What shall we call the team?' according to Mr Bailey one 'night this happy band of enthusiasts knocked off for a smoke. It was a dark night and as they sat around the fire one of them, Bill Hansell suggested that as they were like a lot of bush rats why not call the club that name and they did so. The comment was made to George Duck as reported in the Daily Standard 28th March 1930*

***William Henry Jones (1926)**

Mr. Junes, who was 58 years of age played with Blackstone Rovers over 30 years ago, and later assisted the Callbacks

Several times he represented Ipswich against Brisbane. He also will be remembered as one of those who founded the present Bush Rats F.C

***Ernest Rumble(1945) (5)**

Many years ago, when the club was preparing one of its other playing areas, members worked till well after dark. "Come on, we'd better go home." said one of their number otherwise people will think we are bush rats."Since then the name has stuck and always has meant something in the Soccer world.

**From 1890 when they first competed until the start of
WW1 Dinmore Bush Rats would win 22 Premierships and
20 Shields and Cups in 24 Years**

Queensland Times Saturday 3 September 1910

A delightful feature of the football matches in the Dinmore district is the interest evinced in these soccer battles by the women-folk. This has, however, always been in evidence with the followers of the Bush Rats, and I was delighted to notice the large assemblage of the feminine sex. Mothers, wives, and sisters were there in great force, and it was pleasing to again meet that good old lady, Mrs. D. Nunn, who has been in that district some 53 years : she stated that the whole of her family (12 in all) were all alive, that she had 72 grandchildren, and quite a number of great grand-children.

The women seem to regard the football matches as occasions for homely gatherings, and every available log was lined with 'happy and smiling faces. It was likewise pleasing to again "rub shoulders" with those who have been stout defenders of the Bush Rats' laurels in many a hard-fought battle with metropolitan soccerites.

Queensland Times (Thursday 20 June 1912

By-the-way, the New Chum Colliery district is the home, generally, of the celebrated Bush Rats Football Club, and, while wending my way to the colliery named, I passed across their field of play, which T'Rats "carved" out of the bush by their own exertions some 20 odd years ago; and I could not help thinking of the many exciting contests which I witnessed there in the days gone by.

How many, both of players and spectators, could answer the roll now if one were called ? And that dear old lady, the late Mrs. Rachel Nunn (a resident of the Dinmore district of over half-a-century), has been called to rest

She was a keen enthusiast of both "soccer" football and cricket, and she always made it a point of honour to be present at all the matches of any note. Her pleasant familiar face will certainly be missed by the Bush Rats

She leaves behind a numerous family, of whom all the sons are engaged in the coal-mining industry

The Queensland British Football Association is formed

The annual meeting of the clubs in Brisbane and Ipswich playing under the British Football Association rules was held in the Queen's Hotel on Tuesday night. There was a very large attendance, including representatives from all the clubs and others interested in the game. Mr M Drinnan was elected chairman. The reports of last year's work were given by the secretary and treasurer, and were very favourable considering that the game has been but recently introduced here. The election of the office-bearers for the ensuing year was then proceeded with. It was decided to form an association, comprising President, Vice-Presidents, and delegates from the different clubs in the colony playing these rules, under the name of the Queensland British Football Association

The 1886 census showed there were then 7576 persons within the municipality, while the present one gives 7588. This would lead one to believe that a decrease of 38 had taken place, while actually there was an increase though comparatively small); as many residents are away temporarily from the town seeking employment until things are brisker in Ipswich, and, in addition to this, it is known that at least sixty of the inhabitants were away in Southport on the night the census was taken. As regards the district immediately surrounding the town the increase in population is satisfactory, the numbers being in 1880, 9562; 1891, 10302. The boundaries which define the district run along the Ipswich side of Bundamba Creek to Deebing Creek, thence round to the Ipswich-Toowoomba railway line, including Amberley and the Four-mile Gate, the municipal boundary being the limit on the northern side of the river. The gain in population to the suburbs is therefore 740, a result which is gratifying in the face of the depression throughout the colony for the past twelve

Formation of Ipswich and West Moreton Football Association (8)

For some time past those interested in the game of football as played under British Association Rules have been anxious to form an association on similar lines to that of the West Moreton Rugby Union, in order that cup matches for the various clubs could be arranged. With this object in view a meeting was held, at Dinmore, last week, in the rooms of the Workmen's Club. Mr. T. Barker occupied the chair, and teams from Dinmore (2), New Chum, Blackstone, and Silkstone were represented. On the motion of Mr. Caddies, seconded by Mr. Lovell, it was decided that an association should be formed for the West Moreton district. After a few other matters had been attended to, the meeting was adjourned till this evening at Kennedy's hotel, Booval, for the purpose of making further arrangements. The British Association game has become very popular of late, especially in the mining centre, and, though somewhat late for this season, if a good association could be successfully worked (and there is no reason why it should not, it would be the medium of greatly advancing the game next year.

Dinmore nil vs Bush Rats nil (18TH July)

The Dinmore's met on the Rats' ground on Saturday to try conclusions under the Association rules.

An excellent, fast and exciting contest resulting in a draw Caddies captained the Dinmore and W Duck the Rats. The play of the visiting team was superior to that of Rats in the first half, who nevertheless played in a most plucky and determined manner, G. Duck and R Lee showing up as forwards and B. Campbell and W. Jeffery as full backs for the 'Rats; while A Stewart, B Wilson, J Bognuda and W. Stanley did good service for the Dinmore's Wilson making a splendid try for a goal, but rose the all a little too high. half-time being called shortly after

The ball being put into motion again the Rats turned on their opponents and gave them a 'little more work to defend their goal they taking advantage of half-time to instruct their men to play more in their representative places-. "' This was really the best half, the same players showing to the front as before.; 'Joseph' Jeffery for the Rats deserved credit, and 'T Wardrobe and J Atterton for the Dinmore, the latter making some splendid kicks.

The game was witnessed by a large number of spectators who vigorously applauded every piece of good play. A fair number of ladies showed up as before. The ground was very rough; and owing to the rain was unusually heavy. Mr J Bell officiated as Umpire,

Bush Rats 1 vs Blackstone 1 (24th July)

The latter team journeyed to Dinmore, on Saturday last, to try conclusions with the fore. named club, this being the second contest between representatives of these clubs

.W.Taylor captained the visitors, and W. Dock acted in a similar capacity for the home team. The Blackstonite's won the toss and elected to kick with the wind. After some fast play an quick passing between the visitors who kept the local men constantly on the guard H. Gambling kicked a goal just before half time.

On resuming play, the oval was kept flying about in close quarters to the visitors sticks Alter considerable struggling J. Skellern passed the ball between the uprights, thus putting the two clubs on equal terms

The following players showed up well for the visiting team; W. Taylor, full back, and E. Wallis, T. Barker, H. Gambling, and T. Jones, forwards, whilst those who deserve special mention in the home team are C. Campbell, D. Freckling, and W. Jeffries

The latter once during the game made a beautiful run, and through over anxiousness missed adding a second goal to the credit of the home club. J. Skellern, G. Duck, and John Jeffery, also deserve mention.

This game was also drawn. The visitors were then entertained at a most substantial luncheon by the Bush Rate on the ground. A joyful time was spent in sampling the good things and numerous toasts were duly honoured including "The Ladies," which was responded to by Mr. W. Jeffery.

There was a goodly attendance at both these matches, including a fair sprinkling of the gentler sex. However, many of the residents of the place think it would be advisable if the club could arrange to have only one contest at time, when the number of the spectators would be greatly augmented, as there would be nothing to divide their attention.

Bush Rats nil vs Ipswich 3 (1st August)

The Ipswich team (British Association rules) journeyed down to Dinmore with six men to meet the Bush Rats on their own ground on Saturday last, and a splendid game reunited in a win for the visitors by three goals to nil.

Chief amongst the visitors were G. E. T. Shelley (captain), W. Wright, B. D. Evans, and G. Inglis. For the home team, W. Jeffrey, W. Bailey, B. Lee, and W. and G. Duck showed most prominently. After an hour's good work the home club entertained the visitors at a capital spread in one of the houses at the New Chum, where all did ample justice to the good things provided. At 8 o'clock dancing commenced there were enough for two sets up at once, twelve ladies being present.

Dancing was kept up till 8 o'clock, when the good things were partaken of for the second time, and the usual toasts duly honoured. Mr. G. E. T. Shelly called upon his men to give honour to the ladies, and Mr. W. Duck, captain of the home team, responded on their behalf, and all sang "'They are jolly good fellows," and the little gathering broke up.

The New Cham Bush Rats travelled to Blackstone to try conclusions with the team of that place on Saturday last. T. Lovell led the home team, while W. Duck officiated for the Rats. Blackstone, 2: Rats, nil.

The principal players for the Winners were T. Barker, T Roberts. Nickleman, and Jones , the skipper playing a very good game: for the Rats Duck (too) .W. and J. Jeffrey, and Bailey After play was over the two teams adjourned to Mr.W. Kennedy's Racehorse Hotel, where a good spread was provided, and ample justice done to the good things Mr. Barker proposed the toast "success to the Association," in a few very appropriate words, and it was responded to by W. Jeffrey (of the Rats). Other toasts having been duly honoured, a very enjoyable evening was brought to a close.

Silkstone nil vs Bush Rats 1 (29th August)

The former journeyed, on Saturday. to the New Chum, to try their strength against the Rats. The Silkstone's were captained by 'Bart. Doyle; the Bush Rats by W. Duck. The ball was set rolling at 4 p.m. sharp, and some splendid play ensued until half-time was called

After an interval of ten minutes, the oval was again set in motion, the Rats pushing their opponents pretty hard, and some scrimmaging took place before their goal, which ended by G Duck heading the leather into the goal-keeper's hand, and W. Jeffrey very ably shouldered him through, thus scoring one for the Rats. After this, both teams seemed to fall away from their good play and failed to score before time was called.

The following played well for the visitors J. Thomas, W. Jones, and D. Bolton for the home team W. and G. Duck, W. Jeffrey, and W. Bailey, The visitors were entertained at an excellent spread in the hall, where they made great havoo among the good things Mr. B., Doyle thanked the ladies for their good cooking, which, he said; had acted like a charm their healthy stomachs and Mr. John Bell responded on behalf of the ladies, in a few appropriate words. Altogether, a very pleasant time was spent.

Bush Rats 3 vs Silkstone Stars nil (5th June)

This match was played at Silkstone on Saturday that resulted in a win for Bush Rats by 3 goals to nil. The Rats were captained by W. Duck, and the Stars by D. Bolton.

The game was very even for some time. In the first half Skellern, after some very nice passing by the Rats, kicked a goal. The second half was more in favour of the visitors when occurred two more goals Of these, the first was guided under the bar by Bailey, and the second by Franklin.

When time was called the score stood Rats 3 Goals Stars nil All the Rats played well. The members of this team are employees at the Whitwood Colliery.

They were in splendid condition having been practicing far some considerable time post. For the Stars, W. Roberts played splendidly, and he was ably assisted in his efforts to avert a defeat by D. Bolton, P. Doyle C Marsh. and A. Hogg Mr. T. Barker gave universal satisfaction as referee.

Challenge Cup Final (Bush Rats 2 vs Callbacks nil) (1st October)

Only one match was played on Saturday 1st for the Wet Moreton Association challenge cup, the Call Backs journeying down to the Bush Rats' ground. These teams were, up till Saturday. standing highest for the cup. W. Duck, the captain of the Rats, won the toss from W. Dobbie, who skippered the visitors. A little after 4 o'clock, the ball was set in motion, and for fully half an hour it was a give and take game; while, for the next quarter, the Rats had slightly the best of the play. No scoring, however, was affected up to half time.

After the usual rest, W. Duck gave a free kick for not putting the leather over the line in kicking off, and, in a very short time, it was brought back, when J. Skellern drew first blood. After this, the Call Backs seemed the aggressive, but the Rats were equal to the occasion, and, after several shots at both ends, W. Duck kicked the second goal off Gordon, one of his opponents.

The Rats therefore won by two goals to nil. The Bush Rats to a man played a good game; while for the visitors (who were unfortunate in not having two of their best men) T. Barker. W. Dobbie, J. Gardner, and W. Harry did excellent service, Mr. W. Bodeman gave general satisfaction with his decisions as referee, and the same may be said of Meters. J. Campbell and J. Perrett as line umpires.

Great interest was taken in the play throughout, and a large number of spectators, many of whom travelled from Blackstone and Silkstone, were in attendance, the greater sex being well represented, The Bush Rats, it is believed, cannot be beaten now for the cup. and the season will probably close forthwith. The delegates will hold a meeting this evening, when matters connected with the cup will be decided.

Benefit concert

A meeting of the West Moreton Football Association was held at Mr. Kennedy's Racehorse Hotel, on Wednesday evening last. Mr. W. Stafford occupied the chair. It was decided that a benefit concert in aid of the injured players should be held at Bundamba, on October 14, and that each football club in the Association should strike a levy for the sufferers. There should have been another Saturday of football but all the clubs are willing to cease playing, so the Bush Rats will be presented with the cup on Tuesday night, the 18th instant, and a dozen of large photos given by the Association. The Bush rats played ten matches, won seven, drew three, lost none, and scored twenty-seven goals against eight in the cup competition. The Call Backs played eleven matches, won six, drew three lost two, and scored twenty-five goals against twelve

Tea Concert

The members of the Bush Rats football club, who came out 'on top' in the contest for the West Moreton British Association Challenge Cup, wound up the season with a tea, concert., and ball.

The tea was held in the New Cham Hall, all the members being present, and Mr. G. Duck being at the head of the table.

Alter a few remarks all eat down to a sumptuous rcpast provided for them. Great praise is due to Mesdames Deck. Bailey, Freeman, and Campbell, who worked assiduously to make the whole a fair a success

. After doing ample justice to the good things, the company adjourned to an empty house kindly lent Mr. M. Jeffrey.

When all had assembled, Mr. M, Jeffrey was voted to the chair. He then, in a neat speech congratulated the Bush Rate on their decisive victory last season, and hoped that they would be as successful next year. (Loud cheers) Ie (the Chairman) said he often thought that some of the players would come home without a leg or a tail, but he was glad to see them "a' hale an' weel" that night. (Loud applause) The toast "Success to the Bush Rats Football Club," was drunk with msarioal honours.

Several excellent songs were rendered by Messer. Duck. Bailey, Jeffrey, Bodenham, Skellern, and Coleman. Mr. J. Campbell and W. Duck treated the company to some capital step dancing, which was much admired. A good programme of dances was gone through, the music being provided by W. Jeffrey (violin) end W. Bailey (accordion). Mr. J. Campbell made sufficient M.C. Dancing was kept up till half past 11, when a most pleasant evening wet brought to a close, which will be long remembered by the Bush Rat footballers.

Brisbane vs West Moreton (24th May)

The match, yesterday, between teams representing the Queensland (Brisbane) and West Moreton British Football Associations respectively attracted over 200 spectators, including a fair sprinkling of ladies, the convincing ground being in the paddock opposite to Mr. W. Kennedy's Racehorse Hotel, Bundamba. Considerable interest was evinced in the result of the game.

The metropolitan combination was captained by Sam Shelley, a former resident of Ipswich; while T. Barker had charge of the Bundamba heroes, whose respective positions were as follows :-Goal, W. Lindsay ; backs, W. Henry and Roberts ; half-backs, Mat Bailey, G. Duck, and R. Campbell; forwards, W. Caddies and A. Stewart: centre, D. Bolton; left, T. Barker and W. Wright.

The Brisbane skipper, winning the toss, decided to play down hill, towards the Brisbane road. Five minutes after the kick off, W. Wright, by a splendid shot, scored first goal for West Moreton.

Good play all round ensued, the city "Britishers" making several vigorous assaults upon their opponents' citadel, which were very stubbornly repulsed until half-time was called. On resuming play, T. Barker succeeded immediately afterwards in kicking the second goal for West Moreton, and from this until the termination of the game the expositions of the Brisbane men were exceptionally good, and, although they worked hard to avert a defeat, fortune smiled on the Bundamba boys instead, the visitors being beaten by 2 goals to nil.

The lines were well chalked, and the referee (W. Bowen) and the line umpire (W. Bodenham, for West Moreton) gave every satisfaction. The Brisbane team were entertained, in excellent style, at Mr. Kennedy's hotel. A collection was taken up during the day for the benefit of the families of the unfortunate miners who were entombed at the Eclipse Colliery

Annual meeting British Football Association (1st June)

British Football Association. The annual meeting of the delegates of the British Football Association was held at Mr. Kennedy's Racehorse Hotel at Bundamba on Thursday evening. Mr. J. Lindsay was voted to the chair.

A letter was read from Mr. Wm. Stafford, thanking the members for having elected him as President and accepting the honour, at the same time promising to do his utmost to further the interests of the game.

A communication was received from the secretary (Mr. Thos. Barker), expressing his regret at being unable to attend, and hoping that the association would select some one else to fill the position he occupied, as he could not possibly attend the meetings. He regretted this all the more, in as- much as it was fully expected that the season would be a most prosperous one.

It was proposed, seconded, and carried, that Mr. W. Wright should be elected secretary. Mr. J. Lynch wrote accepting the position of vice-president, and verbal acceptances of a similar position were received from Messrs. J. P. Bottomley, W. Kennedy, and Michael Jeffery.

The next business was the registration of clubs, and the Dinmore, Bush Rats, Whitwood, and Blackstone Rovers A. and B. were admitted to the association, their subscriptions having been received.

The amendments to the rules submitted by the Bush Rats were then considered. Rule 11 was proposed to be amended so that it would only be necessary to play one round for the cup instead of two as last season, but the proposition was lost on the casting vote of the Chairman, and two rounds will have to be played as formerly. Rule 14 was next discussed, and it was decided unanimously that the association should find referees for all cup competitions. Rule 21 was taken into consideration, and it was amended so as to read, - "That notice of proposed alterations to the rules shall be sent to the secretary of the association on or before the 1st day of April, and the annual general meeting shall take place on the 15th, the place to be fixed by the out going delegates."

Bush Rats 2 vs Blackstone Rovers nil (8th July) (21)

The Blackstone Rovers were conveyed in cabs to the ground which is situated almost opposite the pottery works, close by the New Chum Colliery a newly cleared spot, the work in connection with which was done by the Rats during their spare evenings, and, judging by the quantity and size of the timber in the surroundings, it was no light undertaking either, some of the logs being utilised as seats for the spectators on both sides of the boundary.

The lines, last Saturday afternoon, were crowded, fully 300 people being present, including a large number of ladies. More than usual interest was evinced in the result, and It was very evident from the conversation in all quarters that the contest was going to be a keen one from start to finish. George Duck captained the Rats, and, having won the toss from Dave Boulton (who commanded the Rovers), he elected to kick from the lower goal, with the sun at their backs Mr. G. P. Lewis, of North Ipswich, was chosen an referee, from the fact of his having acted in that capacity in the old country for the Scropshire branch of the British Association in several important country cup matches, while the line umpiring was entrusted to Messer, J. Hughes (for Blackstone) and V. Caddie, (for the Bush Rats) Just as the kick-off took place the following admoition was hurled across the ground Buck in. Rats I keep your tails up I" which was followed by voices from the opposite direction "Wake up, Blackstone, and tread on their tails I"

At the call of time for the first half, neither side had scored, although the Rats had the beet of the play, making several splendid charges for the their opponents' citadel, and during one of these rushes a free kick was allowed by the referee to the Rats for tripping. Lemons were plentiful enough, the members of the local team having been liberally supplied with ice during the progress of the struggle, there being, apparently, a ' lemon-carrier" connected with the Rats team .Ends were changed, and within a few minutes after the kick off, the ball was well worked down towards the Blackstone goal, where a 'a corner" kick was obtained by the Rats, of which a scrum occurred in close proximity to the Rovers goal, and during which Joe Jeffrey, by a really splendid back kick over his own head, shot the ball just out of the goalkeeper's reach between the posts. First blood to Bash Rats, and to attempt to describe the excitement at this moment would be next to impossible-'-it mseet have borne some resemblance to the thousand tongues at Brbsl, the women folk being quite as vigorous in the exercise of their lungs as the collierS

The battle for supremacy then raged most fiercely, the Blaokstanian's working the very demons, especially Bill Roberts and the "old horse" (Tom Barker), while the Bush Rata, to a man, were playing a really splendid game, all being trained to the hour, and being in fine fettle After the ball travelled all round the kicking arena, daring which there were several individual expositions of first-class play on both aides, the Rats again made another brilliant charge for the Rovers' goal, and, after an exciting period of ground battling by the opposing teams-the ball being butted here, kicked away, passed to the opposite corner, and then dribbled back, until at last Joe Jeffrey again excelled himself by " potting" No. 2 goal for the Bush Rats the play from this one was very fast, the Blaokstonian's making several desperate one slusngots opposite the Rats goal, but at the cell of time, the game terminated thusly-Bush Rats, 2 goals to nil.For the winners, Joe Jeffrey takes the pride of place, while Jack J3eoey, G. Duck, R Campbell, D. Franklyn, and W.Wright were among the most prominent players. Oo the losing side, T. Barker, Spencer, D. Boulton, R. Gee, H. Price, and H. Gamble acquitted themselves admirably

Bush Rats 4 vs Alloways 2 (26th August)

The champion Bush Rats have again distinguished themselves, this time by. going. to Brisbane, on Saturday, and beating the Alloways, at the British Association game, by 4 goals to 2. Mr. Ruskin was referee Geeoge Duck captained the Wet Moreton representatives, who enjoyed besides the honour of winning, a good old time in the evening at a banquet and a smoke concert at Harry Fig'. " Always at Home" Hotel, Queen-street..

The Bush Rats are described in the Brisbane papers as a flee body of men, and that they' played well, including their goal-keeper, who saved some dangerous shots; the combined play and passing of The' Rats were special features of the game.

Next Saturday afternoon the Bush Rats will meet the Athletics (another Brisbane club) on their' own ground,. at Dinmore,. and if the Rats succeed in cutting. the visitors down, the victory will place them. in the semi-final for the Brisbane Association Cup. What price the Rats if they wins the Brisbane cup as swell as having won the West Moreton British Association, There is just the possibility of their doing so at any rate

West Moreton 2 vs Brisbane 2 (9th September)

The return match between representatives selected by the Brisbane and West Moreton "British" Football Associations respectively was played, last Saturday afternoon; on the Pineapple Ground, Kangaroo Point, the West Moreton players journeying by train to the metropolis, thence in company with -Mr. Trainor, an ardent Brisbane footballer to the scene of action. By the time the Brisbane men were ready, quite a large concourse of spectators had assembled. George Shelley captained the metropolitan team, while W. Wright (who appeared rather stiff and sore after the Gympie campaign) skippered the visitors.

The Brisbane team was constituted as follows:--W McLean; T. Brown and A. Carrie; J. Fenton, T. Jervis, W. Gillan, M. Finlayson, J. Jack, W. Shelley, T. Gillan, G. Shelley, while the following players represented West Moreton W. Lindsay, W. Roberts, G. Duck, W. Jeffrey, R. Campbell, W. H. Jones, W. Wright, A. Stewart, J. Skellern; left, H. Spencer and H. Gambling. Mr. A. Rankin was appointed referee, the line-umpiring being entrusted to Messrs. W. Allison (Brisbane) and James Lindsay (West Moreton). By the time the players were ready to start, a great concourse of people had assembled, among whom were a large proportion of Scotchmen "Go laddies," &c. George Shelley, winning the toss, elected to kick with the wind, which, until near the conclusion of the second half, was blowing very strong indeed--more like a gale, in fact--the consequence being that, after the kick-off, the West Moreton men were constantly called upon to defend their citadel, and Bill Lindsay worked like a Trojan in saving his goal.

The wind assisted the Brisbanite's considerably, and often times when the West Moretoner's kicked the "sphere," it was blown back towards their own goal, and other times the ball would bounce clean over the bar. Notwithstanding the wind, however, the visitors worked very determinedly, every one of them playing in grand style, much to the delight of the onlookers, the full-backs (Duck and W. Roberts) and the half-backs (Jones, Jeffrey, and Campbell) defending their territory in a most spirited manner. Just before half-time, (G. Shelley, who was playing a very vigorous game all through, dribbled the ball out of a scrimmage, and, from a beautiful angle, with the elevation low, he shot for the goal, and, striking Hill Roberts, it glided (assisted greatly by the wind) past Bill Lindsay like a streak of lightning. Half time : Brisbane, 1 goal to nil.

Ends were changed on the commencement of the second half, but, shortly after the ball was kicked off, the Brisbane team, by an excellent exposition of passing along the line on the left wing, and then to the centre, from whence G. Shelley prettily worked the ball to opposite the West Moreton territory, where a vigorous battle ensued until J. Jack obtained, by a grand shot, No. 2 goal for Brisbane. "Play up, West Moreton" came from all sides, and, from this out until the termination of the game, followed one of the finest games ever witnessed in Brisbane, Spencer, after some smart tactics, obtaining "first blood" for West Moreton by a beautiful shot. The play afterwards was mostly confined on the wings, the expositions of W. Gillan, Joe Skellern, and R. Campbell, on the left line, and that of T. Gillan and W. Shelley on the right line being frequently 'applauded; but the Moretoner's were not to be denied for, after a nice piece of passing from Sandy Stewart to Billy Wright, the latter shot for the goal, and, glancing off "Sequah" Brown's head, beat the goal keeper, resulting in No. 2 goal for West Moreton, thus equalising matters (over page)

The excitement, too, was now very great: but the "Sequahonian time saving" kicks of Tom Brown, on the Brisbane aide, helped his side a lot, notwithstanding which the West Moreton played a splendid game till the finish, during which, the wind having considerably lessened in force in the meantime, they were called upon once to defend their citadel "all they knew," through a brilliant exhibition of passing on the part of Carnie, Finlayson, T. Jervis, and T. Gillan from the centre right up to their opponents' territory, which was cheered to the echo, bit WA. Lindsay saved in grand style. "Time;" thus ending a first-class contest, the result being two goals each. Mr. Rankin's refereeing gave entire satisfaction to both sides

. No doubt about it, the services of the Blackstone representatives. Tom Barker were greatly missed, and I have since heard that he just lost the train by a minute or so. This was a pity, for, I believe, with his dodgy tactics he would have scored the winning "shot." However, every individual member of both teams played "all they were worth," and, as the West Moreton representatives won the first combination match, played at Bundamba at the commencement of the season, they are still ahead of the Brisbane players. The visiting team were, after the game, invited to an excellent dinner, at the Cafe Royal, Queen-street, laid out in Mr. Harry "Always at Home" Figg's best style; after which the remainder of the evening was spent in harmony at a smoke concert, Mr Ernest Skellern (of the Bush Rats) presiding at the piano,) nothing was wanting a little more courtesy on the part of most of the Brisbane players, but Messrs. T. Jervis, W. Rose, W. Gillan, and Trains were, however, untiring in their efforts to entertain the West Moreton representatives

West Moreton British Football Association Cup Presentation (26)

At a social and concert arranged for the purpose. The Bush Rat A team were presented with the West Moreton British Football Association silver cup for being the premiers of the 1893 season, this being the second occasion on which they have succeeded in winning the trophy. Each of the members of the team also received a silver badge in recognition of his individual efforts.

At the same meeting -presided over by Mr. W. J. Lynch-the press was complimented upon having sent down representatives to report their matches. On the other hand, an oversight occurred no invitation was extended to a Queensland Times reporter to be present at the above presentation nor was any information sent that it was to take place.

This is not fair dues. Or was it that the Bush Rats-whose deeds all through the playing season had been faithfully chronicled-did not desire the readers of that journal to know in what shape their meritorious achievements had been recognised by the West Moreton British Football Association Now wake up Mr Secretary of the Rats although Wright by name, someone did not act rightly any way

Tea and social

What appears to have been a very pleasing tea and social was held, under the auspices of the Bush Rats Football Club, on Friday evening last. A committee consisting of Messrs. (G. Duck, E Skellern, W Jeffries, and W. Wright, with Mr. M Bailey as secretary, had charge of the arrangements in connection with the affair, and they all worked hard, to make the reunion the success it undoubtedly proved.

The tea was laid out in the church. near the New Chum Colliery, two tables being heavily laden with eatables, which had been provided by Mr. I. Ham. The ladies who presided at the tables were .. Mesdames M. Bailey, Campbell, Franklin, Hansell, and Gambling. together. with a number of young friends. About seventy persons sat down. to the repast, and, when all the guests had been thoroughly regaled, an adjournment was made to the Dinnore State School, where a social dance was held. Mr. A. Stewart made an excellent master of ceremonies, and good music was supplied by Messrs. W. Thorsborne. (concertina and W. Jeffrey (violin). A large number of well-wishers of the club, who have now won the West Moreton football Association's cup and the attendant badges for two consecutive seasons, were present, and dancing was gone into with great spirit. During an interval. George Deck (captain of the Bush Rats) made a brief speech, during which he apologised for the unavoidable absence of the president (Mr M Jeffrey)

With regard to their little re-union that night, he hoped it would be made an annual affair, as such gatherings tended very materially to create a greater intimacy between the players, and those who had taken an interest in them. Concerning the club itself, he thought it could compare very favourably with any other club in Queensland with regard to the result of the matches. The team had played a large number of games, and they had only been defeated once, and that was in Brisbane. They had now won the cup for the second time, and he thought no one would deny that they had done very well. He thought they would like to win it again next year, and perhaps then they would let someone else have a turn (laughter) They had entered for the Brisbane cup but were defeated by the Normans. They had played other matches and had come off victorious. they had been done out of the match in the semi-final through a breach of the rules, and the Brisbane Association overlooked them, and gave their verdict in favour of the Brisbane club. He believed that if they had received fair play they would have pulled off the Brisbane cup. (Applause.)

Mr. W. Wright, secretary to the club, thanked the ladies for the manner in which they had worked up matters that night and also proposed a vote of thanks to them as well as to the press. With regard to the latter he stated that an invitation had been sent to the Queensland Times to send a representative, and so the club could not be twitted with having overlooked that journal on the present occasion. The festivities were then resumed. With respect to Mr. Wright's statement, we may explain that the invitation in question was received by a member of our mechanical staff who mistook the date of the social, and consequently the event was overlooked, which is a matter for regret.

Bush Rats 1 vs Normans 3(Challenge Cup Final)

PIGEONS BRING THE RESULT TO BLACKSTONE (18th August)

These clubs met last Saturday afternoon at the Exhibition ground, Brisbane, in the final match for the challenge cup under the auspices of the Queensland British Football Association, and the game resulted in the Normans winning the beautiful trophy, after a very fast and entertaining contest, by 3 goals to 1, The Bush Rats, accompanied by a large contingent of followers, travelled to South Brisbane by the down 11"30 train. Had a special train been run by the railway authorities at a quarter past 1 o'clock from Ipswich, as desired by Rats, a considerable number of the mining fraternity, both of Bundamba and Blackstone, could have availed themselves of the opportunity of witnessing this cup tie match, as, throughout the West Moreton district the keenest interest was manifested in the result. As it was, the special carriage attached to the through train at Ipswich was, on arrival of the train at Dinmore, more than comfortably filled by the players and their friends nearly fifty, all told. The handsome - 'Silver cup trophy being on view in one of the shops in Queen Street, it came in for a good deal of attention from the visitors, as it was thought that on its removal, it would be conveyed to - 'Dinmore; but owing to the "glorious uncertainties of football the challenge cup, at any rate, will not leave Brisbane yet a while, although it has changed hands from the Rosebanks, last year's winners, to the Normans. Of course, the Rats still have a good lien on the second Brisbane trophy the charity cup; but as to Saturday's play.

The match commenced at half-past 3; and, at the Normans walked on to the field (led by Sam Shelley bouncing the ball along followed by the atusdy' mining, representatives, each team met a hearty acclamation from the surroundings, which were fairly well crowded with spectators.

The Normans, who are a fine body of well built athletes, comprised the following players :- G. McLean, in goal; full backs, Sam Shelley and W. Murphy; the three Finlaysons, half-backs; right wing, W. Shelley; centre, G. Shelley; left wing, Hugh Blake with J. Jack and J. Jentona in the forward ranks.

The well built Rats were represented by W. Lindsay, in goal; full backs, Jim Atterton and G. Duck; half backs, B. and W. Jeffrey and B. Campbell right wing, Joe Skellern; left wing, A. Stewart; centre, W. Wright; forwards, Mat Bailey and John. Jeffrey Mr. T. Jenkinson named as referee, and Messrs A Rankin and W. McNaughton performed the duties of line umpire. G. Duck captained the Rats, and J. Fenton skippered the Normans

Bush Rats 3 vs Rosebanks 5 (Charity Cup) (15th September)

HOMING PIGEONS AGAIN UTILISED. [BY OLD SPORT]

A special train conveyed to Brisbane on Saturday some eighty passengers, including a sprinkling of ladies, from the mining centres of Bundamba and Dinmore and every effort was put forth by the committee of the Charity Cup to make the event a success, but the counter attractions of other important football matches (Rugby) somewhat marred the chance of a large attendance.

The visiting team and their friends were taken, via the ferry at Indooroopilly, on to the Brunswick railway station in the Valley, walking from thence to the Exhibition ground, where the game was played; while the Rosebank team were conveyed to the scene in a special tram, being accompanied by the Park Presbyterian Brass Band, which enlivened the journey out with first-class music. Later on in the afternoon the Scottish pipers visited the ground, and, alternately with the brass band, played selections during the game. Considering the circumstances, there was a very fair attendance of spectators.

The following are the names of each team

:Rosebanks: I, W. Brown; T. and P. Inglis; W. M'Luckie, John Inglis, W. Hawker; A. Inglis, G. Innes; James Inglis; H. and R. Gait

Bush Rats: W. Lindsay, G. Duck, J. Atterton, R. Campbell, Joe Jeffrey, W. Jeffrey A. Stewart, J. Skellern, W. Wright; W. Bailey, John Jeffrey. G. Duck captained the visitors, while T. Inglis skippered the Rosebanks

Winning the toss, Captain Duck elected to kick towards the railway line, with a slight wind at his back, Mr. T. Jenkinson noted as referee, and Messrs. A. Rankine and W. McNaughton performed the duties of line umpires. G. Innes put the ball in motion, and then commenced a very fast game, T'Rats gaining first "foul," following which two "corners" resulted in the favour of the visiting team, and from one of which the first blood was gained to the credit of the Bush Rats from a beautiful shot by J. Skellern. Kicked off again the Rosebanks conveyed the sphere to the Rat's territory, in the vicinity of which some really excellent play took place; several determined attacks being made on the visitors' citadel, which W. Lindsay guarded in grand style, saving time after time in a splendid manner, his efforts in this direction evoking hearty acclamation from the spectators. From a vigorous kick by Lindsay well down the centre, the scene of battle was then changed to the Rosebanks territory, where Billy Wright secured the ball and made a well judged shot for goal, which beat the goalkeeper, thus scoring No. 2 goal for T'Rats. Urged on by the spectators who about this period, began to advise the Rosebanks to "kick" and "end em" in most vigorous Scotch--the Rosebanks rallied, conveying the sphere well into the territory of the Rats, and almost seemed like scoring, when a free kick was allowed T'Rats for the off side play of H. Gait. Kicked off, and by a series of beautiful passes, the Rats took the ball along the right wing, close up to the Rosebanks' goal, where Joe Jeffrey succeeded in potting No 3 goal. The play all-round from this out till call of time was very fast, the ball travelling all over the field of play, the individual efforts of John Inglis being very prominent, as were also those of Sandy Stewart, Wright, and Joe Skellern. At half-time the scores were Bush Rats, 3 goals; Rosebanks, nil. (over page)

Messrs. Jacob Tapp and Owen Jones each despatched a couple of pigeons to Blackstone with the result. After the usual spell, ends were changed, and, when the hall was kicked off, there followed one of the fastest and most exciting games that have ever been my lot to witness, end, on top of the animation in the surroundings, just fancy half-a dozen Scotch bag-pipers screeching on the " pibrochs" for all they were worth something like " Humpty dumpty--Dumpty. Humpty.' In the midst of this distracting noise, A. Ingles made an excellent shot for goal, and succeeded in scoring first blood for the Rosebanks Then the brass band struck up " Home, Sweet Home," and the excitement became still more pronounced. " The Bush Rats can win, " tang out one lots "Wire in, Rosebanks." replied the other

Both teams were performing like Trojans. the Rosebank forwards putting is grand work. "Corners" were numerous, and in the midst of some determined play opposite T'Rats' citadel a free kick for a "foul" was awarded the Rosebanks. This occurred only a few yards from the goal, and after the kick off H. Galt got possession of the sphere, sending it through the goal like a flash from a rifle scoring No. .2 for his aide. Time was now nearly up and neither team were working as hard as they knew how the Rats to maintain the lead, and the Rosebanks to make matters equal. Within a minute of time Hugh Gale again shot for the goal from the left wing, the ball just seeming to squeeze in under the bar at the corner on the left of Lindsay-a beautiful kick with plenty of "screw" on, while the applause was deafening, the hands being almost wrung off H. Galt. Directly after this the whistle. sounded "time," the result being 3 goals each -a draw ; but, according to a mutual agreement before the commencement of the match in the event of such a termination, half-an hoer extra was played-a quarter of an hour each way, several pigeons being dispatched to Blackstone with thy result in the meantime.

The teams immediately changed their positions, a but the Bush Rats were thoroughly extended, for, despite the effort of the plucky miners to avert the defeat, the superior condition of the Rosenbanks asserted itself, end, at the expiration of the additional time, they had secured two more goals-through the agency of James Inglis and R. Galt respectively thus being the fest winners of the Charity Cup by 5 goals to 3. Both teams acquitted themselves in fine style, the Individual efforts of several players on either side being frequently applauded, while the game itself was contested in almost pleasant. manner, the beat of spirit being manifested throughout: After the match Mr. M'Master, M.L A.) congratulated the both sides on the admirable exposition of Scottish football .given that, afternoon, and wished the Bush Rats more success next season,. the visiting team were treated to a substantial tea at Shaw'e Palace Restaurant, after which they were invited tot smoke concert at Mr,. Butler's Cafe Royal Hotel.

During the evening Mr. B.Wylie, the Hon. treasurer of the Charity Cup Committee expressed his pleasure at the game witnessed that had but regretted. that they would not he in a position to hand over a substantial cheque to be divided between the several Charitable institutions.

A very enjoyable evening was spent

Bush Rats 3 vs Blackstone Rovers 1 (Final) (29th September)

The final match under the auspices of the W.M.B.F.A. (premier division) for the Challenge Cup was played on Saturday 1st, on the Bash Rate' rn, before a very large number of spectators.

The two contesting teams were the Bush Rats (whelia of the cup for the two previous years).and the .Blackstone Rovers Neither team was fully represented as several of the best players in each were absent. The Rats were without Bill Lindsay (goalkeeper), G Duck, Dave Frankland and Jeffrey. Jack Besgrove took up the position of goal-keeper for the Rats, and he folly upheld hie reputetioen, this b tie third year In which he has been Goalkeeper for the Rats in the finals for this cup, and on each occasion he has performed well. The Blackstone's were without the services of three of their best men, Mitchelll ,J Lebeter and .H Gambling., 'Blackstone could only raise the men and played one short throughout the game.

The following were the teams

Bush Rats Jack Besgrove, Jim Atterton, W Jeffrey, R Campbell, M Bailey, E Hansell, Sandy, Stewart, W .Wright, Joe. Jeffrey Joe Skellern;

Blackstone Goal. J Ward, fullbacks, C. Marsh and R. Price; halfback Lewis Roberts R. Archibald, and Phoeby forwards, J. Muir, T. Barker (centre), Boulton, and B. Jones. W. Wright captained the Rots, and T. Barker the Rovers

Barker won the toss and elected to play down with the wind blowing strongly in his favour. Wright kicked off, but Blackstone commenced with their usual rush and continually had the Rats' goal in danger. About five minutes from the start J. Muir sent the ball in from the right wing, and T. Barker, amid great cheering, scored first goal for the Rovers. Kicked oi again, the Rate had a try at goal, but Ward saved, and a lot of loose kicking hIn the field ensued, the ball being rushed hern'and there by the Rovers, which kept the Rate' defence very busy, and, when half-time sounded, the score stood-Rovers 1, Rats nil. After the usual spell ends were changed, the Rats having the advantage of the downhill kick, but the wind fell off, and consequently was not of so much advantage to the Rats as it had been to the Rovers. Kicked off, it was very evident that the Rats meant business, Wright and the rest of the forwards putting in some good shots, but Ward was in great term. At leogth, after some good passing, Joe Skellern ceorred the ball from the right wing, and Sandy Stewart scored first goal for the Rats, putting the ball through with his head. Play woe continued chiefly to the Rovers ground, and Joe Jeffrey passed to Billy Wright, who li-aded the ball between the posts which shot fairly beat Ward), and scored goal No. 2 for the Rats, tile cheers being dealening for a minute or so. The Rovers now seemed to rally, and ensued a charge at the Rats' goal, lut ieesgrove saved and the ball was brought ilLo tle Kuvoero' territory by some good passing, and Joe Jeffrey secured. the leather and auced gilc No. 3 for the Rats. A fourth goal was scored by the Rats, but it was disallowed for offside play. The whistle then sounded time, and the Bush Rats once again winning of the cup for the season of 1894, the scores being-Bush Rats, 3 goals Rovers 1 goal. The game was very hotly contested for the last quarter of an hour, and the cheers wee deafening at times as each side showed some splendid play. For the winners Wright Stewart, Joe Skellern, J. 'Jeffrey and Bailey played a first-class game as forwards, Wright being always to the tore. For the defence, R, Campbell and E. Hansell did well at half-back ; while M. Halley, Atterton, and W. Jeffrey were very prominent. For the Rovers, Barker, Muir, Boulton, and Jones (forwards), and Marsh and R. Price, at back, did excellent service in fact, the Blackstone men worked extremely well, considering that they were a man short.

Challenge Cup Final

Dinmore Bush Rats 3 vs Normans 2 (14TH September)

Success has at last rewarded the efforts of the Bush Rats, and they won the Challenge Cup on Saturday after a grand struggle-the Normans battling to the end like Trojans--by 3 goals to 2.

Both the Normans and the Bush Rats put their best men in the field, the first named club going to the extent of inducing I believe, Sam Shelly to come down from Maryborough to assist them, and when Billy Wright heard of this he, so I was informed, could not resist the temptation to also come down to help his old comrades, his play being, to a great extent, responsible for the cup coming to Dinmore.

Something like fifty persons (including the Rats' team and their followers) left Dinmore by the 12.40 down train to Brisbane. Among the passengers were a number of ladies and Messrs. E. O. Morgan, W. J. Lynch, and J. Reynolds, who have, for the past two seasons, most consistently followed the West Moreton representatives in their several metropolitan campaigns.

On arrival at the Exhibition ground-all the visiting players, for the purpose of stretching their limbs, walked out--it was found that the field of play was nicely marked off; but the "artist" who presided with the whitening-brush must have had a very crooked eye, inasmuch as the "centre" was only ten yards from the "touch"-line on the one side and over twenty from the other. Someone then discovered that the ground marked off was too narrow, and a lot of unnecessary measuring off with a tape and "haggling" over the matter occurred. I say unnecessary--because the rules of the Queensland British Football Association distinctly state, on reference to the limits of grounds, that the "minimum breadth shall be 50 yards." Somebody stated that the minimum breadth should be 53 yards, and so, like a parrot-cry, it passed from one to the other until the spectators began to tire of the humbugging. Taped off, the width of the ground was 52 yards-that was over the minimum limit-and the captain of the Normans desired the skipper of the Rats to protest against the ground. "Not I," replied Sandy Stewart; "we as the visiting team, have nothing to do with the ground. We are ready to play, and, if the game is not commenced very quickly, we shall claim the match. We can't afford to come down another Saturday."

"The officials of the Association then appeared on the scene, and it was agreed that, to remedy the fault in the width, the boundary-flags on the one side should be shifted three yards further from the chalked line-this, in itself, cost the Normans a couple of throws-in to the Rats, through their members touching the ball directly it went over the white line (see over)

Twenty minutes' good light as it turned out at the end--was thus wasted, not through any intentional neglect on the part of the officials of the Association, nor do I think was it through any desire on the Normans' side to impede the progress of the game, but simply through a want of knowledge of their own laws. Perhaps, though, it would be as well if there were a little more harmonious feeling between the Brisbane players and their Association officials who have all along shown a sincere desire to advance the Scottish game, hence their action in engaging the Exhibition ground--the marking off being entrusted to the Caretaker.

Of course, as far as the Bush Rats were concerned, they raised no objections---they only objected to the delay in commencing the game, which was started at ten minutes to 4. The following are the names of the competing teams:--

Normans : In goal, B. Wilson; backs, J. Fenton and J. Train; half-backs, L. and J. Finlayson and S. Shelly; forwards--left wing, I. Blake and J. Jack; centre, H. Blake; right wing, G. Shelly and T. Donoghue.

Bush Rats: In goal, W. Lindsay; backs, R. Price and J. Atterton; half-backs, R. Campbell, H. Stewart, and W. Jeffrey; forwards--left wing, A. Stewart and W. Wright; centre, J. Muir; right wing, Joe Jeffrey and J. Skellern. Sandy Stewart captained the Rats, while J. Fenton skippered the cup winners of last season.

T. Jenkinson acted as referee, and the duties of line-umpires were entrusted to Messrs. Fowler and Harris. I might here state that I noted the presence of Mr. Mat. Reid, M.L.A. for Toowong, who appeared to take the greatest interest in the match. Winning the toss, Captain Stewart decided to play from the railway end, with a slight wind in his favour. H. Blake kicked off from the centre--not the lob-sided marked one, that was discarded--and the sphere was taken immediately into the Rats' territory, and, before the Rats got "used to their legs," a corner was conceded to the Normans. G. Shelly took the kick, but failed to score, the ball being quickly transferred in the Normans' territory. Fast play then ensued, H. Stewart being most prominent--indeed, from the start to the finish of the game he performed in magnificent style, and frequently merited the all-round applause of the spectators.

The play partook of a give-and-take nature, including some neat expositions, on either side, of beautiful football. The ball was as much in the Rats' territory as it was in that of their opponents', and, on several occasions each of the citadels was in constant danger, but the respective goal-keepers Wilson and Lindsay saved in a splendid manner.

All the players were on the alert--too much so in some instances, as, in their eagerness or excitement, their kicks were too strong; and, when the halftime whistle was blown, matters were very even--neither side had scored. After a well deserved spell, the ball was again put in motion, and then followed a real ding-dong battle, everyone working as hard as he knew how. The Normans played a rattling game, their passing and dribbling being very pretty indeed. Sam Shelly, too, put in some grand work. Billy Wright's well known encouraging cry of "Good enough" kept the Rats well on the ball, and it was hard to tell which side had the advantage. As "time" drew near, the exhortations of the barrackers became very loud and earnest. Now then, Rats I wire in" from the one side was about drowned by a counter blast of "Wake up, Normans!" As "time" drew near, the exhortations of the barrackers became very loud and earnest. Now then, Rats I wire in" from the one side was about drowned by a counter blast of "Wake up, Normans!" (see over)

Twice Sandy Stewart was within ace of scoring-once nothing seemed surer, only Sandy over-ran the ball after it had struck the bar and rebounded into play, the goalkeeper (Wilson) having, at this time, been away from "home." other hand, were as equally. The State' skipper was terribly vexed at such a splendid opportunity of obtaining a goal being thus missed. Joe Skellern also had hard luck; he shot from the right wing, the ball striking the post. The Normans, on the other hand, were as equally were as equally unlucky in their efforts-Bill Lindsay was "' all there" as keeper of the goal, except once, when R. Campbell saved the Rats' "bacon," by heading the ball off a fine screw-kick put in from the corner by G. Shelly, which Lindsay could not possibly have reached. "Time," and again neither side had scored, although as the whistle sounded the Rats had been bombarding the Normans' citadel for some little period, several corners having been conceded them in the meantime.

It was thereupon agreed to play an extra half-hour-a quarter-of-an-hour each way. The light was then beginning to bid "adieu" to the scene. The sphere was put in motion, and, shortly after, Lindsay, by a splendid kick, put the ball well into the Normans' territory. Billy Wright obtained the leather, and, with a capitally-directed shot from the left wing, succeeded in scoring first blood for T'Rats. The excitement was intense --the row deafening, and hats and umbrellas were flying about in all directions. Kicked off again, the leather was again taken possession of by the Rats, and, after some sharp tussling, Sandy Stewart headed the ball between the posts-No. 2 goal for T'Rats. The enthusiasm was unbounded.

The first quarter-of-an hour having elapsed, ends were changed, and the ball kicked off, when Billy Wright, by about as smart a piece of work as ever he did on the football field, "went for" J. Finlayson, dodged him, and, getting the ball at his feet, dribbled it well along the left wing, and with a beautiful low shot from an angle scored No. 3 goal for his side, Wilson not being able ,to grasp the ball. "Keep it up, T'Rats you can win easily," shouted some burly voice. This shout wakened up the Normans, who went at it for all they were worth, and quickly scored two goals, Sam Shelly potting the first greatly assisted by Dick Price, and C. Blake the second. Watches were plentiful at this stage of the game. "Four minutes more, lads Keep your eyes on the ball, Rats!"

That, however, was a most difficult thing to do, owing to the fast approaching darkness. Those four minutes seemed like half-an-hour. The Rats were equal to the occasion, and, when the welcome order of the referee to "cease firing" was given, the ball was well up in the Normans' territory.

Thus ended the hardest-fought and finest struggle that has ever eventuated for the Challenge Cup, resulting in the Rats winning it for the first time by 8 goals to 2.

Although beaten, the Normans have no cause be ashamed of their efforts. They, to a man, fought gallantly, and, at the termination of the play, the Normans, in the best manner possible, acknowledged that they were defeated on their merits. For the losing side H. Blake did yeoman service, as did also J. Fenton, the brothers Finlayson, the brothers Shelly, Train, C. Blake, and Wilson; while for T'Rats, I. Price, J. Muir, W. Wright, W. Lindsay, H. Stewart, A. Stewart, and Atterton were as good as "they make them."

The members of both teams were entertained at a well laid-out supper at Shaw's refreshment-rooms, and afterwards, elsewhere, at a social.

Bush Rats withdraw

The Bush Rats were to have met the Rosebanks next Saturday, but I hear and I am sorry to hear that the Bush Rats have "gone bung." They forfeited last Saturday to the Rangers, since which it is stated that they have withdrawn from the Brisbane union on account of not being able to get a team together. For the last few years the Bush Rats were the "life and soul" of the British association game, and I am sure all the readers of this column will regret to hear that they disbanded.

The Second Bush Rats win the junior premiership, all the badges and trophies played for under the auspices of the Brisbane British Football Association have come to West Moreton. This, indeed, is a position of which the West Moretonite's should feel immensely proud, and one that should give a great impetus to the British Association game in Ipswich and the mining districts during the next season

Junior Presentation

The fortnightly meeting of the Pride of Dinmore Lodge, No. 40, P.A.F.S.O.A., was held in the Baptist Church, Dinmore, on Tuesday night last, Br. J. Lowe, W.M., presiding. There was a good attendance of members. Sick-pay to the amount of 1£ Is. was passed for payment, and one member was declared on the sick funds.

One candidate was initiated into the Order by Bro. Pattison, P.M., and one candidate was proposed for membership. It was decided to ask Bro. Reid, D.D.G.M., to allow himself to be nominated for that position for meat term. The long-looked-for badges, which were won by the Second Bush Rats Football Club in connection with the junior competition of the Queensland British Football Association (Brisbane) for the season of 1896, have at last arrived, and were presented to the winners at a meeting held for the purpose at the Dinmore Club on Friday night last. Mr. W. J. Lynch, (president) was in the chair, and in an appropriate address congratulated the Bush rats on their success during the past season, and also presented the badges to the players (thirteen in number).

The badges are circular tin shape and of silver. On the obverse of each is inscribed "Q.B.F.A., Second Bush Bats," and on the reverse the name of the recipient. J. Routledge was also presented with the trophy promised by Mr. Lynch at the commencement of the season for the best all-round play, the recipient to be selected by the playing members of the club. Mr. Lynch said he was very pleased to hand over the trophy to Mr. Routledge, as he had received the unanimous vote of his club-mates. A vote of thanks to the Chairman concluded the meeting. The following players received badges:- Routledge (captain), E. H. and S. Skellern, E. and W. Hudson, T. Stewart, ; C. Gooch, H. Miller, W. Routledge, E. Shearer, W. Potts, and H. Pioch.

Charity Cup

Contrary to expectations, the Bush Rats are not able to muster a team to play the Rosebanks in the Charity Cup fixture tomorrow (Saturday). It was hoped that a strong team would be mustered for the remainder of the season after receiving a forfeit from the Rangers. The reason of this retrogression is quite plain to any right-seeing resident of Dinmore. Work is scarce here just now, and there is a lack of money, which is greatly in demand when a team has to travel to Brisbane or to any other place:

Several of the Bush Rats' most prominent players have left, or are leaving, the place, in search of employment. It is to be hoped that the dull times will soon leave us, so that we may be able to keep our footballers at home. It is also to be hoped that the next season will bring better luck to the fallen Rats, and my advice is to run only one team

Challenge Cup Final

Bush Rats 2 vs Rovers 1 (1st October)

The final match in the above competition was played, on Saturday last, in Nunn's paddock; Dinmore, and, considering the state of the weather, the attendance of spectators was very good. The Rovers were minus the services of S. Shelley, but all the same they made a stubborn fight for the cup. The following are the names of players in the respective teams:

Rovers: Goal, T. Morris; full-backs, T. Follet and A Hamilton (captain); half-backs, E. Woolley, T. Gillow, and W. Hamilton; forwards, G. Marsh, B. Tapp, J. Marsh, Woolley, and E. Boulton

Bush Rats: Goal, B. Ingham; Full back, J. Routledge (captain) and A Wilson; half-backs, J. Lucas, A. Stewart and S. Skellern; forwards, H. Skellern, H. Verrall, T. Stewart, Joe Jeffrey, and J. Skellern.

Punctually at 3.30 the teams were on the field Routledge won the toss and elected to kick with a strong wind in his favour. The ball was set in motion by the Rovers in a drizzling rain and it was evident that the players were in for a lively time, owing to the rain, mud, and strong gusty wind. The ball was soon in a very greasy state, and it was not until about half an hour from the start that the first goal was scored by the Rats, from a fine shot by A. Stewart, who secured the leather after it had been once returned by the goal-keeper (Morris) This livened the Rovers up a little, but they had little chance against the strong wind prevailing. Ingham was called upon to save, which he did in fine style, and the ball was brought to the Rovers' goal, where several corners were conceded to the Rats in possession, but nothing resulted. From a pass from the right wing across the goal mouth, H Skellern, by a strong shot, scored No. 2 goal for the Rats, amid loud cheering, the "barracking" at this period being deafening.

The Rovers got the ball near the Rats' goal, and looked like scoring, as several free kicks were allowed them near the goal, but nothing resulted. At half-time the scores were-Bush Rats, 2 goals; Rovers, nil In the second half, the wind had eased down a little, and the Rovers were very soon attacking the Rats' goal, but apparently, the assault was not to last long, as the Rats' defence at this stage was all that could be desired and the forwards kept the Rovers' defenders busy, but could not secure in fact, the Rovers found it necessary to put an extra full back on. This plan was successful in relieving the irregularity, and in their efforts to score the Rovers were awarded a free kick about a yard from the Rats' goal mouth. Tapp was successful in scoring goal No. 1 for Rovers with, a bit of tricky play.

The Rovers tried, hard to equalise matters, but when the whistle-sounded the scores were--'Bush Rats 2 goals, Rovers 1. The Rats are thus the winners of the Challenge Cup and badges for the 1898 season. It would be unfair to particularise the play of the teams owing to the greasy state of the ball and ground, but it is needless to say that the backs and goalkeepers of each team worked their hardest. Mr. J Fowles, of Brisbane, gave every satisfaction as referee, and the linesmen were Messrs. W. Potts and H. Besgrove The Charity Cup final is to be decided next Saturday on the same ground, the competing teams being the Rangers Rats.

Charity Cup Final

Bush Rats 3 vs Rangers 3 (8th October)

The final match for the Charity Cup was played in Nunn's paddock, Dinmore, between the Bush Rats and the Rangers, and resulted in a draw, both side scoring 3 goals each

There was a good attendance of spectators. The following are the names of the players

-Bush Rats: Goal, H. Ingham ; full-backs J. Routledge (captain) and A. Wilson; half-backs-E. Hawkins,

J. Lucas, and S. Skellern; forwards -H. Skellern, T. Stewart, Joe Jeffrey, A. Stewart, and Joe Skellern

Rangers: Goal, B. Dobbie; full-backs, J. Kitchen and W. Perrett (captain); half-backs--S. Dobbie, G. Seymour

J Kitchen; forwards-J Dobbie, W. Lindsay W. Denton, H. Besgrove, and D. Gledson

The referee was Mr. Jenkinson, and the line-umpires were Messrs. A. Rankine and A. Inglis. The Rangers' captain won the toss and decided to kick toward the river, a strong gusty wind blowing across the field. The Rats kicked off, and give-and-take play ensued when a corner was registered for the Rats, with no result. Kicked off again, the Rats' forwards gained possession, another corner resulting, off which T Stewart scored No. 1 goal for the Rats. A good rush by the Rangers resulted in a goal, but it was disallowed, Gledson having knocked it through with his hands. The ball then travelled up towards the Rangers' citadel, a corner being conceded the Rats, off which T. Stewart was again successful in kicking No. 2 goal for the Rats. The ball was kept well in the Rangers' quarters, several corners being allowed to the Rats, but nothing resulted. The ball was kept going up and down the field until half-time was called, the scores being-Bush Rats, 2 goals; Rangers, nil. On resuming, play was more even until a grand rush by the Rangers eventuated in J. Dobbie scoring No. 1 goal for the Rangers. Great excitement now prevailed, and splendid play was shown by both sides. A corner was granted to the Rangers, W. Denton thereby securing No. 2 goal. Give and take play was now the order of the day, several fouls being registered against both teams.

The ball was brought up to the Rats' goal-mouth, and, amidst a lot of bustling, W. Lindsay scored No. 3 goal for the Rangers. The "barracking" was deafening. Excellent play then took place in front of the Rangers' goal, where Joe Jeffrey scored No. 3 goal for the Rats, a minute and a half before time. When time was called the scores were 3 goals each. It was decided to play half-an-hour longer-a quarter of an hour each way-and during this period Joe Skellern shot at goal, the ball just rolling over the bar. Creditable expositions were being given by both sides when the whistle blew to change ends. In this quarter the Rats were never out of the Rangers' territory, but nothing resulted.

When the final whistle sounded, the match was still a draw, neither side having scored additional points. It would be unfair to particularise the play of the teams, as one and all worked their hardest to win.

Challenge Cup Final

Bush Rats 3 vs Blackstone Rovers 1 (19th August)

The above teams (says our Dinmore correspondent) met on the Rats' ground, at Dinmore, on Saturday last in the final match for the Brisbane Challenge Cup. As was anticipated, both teams were strongly represented, as also were the "barrackers." There was a good numbers of spectators, who evinced great interest in the contest. J Routledge skippered the Rats, and Andy Hamilton discharged a similar duty for the Rovers. The Rats won the toss, and decided to play with the wind slightly in their favour.

The game, in the first half, was very even (and the barracking strong), the goalkeepers being called upon very frequently to save, which they did in good style. The defence of both teams was all that could be desired, and shortly before half-time the Rats managed to score a goal, which was the result of a combined rush of the forwards, H Skellern putting the ball through the goal. In the second half the Rats set to work, and were not slow in potting another goal, which was the result of a good shot from J Dobbie .

The Rovers then put in some good work, but the Rats' defence was "all there," and the ball was transferred to the Rovers' goal. Several corners were conceded to the Rats, though no goals resulted but the Rats eventually scored another goal from a capital shot across the Rovers goal by H Skellern, which was helped through by J. Dobbie. The Rats' supporters were jubilant, and this had the effect of waking the Rovers up a bit, as they played a much better game for the rest of the time, and succeeded in scoring a goal, which was a splendid shot by E. Bolton.

The Rovers had the best of the play until time was called, but did not score again, and when the whistle was sounded the scores were - Rats, 3; Rovers, 1 goal. Of course, the Rats were elated over their success, and they were loudly cheered at the conclusion of the game. This is the third season that they have won the cup - twice in succession.

The winners had the assistance of their old club mate (W.Wright), who played a good game in his accustomed position as centre forward. The full backs, J. Kitchen and Routledge, did well, as also did the rest of the team. For the losers, Sam Shelley, A. Hamilton, Bolton, Marsh, and Morris were the pick. Mr. W. Dobbie was the referee, and gave every satisfaction while Messrs. A. Stewart and J. Jones were the linesmen. A collection (in aid of the funds of the association) was taken up, and the appeal met with a liberal response.

Charity Cup Final

Bush Rats 3 vs Blackstone Rovers 1 (14th October)

The match between the Rangers and the Bush Rats for Mr. Kelly's badges was played at Booval under the auspices of the Ipswich and West Moreton British Football Association. There was a fair gathering of spectators.

The game resulted in a victory for the Bush Rats by 3 goals to 1.

The day was nice and cool for football. Both teams were represented by their best players, as the team that won on this occasion would have the honour of winning the badges. The teams were as follows:--

Rangers: In goal, W. Lindsay; full backs, J. Kitchen and W. Perrett; halfbacks--A. Dobbie, S. Sparks, and G. Seymour; forwards-J. Dobbie, H. Besgrove, A. Dobbie, W. Denton, and D. Gledson

. Bush Rats: In goal, H. Ingham; fullbacks, J. Routledge and A. Wilson; halfbacks- W. Ports, E. Hawkins, and J. Lucas; forwards-J. Skellern, S. Skellern, A. Stewart, H. Verrall, and H. Skellern

. The Rangers' skipper won the toss, and decided to kick into the goal near the road. A. Stewart kicked off, and some give-and-take play took place in midfield for a considerable time. From a throw-in, Sparks got possession of the ball and with a good kick sent it well towards the Bush Rats' goal.

The Rangers' forwards following up creditably, J. Dobbie secured the leather and placed it between the posts amidst great cheering from the Rangers' followers. Kicked off again, the game was very fast, both teams showing good combination. The Rats' forwards then came on with a great rush, and after some splendid passing A. Stewart scored first goal for the Rats. Kicked off, the Rats forced the play the half-backs and forwards doing some good work, which was the means of A. Stewart placing the second goal to the credit of the Rats amidst great excitement.

The Rats continued to force the game, and after some good passing by the Rats' forwards H. Skellern scored third goal for the Rats. Soon after this halftime was called. On resuming A. Dobbie kicked off, and some very even play took place. J. Dobbie and Besgrove then broke away with a rush, and looked very much like scoring, but Ingham gained possession of the ball, and with a good punt relieved his goal.

Some good play ensued, each side doing their best to score, but, owing to the splendid defence of both teams, no more goals were added to the score.

The game all through the second half was very fast. When time was called the score stood--Rats, 3 goals; Rangers, 1. The great feature of the game was the friendly spirit in which it was played. Mr. A. Hamilton, at the request of both clubs, acted as referee, and gave general satisfaction. The Rats all played a good game. For the Rangers the most noticeable were Lindsay, J. Dobbie, Sparks, and Besgrove.

Premiership decider

Bush Rats 3 Blackstone Rovers nil (22 September)

The final match for the premiership and the badges of the Ipswich and West Moreton British Association took place on the Rangers' ground, Bundamba, and attracted a large crowd of spectators.

The following are the names of the teams :

Rovers: In goal, T. Morris; full backs, A. Hamilton and F. Woolley; half backs--J. Gambling, J. Johns, and I. Tuoker; forwards G. Marsh, J. Marsh, G. Tapp R. Tapp, and W. Hamilton,

Rats: In goal, H. Ingham; full backs, E. Shearer and A. Wilson; half backs - W. Potts, E. Hawkins, and J. Young forwards--H. Skellern, H. Verrall, H. Hood, A. Stewart, and S. Skellern.

The referee was Mr. W. Lindsay, while the "wielders of the flags" on the respective lines were Messrs. J. Muoklow and W. Dawes

Winning the toss, T'Rats kicked off with the sun at their backs a great advantage, as during the first half T'Rovers' sterling goal-keeper (T. Morris) was considerably handicapped by the sun being full in his eyes. All the same, splendid all-round play ensued, interspersed with some brilliant expositions of passing, and the enthusiasm of the spectators was quickly worked up to the highest pitch,

A free kick to the Rats resulted in a "corner" being obtained by them; but nothing was gained, except that, while the ball was in a dangerous position for the Blackstone citadel, a "free" was awarded to the Rovers by Mr. Lindsay, a decision that met almost unanimous applause. The sphere was, however, quickly re. turned to the Rovers' territory, and H. Verrall dropped a beautiful goal from the centre, amidst deafening acclamation, and cries of "All the way, T'Rats " The Rovers' blood was " ris," and from this period up to No. 2 goal scored from by E. Hawkins being obtained by the Rats, there was seen one of the keenest fought out " British" football battles that have been witnessed in this district a magnificent open game and the pace began to tell on the Blackstone reps. Indeed, it was during this stage that Tom Morris (Rovers goal-keeper) performed like a veritable Trojan to keep the ball from entering the Blackstone citadel--he relieved gallantly time after time, but the leather was just as quickly back again on him, until at length F. Woolley came to his assistance and sent the sphere out of danger--for a little while only, for T'Rats made another bold charge for the Rovers' goal--where Hawkins succeeded, as stated above, in potting the ball through. (see over)

Kicked off, the Rovers got possession and made several determined efforts to score-in short, the musical George Tapp, from the centre, all but "tapped" first blood for the Rovers, the ball falling just over the bar

At the call of half-time, the score stood-Rats, 2 goals; Rovers, nil. After a supply of oranges had disappeared, .the battling operations were resumed, and had not long been under way before a mighty roar arose from hundreds of throats, T.Young scoring No.3 goal a regular "daisy-cutter"for the Rats, and the noise in consequence was deafening.

From this out, although the Rovers played a good defensive game, their attack was weak--lacked combination; while H. Ingham's care of the Rats' citadel was superb all through. The game resulted in a decided victory for the Rats by 3 goals to nil.

Challenge Cup Final

Bush Rats 5 vs Blackstone Rovers 2 (6th October)

The final contest for the Challenge Cup, played at Bundamba, between the Bush Rats and the Rovers, resulted in a win for the Rats by 5 goals to 2. It had been anticipated the the final would have been decided on the previous Saturday, but the contest, even though the time was extended for 10 minutes, resolved in a draw. Since then the personnel of the teams was slightly changed.

There was a numerous attendance of spectators, and excitement ran high. The Rats took advantage of the wind in the first half, but I nevertheless the Rovers were the first to score, through the agency of J. Marsh. They did not long maintain the lead, however, for E. Hawkins added a goal on behalf of the Rats, and soon afterwards S. Skellern did likewise.

In the second half each side got another goal, thus leaving the Bush Rats, when time was called, with a lead of 5 goals to 2

Presentation of the Premiership badges (29th January 1901)

Presentation of the premiership badge for last season's British Association football took place on Tuesday night, at Mr. John White's Prince Alfred Hotel, Booval.

The medals which are of silver, and nicely designed, are each engraved with the name of the recipient, and were obtained from the establishment of Mr. D. Goldstine, jeweller, on whom the workmanship reflects much credit. Mr. E. G. Morgan, president of the association, made the presentations, and heartily congratulated the Bush Rats Football Club on the success of its first and second teams in winning the premierships respectively of the Senior and Junior divisions.

He also had a word of encouragement for the losing clubs, and said that the Blackstone Rovers, by their splendid display in the final matches, deserved better luck than had attended them. He hoped that they would not be disheartened by the result, but rather spurred on to fresh efforts, and stated that, if either the Rangers or Rovers succeeded in annexing the premiership this year, the win would be a most popular one. The Bush Rats, in addition to winning the premierships, are also holders of the Queensland British Football Association's Challenge and Charity Cups, the first mentioned of these cups having been won by the senior team during the seasons of 1898, 1899, and 1900.

The junior team exhibited capital form in their fixtures last year and their appearance in the senior division during the coming season is looked forward to with much interest by the supporters of this truly "British" form of football.

Ipswich Challenge Cup Final (46)

Bush Rats 4 vs Rangers 1 (17th August)

The final badge match between the above named slobs, which took place on the Whitwood ground, attracted a large attendance of spectators, including a great number of the fair sex (writs "Old Spore"). The following are the names of the teams:

Bush Rats : In goal, H Piooh, backs, A. Wilson and Rouitledge; half-basks-T. Young, E Hawkins, and Shearer; forwards-right wing, S Sbellern and I. Tedman; csntres, A. Campbell; left wing, H. and J. Skellern.

Rangers: In goal, G. Tite? backs. W. Perrett and J. Kitching; half backs-G. Seymour, A. Hamilton and Alex Dobbie forwards -right wing, J. Dobbie and H. Besgrove; centre W. M'Crae; left wing. Aroh. Dobbie and G Marsh.

The refereeing, was entrusted to Mr. W. Lindsey, whose handling of the whistle gave satisfaction. The line umpires were Messrs B. Dobbie and O Coleman. Both teams were in fine form and as soon as the ball was put in motion each side set to work with great vim, encouraged as they were, by the merry voices of their respective barrackers.

T'Rats quickly, drove the Rangers back to their citadel, where a "corner" was obtained to the credit of the Rats. Joe Skellern took the kick, landing the sphere fair on the head of a Ranger (W. Perrett), who put the ball right into goal thus unfortunately scoring 'First blood" for the Rats. Kicked off, the ball was again returned to the Rangers' territory, in which some excellent all round play was witnessed, eventually ending in No. 2 goal being obtained by S Skellern to the credit of T'Rats.

The Rangers then rallied up, and for a time the battling took place in the Rats territory, where gives-and-take play resulted in W. McRae getting a goal for the Rangers, amidst a perfect bedlam of lung music. From this cut until the half time whistle was blown the battling was of a most stubborn character, but no alteration was made in the scores, which were-Rats, 2 goals; Rangers, 1. " Lemon oh l"

On resumption of hostilities ends were changed, and T'Rats and Rangers went at it in a most spirited manner, the last-named warriors being in close range of scoring; in short T'Rats' citadel was subjected to several fierce bombardments, but Pioch was "at home" and saved the position

. The heavy work began to tell on the Rangers, who, owing to the "wounding" of several of their men, were compelled to retire within their own fighting line. T'Rats succeeded in obtaining two more goals (thanks to the efforts of H. and J. Skellern), and when time was called the Rats had vanquished the Rangers by 4 goals to 1, thus securing the premiership (with badges) of West Moreton.

Challenge Cup Final

Bush Rats 2 vs Combined Juniors 1 (12th October)

The final match in connection with the competition for the Queensland British Association's Challenge Cup took place on Saturday at Booval between the Bush Rats and Combined Juniors.

The juniors elected to defend the Brisbane Road goal, having the advantage of a slight breeze.

From the kick-off both teams played up with great determination, the juniors displaying excellent form against their more experienced opponents. After about 20 minutes' play the Rats succeeded in putting the ball through from a scrimmage in front of the juniors' goal. Nothing daunted, the latter redoubled their effort, and were at length rewarded with a goal from a long shot by Walter Yates.

The second spell started with both sides being equal, one goal each. The play was quite as spirited as in the opening half, but gradually the Rats asserted their supremacy and again scored, the game ending in a win for the seniors by two goals to one. Mr. G. Hardie made a most impartial referee. Where all played so well, it would be invidious to make distinctions, but the juniors deserve a special word of commendation for their plucky and clever exposition. This match terminated a most successful season, and the Association is to be congratulated on having aroused and maintained a hearty interest in this fine form of sport.

Premiership Final match

Bush Rats 2 vs Rangers nil (20th September)

Sr. Helens ground, Whitwood, presented a most animated appearance last Saturday afternoon (writes "Old Sport"), when there was a large attendance, including a good sprinkling of the fair sex, who evinced great interest in the "rubber" contest between those West Moreton champion exponents of the Anglo Saxon game namely, T'Rats and T'Rangers.

At several stages if tie play "Bedlam" seemed to be let loose, the attacking being of the wildest description. Both teams had plenty of supporters, and the match was splendidly contested throughout, at times the play being of a most brilliant nature. A. Wilson captained the Bush Rats, while J. Kitchin skippered the Rangers.

The following are the names of the respective team

: Bush Rats--In goal, E. Verrall; backs, J. Routledge and A. Wilson; half-backs T. Young, E. Hawkins, and W. Potts; forwards-- Lucas, S. Skellern, H. Verrall, A. Campbell, H. Skellern

. Rangers In goal, A. Denton ; backs, J. Kitchin and O. Watkins: half-backs-F. Vassella, H. Bird, and H. Besgrove ; forwards-J. Dobbie, A. Dobbie, J. Bullock, I. Bullock, and J. R. Tapp.

A little difficulty arose through the appointed referee not being present owing to a prior engagement, and after several solicitations both captains agreed to Mr. G. Furlong, a stranger to the members of both clubs, acting as referee, and he is to be commended for the manner in which he wielded the whistle throughout the match. Messrs. W. Lindsay and O. Coleman were the line-umpires.

The Rangers won the toss, and elected to kick up the hill. No sooner was the ball put in motion than the excitement commenced--full-hearted excitement it was, too, and some of the spectators appeared to go frantic at times, hats flying about in all directions. Hands, too, were waved about, irrespective of whose face they bumped against, and this led to fisticuffs straight away, one smart combat, which took place on the public road outside of the football ground, lasting for some time, much "claret" being in evidence?.

It was apparent that both the Rangers and the Rats had carefully trained for the battle, and veteran lovers of the "British" game rubbed shoulders in great glee, remarking, "There's going to be a ding-dung go, eh?" The Bundamba reps. put in some excellent work, and soon worked the leather into Dinmore territory (the home of the renowned Bush Rats), a "corner" resulting, but the kick for the goal-mouth was wide of the "spot." T'Rats rallied, and by a series of grand passing tactics invaded the Bundamba territory. For a time the Rangers' citadel seemed in imminent danger--once, indeed, the sphere went so close to the outside post that a wild roar of delight was raised for "Rats ; but it was a false alarm.

(over page)

No goal T Rats then for a while kept up a fierce bombardment of their opponents' headquarters, and the Rangers were working like veritable Trojans in repulsing tile vigorous attacks. "Go on, Rats !" urged the multitude of spectators, while the other lot shouted "Come on, Rangers !" there was a good number of Ipswichite's present **(over page)** And the dark blue clad warriors responded to their barrackers' call most nobly.

They came along with a great dash, and, after some pretty work, the Rangers crossed the boundary-line, and succeeded in gutting is close proximity to the Rats' citadel, a "corner" to the Rangers being the outcome. The kick at goal was a failure, and then followed some lovely football, for a little while the T Rats seeming to be mesmerised.

The Rangers certainly had their opponents at their mercy, but, try how they would, they failed to find the direction of the goal-mouth. Play slackened a bit in vigour, and then the Rats again entered the Rangers' territory, but the whistle sounded half-time, the result being nil, neither side having scored. The second-half was responsible for perhaps, the best display of spirited football that has been witnessed in West Moreton for many years. The Rangers infused great vim into their work at the resumption of play, and quickly had the Rats on the defensive.

A couple of very narrow saves occurred, and T Rats were battling with tremendous rigour. Every fine bit of play was greeted with hearty acclamation and boisterous cheering. Getting al opening, T Rats made a splendid onslaught across the dividing-line, and it was while in their opponents' territory that some of the most brilliant skirmishing that it has been my lot for some time to witness took place.

Not a man on either side was loafing. Each man did his level best. The play was fast, furious, and, at periods, lovely ; and when, at last, H. Verrall, from a neat pass from H. Skellern, just opposite the Rangers' citadel, put the ball between the posts and under the bar, the uproar defied description. No. 1 goal for the Rats. "Get at it again, Rangers-quick. Give them no time," shouted a hoarsely-lunged barracker.

The Rats, having "' tasted blood," as it were, were soon on the ball like tigers, and, despite the workmen like efforts of the Rangers, the combined passing of the Rats again resulted in success, No. 2 goal having been scored by A. Campbell from a pass by Syd. Skellern. For some time the Rats bombarded the Rangers' headquarters, and, although they went very close twice to "pottin' goals-once A. Campbell, by a we B-directed kick, placed the ball right on the Rangers' goalkeeper's foot-their luck was not in. Pretty bouts took place in the Rangers' territory, to be fiercely repulsed, terminating in the Rangers forcing the Rats back " homewards," and more beautiful play now took place in the Rats' territory, their citadel being in jeopardy on two or three occasions, and when "time" was called the Rangers were actively bombarding theirs opponents' headquarters, the game resulting in a will for tire Rats by 2 goals to nil.

Prominent among the victors were H. and S. Skellern, A. Wilson, T. Young, A. Campbell, J. Routledge, W. Potts, and E. Hawkins; while for the losers F. Vassella, James Dobbie, H Bird, H. Besgrove, J. Bullock, A. Dobbie, and J. Kitchin were "up to their necks" in the thick of the fray, which was well worth travelling a long way to see, and, by the way, there was a good number of Ipswichite's present.

Queensland British Football Association player grievance

1903 An old football photograph, undated and without a single name, has been the means of recalling an incident which took place in local Soccer just 50 years ago. It is a photograph of a West Moreton Soccer team which played Brisbane at the Woolloongabba cricket ground on July 18, 1903. and is the property of a member of the team, Oliver Watkins, of Bundamba.*

The 50-years-old relic was brought to the "Queensland Times" office by Ernie - "Dad") Verrall, of Dinmore, who also played for West Moreton. He and Oliver were able to name each person on the photograph; with one exception, but they were unable to recall the date on which it was taken. According to our files the game was played in 1903, and was won by Brisbane by 3 goal to 2. a report of the match at that time, "Old Sport" said that three Bush Rats players - A. 'Wilson, W. Dawes. and T Young- had declined to don the Guernseys owing, it was alleged, to some grievance against the Queensland British Football Association.

Two other Ipswich players, Marsh and W. Follett had missed the train, with the result that West Moreton was a man short. C. Shelley who was on the ground, had offered to fill the vacancy and had played

A particularly good game for the visitors,. " Old -Sport" had this to say about the incident. 'I cannot understand the attitude of the Bush Rats contingent at a time when every player of the British Rules should do his utmost to advance the game, especially considering the fact that Bush Rats have hitherto been so prominent in keeping the Anglo-Saxon game alive during the last four or five years'.

Those appearing on the photograph, which has the totalisator as a background are: Hurst (linesman) Ernie Verrall, John Ross (linesman), Joe Kitching, C. Shelley, G. Furlong (referee), Tom Barker "Old Sport"), George Jackson, Jim Williams, T. Gillow, Oliver Watkins, Alf Perrett, Wal. Yates, Abe. Tibbetts, Bill Wright (captain), A. QBFA Final

Bush Rats 1 vs Royals nil (3rd October)

These teams met on Saturday in the final match of the Q.B.F.A Senior Competition on the Reliance ground at Dinmore, before a large number of spectators. The following were the respective teams -

Royals: Harrison, Kitching, Watkins Dobbie, Follett, Vassell, Johns, Wright, Shelly, Hamilton, and Marsh

Bush Rats: E. Verrall, Wilson, Routledge, Campbell Potts, Hawkins, Tedman S Skellern, H Skellern, H Verrall, and Young. Wright won the toss from Wilson and decided to kick uphill, having the sun somewhat in their favour. Rats, kicked off and play at once became very fast. Rats looked dangerous but nothing came of the attack. Royals then had a look in, and some good play was shown on both sides, the backs playing a good game. Royals at times showed good combination but failed at the critical moment.

Bush Rats front rank were playing a good game, but Kitching and Watkins broke up the combination time after time. A corner to Rats looked bad for Royals, but the latter cleared. From this out a ding-dong game was witnessed, both teams seeming pleased when the whistle went for half-time, when neither had scored.

The second half was a repetition of the first, there being nothing much to choose between either team. Big kicking at times by both teams spoiled good chances. - 'Rats had slightly the better of It, and Royals' goalkeeper was called upon to save often.

In about twenty-five minutes' play perhaps the only mistake made by Royals' back gave the Rats an opening, which they were not slow In taking advantage of, and Tedman scored with a good shot-Rats, 1 ; Royals, nil. 'From the kick-off Rats worked well, and Royals' goalkeeper had again to save. Royals transferred, and gave Verrall something to do, which he did well. Royals still pressed, and a couple of corners resulted, but 'Rats cleared on both occasions.

Good play by Rats' forwards made things look bad for Royals, whoso goalkeeper only just cleared. From this out Royals tried hard to equalise, but their shooting was bad, and Rats again had them in trouble, and the whistle went with the ball In Royals' goal! Rats winning by 1 to nil. This win entitles them to hold the cup. Mr. J Logan gave every satisfaction as referee.

Medal presentation

A concert and dance under the auspices of the Bush Rats Football Club was (writes our correspondent) held in the State school, Dinmore, on Thursday night last and was a very successful and enjoyable affair.

A strong committee (with Mr. J. Tedman Junior as Secretary) had worked hard to ensure a good nights entertainment and felt highly gratified on seeing such a large audience present, the building being crowded. Mr. W. J. Lynch (president of the club) presided and the musical part of the programme was opened with an overture on the piano by Misses Danaher and Moriarty, which was followed by songs, rendered in good style by Misses Murphy, Moriarty, S. Jones, and M McDermott, and by Messrs. S. Skellern, J. Hinch; E. Smith and the favourite comic singer Mr. G. Tapp. Each of the numbers was appreciated, judging by the applause which followed.

The first part was brought to a close by selections on the phonograph, which was manipulated by Mr. P. Jahn (of Booval) and, needless to state, the various records were listened to with pleasure. Indeed they proved to be one of the best items on the programme.

During the interval the president explained that the object of the concert was to celebrate the victory of the Bush Rats Football Club, they having again won the premiership in the senior division of the Ipswich and West Moreton British Football Association, and to afford an opportunity to distribute the medals to the players. He then complimented the Bush Rats on their success, and said he hoped they would still be at the top of the tree in the coming seasons.

Handsome silver medals were next presented to the following players: E. Verrall, A. Wilson (captain), J. Routledge, E. Hawkins, J. Campbell, W. Potts, H. Skellern, H. Verrall, T. Young, W. Dawes, S. Skellern, F. Jordan, J. Tedman, and H. Jones.

The club have gone through the season with the services of 14 players, each of whom received a medal, 11 of which were provided by the association and the remainder by the club.

The second part of the programme consisted of songs by the vocalists who assisted in the first part, supplemented by Mr. Smith of Dinmore, and Messrs. G. & F. Tapp, who appeared in a comic duet, and were encored. Selections by Mr. Jahn on his phonograph brought a very enjoyable concert to a close. Dancing was then indulged in for a couple of hours with Mr. S. Skellern as M.C., music being provided by Messrs A. Auld (violin) and E. Skellern (piano). The accompaniments during the concert were played by Misses. Danaher, Moriarty and Kennedy.

Bush Rats 1 vs Blackstone Rovers B 3 (10th September)

The final match for the Challenge Cup was played on the Woolloongabba Cricket ground, South Brisbane, and resulted in a victory for the Blackstone Rovers by 3 goals to 1. A pipers' band was present during the afternoon, and at intervals played selections

The following are the names of the teams :

Rovers B - In goal, A. Harrison; backs - G. Law and W. L. Williams (captain) halfbacks — G. Jackson, T. Follett, and J. Gambling; forwards - G. Taylor, J. Williams, W. Wright, R. Tapp, and W. Halls.

Bush Rats - In goal, H. Gilson, fullbacks - A. Tedman and A. Wilson ; half-backs — W. Dawes, W. Potter, and A. Jeffrey; forwards- J. Jordan, A. Verrall, A. Campbell, T. Young and T. Tedman. Mr. J. Logan had charge of the whistle, and Messrs. G. Shelley and R. Alexander did duty on the lines.

The Rovers won the toss and kicked from the Stanley Street end. The ball had not been many minutes in play when G. Taylor kicked a beautiful goal for the Rovers, thus scoring first blood for Blackstone. Taylor was at the same time disabled by one of his own side. Both men saw a chance of getting a goal, and the two of them went for the ball - with the result that the second player kicked Taylor on the ankle and he had to be removed from the ground, the Rovers from that out being a man short in the field. Directly after this accident the Rovers again pressed the Rats right up to their goal-mouth, and in the midst of close and exciting work W. Wright kicked No. 2 goal for the Rovers. In play, again the Rats made several desperate attempts to equalise matters, but goalkeeper Harrison proved to be the right man in the right place.

Then the Rovers rushed the ball into the Rats' territory, where, after some attractive footwork by W. Wright, Hall received the leather, and he succeeded in potting No. 3 goal for the Rovers. From this until half-time the Rats played a rattling good game, several corners having been conceded them by the Rovers, but they had left their luck at Dinmore.

The play all round was first-class, and the individual expositions of several of the players called forth frequent applause. At half-time time the scores were - Rovers, 3 goals; Rats, nil. The second half was very stubbornly contested and A. Campbell, after some pretty play on the part of the Rats, got a chance, and he scored the No. 1 goal for the Dinmore representatives. For the remainder of the game, the Rats made repeated attempts to score but the Rovers' defence was too solid and when "time" was called the result was — Rovers - 3 goals: Rats - 1 goal. The Rovers B are to be complimented on their victory; as it is the first time a Blackstone team has won the Challenge Cup.

Challenge Cup Final (16th September)

Dinmore 1 vs Montes nil

The final match for the premiership under the auspices of the West Moreton British Football Association took place, between the above-named teams, at Dinmore, on what is known as the Reliance ground. There was an attendance of over 500. spectators, including quite a large gathering of the gentler sex. Not fewer than four omnibuses were requisitioned to bring the visiting team of footballers and their friends from Blackstone and Silkstone, and more than the usual amount of interest was evinced in the result of the afternoon's game, which terminated in favour of the Dinmoreites by a goal to nil. At times the excitement ran very high, and at one period of the play, during the second half, what promised to be a somewhat disorderly scene was prevented by the prompt actions of Mounted-Constable M. Harvey (of Blackstone) and W. E. Corney (of Ipswich), both of whom were present on duty. Blows were struck, and a large crowd gathered round the parties who had come into conflict, but, as stated above, the "men in black" were quickly "to the front," and prevented any further fighting, and in this respect the thanks of the Dinmore community are due to the policemen named. The cause of the trouble was, it is alleged, a decision given by the referee (E. Skellern), which was received with "boo-boos" by many of the spectators, it having been against the Montes. The following are the names of the respective teams

Dinmore A. Goal, W. Lucas; backs, G. Tedman and A. Wilson; halfbacks, E. Hawkins, T. Hudson, V. Bognuda; forwards-J. Tedman, M. Randolph, T. Young, A. Verrall (captain) and J. Jackson

Montes (Silkstone) In goal, W. Follett; backs, C. Marsh and J. Follett; half-backs, W. Edward, W. Penman and E. Follett; forwards--A. Shelton, T. Morgan, T. Molloy, W. Burren and J. Molloy. The referee was Mr. E. Skellern, and the linesmen were J. Edward (Silkstone) and H. Verrall (Dinmore)

The Montes, colours were black guernseys and white knickerbockers, while the Dinmoreites were all white.

The Montes kicked uphill, and immediately the ball was put in motion the "barracking commenced." The first half was responsible for some excellent exhibitions of the British Rules but the wind spoilt splendid chances of scoring on both sides notwithstanding which however the determination of individual player on either side elicited frequent promise.

The Dinmoreites after a series of vigorous attacks on the Montes were successful in scoring "first blood," T. Tedman potting a beautiful goal-the only goal obtained during the afternoon.

25th August *Queensland Times, Ipswich Herald and General Advertiser (56)*

The "British navy" (as represented by the footballers from the Prometheus) suffered a reverse, last Saturday, at Dinmore, at the hands of the Dinmoreites, at the British Association game of football. But the Dinmoreites had not been in possession of the laurels thus gained many days when the "handy men" of the H.M.S. Torch expressed a desire to uphold the honour of the navy, and the match will eventuate this afternoon on the Reliance ground, Dinmore, when a first-class exposition is anticipated.

HMS Prometheus was a Pelorus class protected cruiser of the Royal Navy

Dinmore 6 vs HMS Torch 3

The Dinmore "soccer", footballers are naturally very jubilant at having counted for two sections of the "British Navy" (as represented by the HMS Prometheus and Torch) in succession, the Prometheus having been vanquished by 4 goals to 1, while the Torch representatives were defeated by 6 goals to 3. The Torch team arrived at Dinmore by the 3.30p.m. train, and no time was lost in getting to the Reliance convincing ground, where there was a fairly large crowd of spectators awaiting their arrival. Among the "Jacktars" was a former Dinmore lad - one H. Younger (better known by his stepfather's name, Gilson), who shipped on board the training ship H.M.S. Mildura, some two years or so ago, and he has since developed into a hardy son of Neptune. All were evidently pleased to see him again. The following are the names of the teams:

HMS Torch — In goal - J Howe; backs - C Allen (captain) and H.Younger; half-backs - J. Fulton, A Govan, and W. Phillips; forwards - J. McAllister, E. Jackson, S. Dowson, J. M'Ginn and R. Herbert

Dinmore - In goal - E.Verrall (captain); backs - A. Tedman, and T.Young; half-backs - H. Brittain, V. Bognuda, and R. Jeffrey; forwards — M. Randolph, J. Jordan, H.Verrall, G. Burns and J, Tedman. Referee - Mr.W. McCrea; linesmen Messrs F. Murphy and H. R. Webb.

It may be here stated that the services of A. Govern and J. McAllister, of the Wellington Club (Brisbane), were enlisted, owing to a difficulty experienced by the Torch men in getting a full team to visit Dinmore. Both substitutes gave first-class expositions of the "soccer" game, especially Govern, who proved to be a very tricky centre player. From the kick-of give-and take play ensued for a time, during which were several neat and stirring bouts between both sides, Govern giving an early exhibition of his ability as a centre halfback. Then the Dinmoreites got an opening on their left wing, and worked the sphere well down towards the headquarters of the "British Navy" but the "coxwain of the life-boat crew (J. Howe) was at home, and returned the ball in regular John Bull style. Nevertheless the Dinmoreite's had the leather again travelling in HMS Torch's territory, when G. Burns made a long shot from the right wing for goal, the sphere just going over the bar. "Lower gun-sight, lad!" yelled one of the naval men, amidst hearty laughter. The ball set in motion again, the "Navy" set sail for the capital of Dinmore, and were steadily advancing by a pretty series of combination work towards the goal, when the Dinmoreite's rallied and met the attack in grand style, H.Verrall (in the centre) doing yeoman work. The ball was returned towards the naval centre, and after some very exciting encounters, in which Jordan and Randolph were performing splendidly and getting on a magnificent forward movement first blood was ultimately drawn by Garnet Burns, who succeeded in registering a beautiful goal. In play again the ball was soon travelling in naval territory, and, despite the excellent work of Captain C. Allan, Futon, Govern and McAllister, the Dinmoreites again advanced strongly with the result that T. Tedman potted goal No. 2 against the "Handy men of the British Navy"

"The sphere in motion again, the naval representatives made things warm for a while, and the scene of battling was "all over the ship" as it were, Govern, Dowson, Fulton, Younger, McGinn, McAllister and Allen being' very prominent in the fighting line. Success at last rewarded the efforts of the merry sons of Neptune, M'Allister scoring a neat goal just before the half-time whistle sounded The scores were-Dinmore, 2 goals; Torch, 1 goal. On the resumption of the game the Dinmoreites attacked the Torch's citadel in a most stubborn manner, and some interesting play a corner resulted in favour of Dinmore. J. Jordan was entrusted with the kick, and with a beautiful shot, he secured No. 3 goal to the credit of Dinmore. (see over)

From this out for a time the local players kept the ball continually in their opponents' territory, and J. Tedman, who was in fine form, quickly registered two other goals. This was followed by some give-and-take play, during which the naval men rallied somewhat, but in the midst of splendid work in the vicinity of the Torch's goal G. Burns broke away and potted No. 6 goal for Dinmore. "Now boys, brighten up," yelled the skipper, and with a stirring piece of foot-work on the part of Govern the scene of battling was transferred to Dinmore territory. Here Fulton also did some grand dribbling, and altogether, "navy" executed a grand frontal attack, resulting in Fulton potting a beautiful goal No. 2 for HMS Torch. The "blood of the British Navy was now rix," and they often fiercely attacked the head-quarters of Dinmore, only to be finely repulsed by Captain Verrall in goal; but quickly returning to the attack sailor J. McGinn potted No. 3 goal amidst great cheering. The full-time whistle was sounded shortly after this, when the final scores were: Dinmore, 6 goals; Torch, 3 goals. The visiting team was entertained in the evening to a first-class dinner prepared by Mr. C. McCosh, who spared no pains to make both guests and hosts "feel at home. Mr. E. Skellern occupied the chair, and at the sound of his whistle all promptly got "on side", and a vigorous struggle prevailed until he again sounded "off-side", the naval representatives thoroughly enjoying this encounter. The toast of "The King" having been honoured, the Chairman proposed the toast of "The Visiting Team". He said that they were exceedingly pleased to have the representatives of HMS Torch among them that evening and that he hoped that they would enjoy their visit to Dinmore. That evening's function reminded him of the "good old times" of a few years ago, when they entertained teams from Brisbane, only a short distance from where they were that night. The toast was then drunk with musical honours. In the absence of the captain of the Torch's team, (Mr. C. Allen who had to leave by an early train on urgent business) Mr J. McAllister was deputed to reply. In thanking the Dinmoreites for their hearty and splendid reception, he said that he hoped that the match played that afternoon was simply the beginning of similar meetings between the clubs of Brisbane and West Moreton, as such contests assisted towards the advance of association football in Queensland.

He then proposed a toast "The Dinmore Club", which was briefly acknowledged by captain E. Verrall. That of the referee was the next toast proposed, and Mr. W. McCrae responded in suitable terms. This was followed by the toast of "The Press", proposed by Mr. H. R. Webb and responded to by the representatives of "The Queensland Times". The health of the caterer was then drunk and Mr Cosh replied, thanking them for the kind allusions made to his efforts. He was only too pleased to do his best. The singing of "Auld Lang Syne" terminated an excellent evening's reunion, during which songs were sung by Messrs. E. Skellern, E. Dowson (two), W. McCrea, J. McAllister and J. Howe (two), the last-named rendering "I'm coxswain of the lifeboat crew" in a manner that quite enraptured the listeners.

HMS Torch was an Alert class sloop of the Royal launched in 1894 . She served in Australia and New Zealand

Jacky (Quilp) Lynch

Jacky Lynch is the well-known aboriginal who lived at Dinmore many years ago under the name of Quilp (writes our Bundamba correspondent). Quilp was at one time a keen footballer, and I think he played in some of the minor football matches with the Dinmore Bush Rats Club. Quilp was formerly employed by the late Mr. Asburn, a well-known butcher of Ipswich, and whose home was at Riverview, where the Salvation Army Boys' Training Farm is now situated. Quilp was brought down from out West when a little boy by the late Mr. Asburn and lived for many years with him. After Mr. Asburn's death and the removal of the Asburn family from Riverview,

Quilp went to live at Dinmore and worked at various callings in the district for a number of years. Finally, some years ago, the police, acting under instructions from the Home Secretary's Department removed Quilp to the aboriginal settlement at Barambah.

About eight or 15 years ago Quilp went to Tweed Heads. and he still lives at the blacks settlement on the Tweed River. Only last Christmas holidays the writer was talking with Jacky Lynch in the main street at Tweed Heads and called him by his old name, "Quilp," and he entered into earnest conversation about old residents of the Dinmore and Bundamba district

Premiership final match

Dinmore Bush Rats 2 vs Blackstone Rovers 1 (26th October)

The final match in the Wcst Moreton British Football Association medal competition was decided in Staffords paddock, opposite the Racehorse Hotel, at Bundanba. There was a large attendance of spectators, who took a very keen interest in the contest.

The ground was not above reproach, but it could not be expected to be at its best after the dry spell experience of late. A cool north-easterly wind, which blew throughout the afternoon was not conducive to accurate kicking. After a close and exciting game the the Rats won by 2 goals to 1.

The personnel of the opposing teams as follows

:Bush Rats: Goal, EVerrall backs A. Wilson and A. Tedman half-backs, A. Jordan, H. Brittain and W. Dawes; forwards, J. Tedman, G. Burns, T. Young (centre). J. Jordan and A. Verrall.

Rovers: Goal, W. Follett; backs, G. Law and W. Williams; half-backs, A. Perry, R. Jones and F. Evans : forwards, W. Halls, D. Halls, J. Follett (centre) G. Jackson and A. Shelton. The referee - Rats Mr. A. Perrett and the linesmen Messrs. A. Phebey and J. Kitchen, and they discharged their duties with commendable impartiality.

With the wind in their favour the Rats pressed home a strong attack in the first half, and succeeded in scoring two goals. The game was not by any means one-sided though, the teams appearing to be evenly matched. From end to end the ball travelled and on several occasions the Rovers looked dangerous, but their efforts were foiled with a lusty kick well accorded by the breeze. The first items of interest in the game were a couple of corner kicks in the interests of the Rats but they were ineffective. Then the Rovers attacked and narrowly escaped scoring. A pretty piece of passing from D. Halls to his brother saw the sphere lifted over the goal. Give and take play ensued. Then the Rats attacked and the Rovers had to have a couple of goal kicks. Some neat passing on behalf of the Rats saw the leather sent out to A. Verrall who shot hard. The direction was faulty but one of the Rovers in interpreting failed to stop its way and so altered its that it went through the goal. The Rats supporters were delighted. Some hard and interesting play followed. Then came an exciting rally on the eastern wing from which Verrall was afforded another opening which he was not slow to take advantage placing the second goal to the Rats credit. At half time the scores were Rats. 2 goals Rovers nil. The Rovers were on their mettle in the second half and the Rats were just as determined to keep the out of the goal. Give and take play was followed by a Rover attack which the goalkeeper cleverly staved off. The the Rats came away down the field and now the wind was in their favour to clear their lines and they took full advantage was taken of it. Another Rover charge was foiled by the goalkeeper running out with the ball. Next came an exciting incident. The ball was sent to the Rats goalkeeper again and as he went to throw out he was tackled by the Rovers and the ball appeared to go through. It however, came out again, and then appeared to be kicked through, though from the side-lines it was quite impossible to see with certainty. The referee awarded "no goal," and the game was resumed. In the course of further attack J. Follett succeeded in kicking a goal for the Rovers. but the Rats foiled any further efforts at scoring, and won by 2 goals to 1. Both sides strove very hard to gain a victory. Perhaps the most brilliant players on the field were A. Verrall for the Rats and "Guinea" Halls for the Rovers.

Bush Rats 1 vs Combined Brisbane 1 (22nd August)

This match was played on the Pineapple ground, Kangaroo Point, South Brisbane, and was witnessed by a fairly large attendance. The Bush Rats did not have their strongest team, several juniors and the ebony "Quilp" filling the vacancies. The contest was a friendly one, engaged in with the view of giving a stimulus to the "soccer" game in the metropolitan area, where, during the last couple of seasons, it has gone back considerably. Mr. George Shelley, one of the veteran past masters of British Association rules in Brisbane, handled the whistle, and gave every satisfaction in his decisions. The match was keenly and evenly contested all through, each side scoring a goal, and the result was a drawn game. J Tedman scored for T' Rats, and Lack for Brisbane. In the evening the Dinmore visitors were entertained at a dinner.

Presentation of Medals

Followers. of the British Association game of football are, no doubt, aware of the splendid successes which have featured the career of the Dinmore Bush Rats' Football Club. Last year, it will be remembered, the club appropriated the premiership honours in both the senior and junior grades of the association fixtures, and, in order to mark such a magnificent performance, a smoko concert was held under the auspices of the club, in the Alliance Hall, Dinmore, last night. The proceedings, which were characterised by much sociability, were of a particularly enjoyable nature, a circumstance which reflected considerable credit on the committee, consisting of Messrs W. Jordan (secretary), W. Dawes (treasurer), J. Smith, G. Burns, and J. Smith. jun. Apologies for un-avoidable absence were received from Messrs. John Stafford, M. Bailey, and T. J. Barker. In the course of the evening, Cr. M. Bognuda distributed the premiership medals to the members of the successful teams. The medals were of silver, and were of a decidedly artistic design. The remainder of the evening was spent in games, &c., while an appreciated musical programme was also submitted. A short toast-list was submitted, after which the gathering terminated. Special shipment of our celebrated hosiery just to hand Cribband Foote.

Charity Cup Final

Bush Rats 3 vs Eskgroves 2 (28th August)

The final in the Charity Cup competitions took place at the Pineapple Sports Ground, Kangaroo Point. The contestants were the Eskgroves' (Brisbane) and the Bush Rats(Dinmore)

The teams were: Eskgroves: - A. Hauck, Biddington, T. Hauck, Colquhoun, Lyle, Wilson, Govan, Kennedy, , Norris, Galdwin, and Gunn

Bush Rats - Rolls, Wilson, A. Tedman , Jordan, Brittain, Davies, Young, Jordan, J. Tedman. Burns, and Jones. Referee: Mr J Jack.

Norris kicked off for the Groves and the opening play favoured the Rats, who were helped considerably by the breeze that was blowing towards the Grove's goal. Play was for a time confined to the outfield, relieved by an occasional burst by Young, Jordan and J Tedman to their opponents goal but the steady' play of Biddington and "T Hauck averted danger. A pretty passage between Wilson and Burns followed, only to be checkmated by Biddington. A long kick by Lyle transferred play, and for a while Govan, Norris, and Gunn attacked Rolls but evidently A Tedman relieved his lines, and sent across a pass to Brittain, who passed to A Jordan, over to Burns ,who flashed a quick, shot at goal, the ball just gracing the upright A splendid run by Kennedy and Norris was interpreted by Wilson, but the ball was well returned by Lyle to Galdwin, who, slipping the sphere nicely over to Norris, and the latter quickly passed out to Kennedy, who, outwitting the Rats' defence, notched first point for the Groves. Play for a period was very even until the Rats, putting more sting into their play, rushed the defence, and J Tedman tried for goal with a swift shot, A Hauck making a brilliant save. Several raids were made by the Rats' forwards, but try as they might, they could not break down the defence of Biddington and Hauck, who were most reliable in their rebutting work. The Rats never relaxed their efforts, however, and were ultimately rewarded, the ball being centred beautifully by Jordan to J. Tedman, who, with a beautiful shot, beat Hauck. The Rats continued the aggressors, and Jones, gaining possession, made headway, and when tackled by Lyle deftly passed to J. Tedman, who smartly registered the Rats' second goal. Half-time scores: Rats, 2 goals; Groves, 1 goal. Resuming, the Groves were the likeliest in the initial stages and Govan, Gladwin and Gunn pressed home an attack, the finishing shot going past . There was a piece of pretty play by Colquhoun, who centred beautifully to Galswin, and the latter shot smartly beating Rolls . The Groves' forwards, who were playing with a better combination than in the first half, kept Daws and Wilson busy, and continued to have the best of the game, due to the splendid feeding of their half backs, and a well timed pass from Norris to Kennedy was neutralised by Wilson, who relieved the pressure, and Young and Jordan cleverly took the ball along until well stopped by T. Hauck. For a time after the Rats attacked, but Biddington relieved, and allowed Norris to carry the game back to the Rats' territory, the resultant play being valueless. The immediately succeeding passages saw some pretty football by Young, Jordan, and Jones, the latter passing over to Burns, who making no mistake scored. Vigorous play by the Groves followed, and a pretty dribbling run by Govan and Norris culminated in the former shooting just a little too high. 'Groves were still having the best of it, but their shooting was inclined to be faulty, and on several occasions they missed likely chances. The excitement at this period was very keen, both goals being visited in turn, and only the masterly saving of the two custodians saved any further scoring. Open play followed, until Wilson got the ball, and sent it to Govan, who in turn passed to Norris, who missed the goal by a few inches. From this point onward the game was most evenly contested, the result being at full time -Bush Rats, 3 goals ; Eskgroves, 2 goals. - "Observer. "

3rd September *Queensland Times* (65)

I was intensely pleased, last Saturday, to renew my acquaintances with the Bush Rats, of Dinmore. True, it was late in the season-the wattle blooms were fading in the surroundings of the Alliance ground, which is hemmed in by wattle-trees.

A delightful feature of the football matches in the Dinmore district is the interest evinced in these soccer battles by the women-folk. This has, however, always been in evidence with the followers of the Bush Rats, and I was delighted to notice the large assemblage of the feminine sex. Mothers, wives, and sisters were there in great force, and it was pleasing to again meet that good old lady, Mrs. D. Nunn, who has been in that district some 53 years : she stated that the whole of her family (12 in all) were all alive, that she had 72 grandchildren, and quite a number of great grandchildren. The women seem to regard the football matches as occasions for homely gatherings, and every available log was lined with 'happy and smiling faces. It was likewise pleasing to again "rub shoulders" with those who have been stout defenders of the Bush Rats' laurels in many a hard-fought battle with metropolitan soccerite's. I refer to George Duck, Mat. Bailey, "Sandy" Stewart, and Pioch, as well as those consistent followers of .the soccer game, Cr. Mat. Bognuda, and Messrs. John Stafford, Jas Law, A. Stewart, sen, and T Young, sen

Is there another football club in the West Moreton district that has kept together for so many years as T' Rats ? It is 20 years and more since they first came into existence in the vicinity of the old New Chum Colliery, and the name chosen for their club that of The Bush Rats, which the Yorkshire man down that way curtailed by calling it T' Rats attracted everyone's attention.

The members of "t'owd Brigade" are George Duck, Mat. Bailey, and big ",lack" Besgrove, and then there are the Skellerns, ,Jelfreys,,the Campbell, Joe Atterton, and the Wilsons. And what a bright career the Bush Rats have had Since the institution of the Challenge Cup competitions, in 1893, T' Rats have won that handsome trophy just a half-a-dozen times, the following being the complete list of winning clubs 1893Rosebank 1894-Normans 1895,Bush Rats 1896,Blackstone Rovers. 1897-Rosebanks. 1898 Bush Rats. 1899-Bush Rats. 1900 Bush Rats 1901Bush Rats. 1902-Bundamba Rangers. 1904,Blackstone Rovers. 1905 Wellingtons. 1906Wellingtons. 1909Wellingtons. 1910-Bush Rats. T' Rats, who are going strong for to win the Charity Cup, which contest will be decided, this afternoon, have won the "double"-both the Challenge and Charity Cups-in the one season on two previous occasions during the seasons of 1898 and 1899.

Charity Cup Final

Bush Rats 1 vs Wellingtons nil (10th September)

Another victory in premiership honours in metropolitan circles came Ipswich way. and that was in the Charity Cup final ("soccer" rules) between the Bush Rats (of Dinmore) and the Wellingtons (of Brisbane)

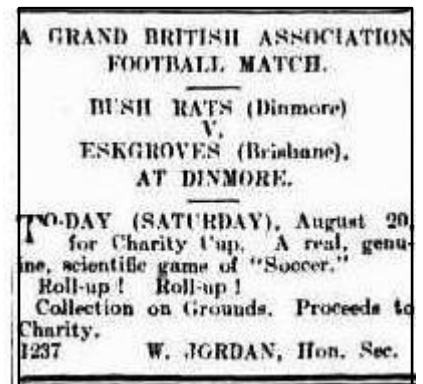

. The result of the previous Saturday's match between these clubs was a drawn game with o goals each. Last Saturday's exposition terminated in favour of T'Rats, by 1 goal to a "dunk's-egg." The Wellingtons played a strenuous game all! through, and' their 'goal-keeper had proved Al in that position. until a few minutes before the fulltime whistle was blown, when A. Jordan, from an attack by the Rats in front of their opponents' goal, gained no advantage. and then passed promptly to "Tit" Young, the skipper, who succeeded in potting a goal, which proved to be the winning goal. T'Rats have thus won the "double" this season—namely, both the Challenge and Charity Cups. The names of the victorious team are as follow : T. Young (captain) G Burns A. Verrall, A. Jordan, W. Halls, H Brittain, A. Wilson, J. Campbell, A. Tedman, J. Law, and W. Rolls

Bush Rats 5 vs Toowoomba 2 (20th September)

On Saturday last the Bush Rats ("soccer") team journeyed to Toowoomba to try conclusions, with a combined eleven at that city. Mr. Mat. Bailey acted as manager of the Rats, who on arriving in Toowoomba, were met by Mr. W Cox and taken to Tattersall's Hotel.

The match was played on the southern end of park, and there was a good attendance, including many ladies.

The teams were:

Bush Rats-Goal, W. Rolls; full backs, G. Law. Tedman; half-backs, J. Burns, R. Tapp, Randolph; forwards, W. Halls, H. Randolph, A. Wilson, A. Nunn, A. Verrall.

Toowoomba.-Goal, : Rev. T. 'Cockell; full-backs, S. Cousins, H. Yunger; half-back, D. Mollisen, W J Cox, J. Lendrumn; forwards, W. Wackner, R. Brazier, H. Risson, R. Bycroft, L. G. Lee. Referee, Mr. M Bailey

G. Law won the toss from H. Risson, and decided to kick against the wind.

From the kick-off Toowoomba pressed, and soon had the Rats in trouble. The Rats defended well, but could not break through the attack. A corner resulted, and Law cleared: but Toowoomba again had them fighting hard to avert a score, and Rolls, the 'Rats' keeper, was kept going in his efforts to keep the ball out, then the Rats forwards took a hand, and a fine passing rush brought the game into Toowoomba's territory, but Cousins saved the situation, and play came back to the Rat's goal. The Rats broke away again, and Toowoomba were put on the defensive, and for a time it seemed as if the Rats would score, but the Rev. Cockell was equal to the occasion, and saved well. Toowoomba broke away, and by a series of neat -passes soon brought play to the Rat's end. Risson, who was playing a fine game sent in a hot shot that beat the Rats keeper, and thus drew first blood.

From the kick-off Rats' forced matters, and some fine centring was done by the Rats wing men, and Toowoomba's goal was soon in danger. Halls centred to Tedman, who passed to Verrall, who centred to Randolph, thus bringing play into the mouth of Toowoomba's goal. Wilson secured the leather, and when under the bar passed to Nunn, who put through.

The half-time whistle sounded shortly after, with the scores equal one all. On resuming, Rats made a slight alteration in their team. Wilson taking full back and Law centre forward. The Rats attacked from the jump, and were soon on Toowoomba's line. Law secured, and, with a low, fast shot, beat Toowoomba's keeper-Rats, 2; Toowoomba, 1.

Tattersall's Hotel

But this lead was not for long, as Toowoomba forced matters, and from some loose play Rollison scored. With scores again even, Rats forced, and some of the best combination .of the match was witnessed. Law accepted a neat centre from Verrall, and, in shooting the ball hit a Toowoomba player; and' went through-Rats, 3; Toowoomba, " 2. Rats now had the best of- the game, and had Toowoomba on the defensive.

The Rats passing and centring were splendid. Verrall took along pats from Law, and , with a good left-foot kick from the touch-line sent the ball under the bar. Rats, 4 ; Toowoomba, 2. With but a few minutes to go Toowoomba took a hand in the attack, but not for long, as Rat s soon forced them back, and Law with a high shot just got the ball under the bar, thus kicking his third goal of the match Full-time came shortly after with the scores-Rats, 5; Toowoomba, 2

The Rats were entertained at tea by the Toowoomba association at the hotel. Mr.W. Cox presided. On Sunday morning the visitors hired Mr. D. Lock's drag, and went for a drive round the city. The Rats returned hone on Sunday night after a good holiday in the capital of the Downs.

They hold as their own property, the West Moreton Challenge Cup, and the Hodgson Trophy. They had also annexed the Brisbane Senior and Junior Challenge Cups and the Charity Cup, which they would hold for the year. With their junior team they were like wise runners-up for the West Moreton Junior Challenge Cup and badges. Joe Saunders

Australian swimming championships were held at the dry dock in South Brisbane, and a young Ipswich lad. who had established himself as the champion long distance swimmer of the State, finished third to Australian champion Billy Longworth in the three-quarter mile event. He was known throughout the State as Joe Saunders, but his real name was Joe Laimer. Joe, who always swam under the name of Saunders, held the 100 yards Ipswich title from 1908 to 1917. and at various times won the State 440 yds., three-quarter mile, half mile, and mile titles. He toured Queensland on several occasions, once with the American Duke Papoa Kahanamoku, who at that time was one of the best sprint swimmers in the world. During he winter he played Soccer Football with Bush Rats Club

Smoke Concert

A smoke concert, under the auspices of the Bush Rats Football Club (writes our correspondent), was held in the Alliance Hall on Saturday evening last, to mark the close of a successful season, and to afford an opportunity to present, the various trophies which have been won.

Apologies were received from Mr. T'.W. Crane (secretary of the I. and W.M.I.F.A.), I. Scholes (captain of the senior club), and E. Bavister (vice-president). There was a large gathering of players and visitors. Mr. M. Bailey (president of the club) was voted to the chair.

*After the loyal toasts had been honoured, that of "The Referees' Association" was proposed by the Chairman, and supported by Mr. T. B. Mason, who spoke in complimentary terms of the work which the referees are doing to foster the game, and keep it up to the proper standard. Mr. Kemp in responding, thanked the Bush Rats for the way in which they had drunk his health, and said that he always had great pleasure in refereeing a match in which the Rats were partaking, as he always found them to act very fairly. * "The President" was proposed Mr. John Potts, who spoke in eulogistic terms of the splendid services rendered to the club by the President over a period of 27 years, he having been the first secretary.*

I think the Bush Rats must be the oldest club, in Queensland, and hold a record for the number of trophies won as the President remarked, in responding, that since their establishment as a club, they have seldom failed to win one trophy every season. either with the senior or the junior team. The toast of "The Patron" was next proposed, and was given a fine reception.

Other toast honoured were "The Club," "The Secretary," "Guests," and "Kindred Clubs." In the course of the evening, the following presentations were made by Mr. Bryson: Hetherington Cup (won by seniors), to Mr. Bailey; Nissen Cup (junior), to Mr. M. Bognuda; Green Cup (junior), to Mr. Tom Potts; junior-minor to Mr. John Potts: and a medal to each one of the junior players.

Songs were rendered by Messrs. I. Corbett, D. Potts, F. Holden, T. Tapp, and T. Bryson whilst Mr. T. Ward gave a recitation. Mr. A. McMillan was the accompanist. The enjoyable function was brought to a close by the singing of "Auld Lang Syne."

Charity Cup Final

Dinmore Bush Rats 5 Goodna 2

Football and Other Notes. (By "Old Sport,") In "soccer" football circles it is expected that the curtain will be drawn on the season's work subsequent to the conclusion, this afternoon, of the match between the Goodna team and T'Rats to decide, which senior combination shall hold the Charity Shield. The old convincing area, at Ebbw Vale has again been chosen. Great interest is being evinced in regard to the con-test, especially as T'Rats have al-ready "one leg in" for the double having won the Challenge Cup.

As has already been stated, the junior Bush Rats won everything--they were never beaten in their grade. If their senior comrades succeed in winning this afternoon, there will be immense jubilation, at .Dinmore, the home of all T'Rats, TheWalloon "soccerites" will visit Toowoomba to-day, for the purpose, of meeting a junior combination at Toowoomba

.TheWest Moreton's are expected to give a good account of themselves.

A metropolitan authority states that Mr. John Kendal, latechairman of the British Football Association), has been accepted for service with the A.A.M.C., section of t he Expeditionary Forces, and has already gone into camp Mr. Kendal is well known throughout theWest More-ton football area, and he was very popular in .

Ipswich and West Moreton British Football presentation of trophies

The annual presentation of trophies won during the past season under the auspices of the Ipswich and West Moreton British Football Association took place on Saturday night in the Commonwealth Hotel.

Mr. J. Potts presided over a large gathering of visitors and players. The trophies were displayed to advantage on one of the tables, and surely sufficed to satisfy their new owners for all the hard games they had played to obtain possession of them. The proceedings were opened with the toast of "The King," which was proposed by Aid. A. T. Stephen-son. In the course of his speech, Aid. Stephenson said he had never felt prouder that he had taken such a keen interest in sport than he did at the present time. for the call of the Empire for men had been responded to in the freest possible manner by sportsmen. He had found from his experience that the best sportsmen made the beet citizens. The toast was then drunk with enthusiasm. Mr. Bryson, in proposing "The Queensland British Football Association," said he did so with much pleasure. The Association had been formed with the object of securing central government for the various associations in the State, and, al though this had been attained, he considered that the Association was wrongly constituted, in as much as associations outside of Brisbane did not get adequate representation. He had reason to hope, however, that the Association had begun to see the force of the arguments which had beep brought before it, and a straw which showed the way the wind was blowing was the fact that a local representative had been appointed chairman of the Association. A good move to foster competition among the associations, he thought, would be the institution of a State cup. Mr. S. I . Ross, in reply, voiced his pleasure at being present, and, in regard ' to the Queensland British Football Association, said that the executive intended in the future to conduct the organisation more vigorously, and in a direction in which it was hoped greater success lay.

Speaking of the war, 'he said that about 200 soccer players. had left Brisbane for the front, and he had been informed by the New South Wales association secretary that over 2000 players had joined the tanks from that State. (Cheers). Four of the interstate players who re presented Queensland during the past season had also joined the colours. (Cheers). "The Ipswich and West Moreton Association" was proposed by Mr. Mc'Arthur, in the course of a eulogistic speech. He said he considered that the time was ripe or a few drastic changes in the constitution of the Queensland British Football Association and the scheme which had been prepared would, he was convinced. work for great goad.

The formation of a Brisbane association, as distinct from the Queensland British Football Association, was a necessary innovation, and one which would have the effect of giving a fairer deal to the country organisations, the number of which, he had reason to believe, would be much increased in the near future. Mr. J. Crick, in response, remarked on the pleasure it gave him to meet so many of the players. During the past season they had had to contend with a great shortage of men; further, he considered that the constitution of the local executive could be altered with advantage. A scheme had been prepared towards this end, and would be submitted to a meeting for discussion at a later date,

Annual presentation of trophies

What is considered to be the most popular social of the year (writes our Dinmore correspondent) was held in the Alliance Hall on Saturday, under the auspices of the Bush Rat' Football Club, when the opportunity of presenting the trophies to the different teams was taken advantage of Dancing was' the chief amusement, the music for which was supplied in a first class manner by Messrs. Allen and Duce. Whilst Mr. J. Campbell capably carried out the duties of M.C. During the evening the president of the club Mr M. Bailey. who acted as chairman, called on Mr. D. A. Gledion, M.L.A., to present trophies to the different teams, In doing so,

Mr. Gledson congratulated the winners on their successes, and remarked that the number of cups and medals upon the table went to show that the Bush Rats are the premier teams of the district.. He also mentioned that the sportsmen had ot, forgotten their duty to. the Empire, and he was proud to say that both the seniors and junior Rats were being represented at tie front. Mr. Gledson then, on behalf of the senior Rats, asked Mr Bailey to hold the Charity Shield for the 12 months; and Mr M Bognuda was requested to hold the Hetherington Cup, which has been won twice in succession.

Each of the gentleman thanked the players for the honour they had conferred on them. and promised to take every possible care of the trophies.

The presentation in the junior grade followed. Mr. Gledson skid that this team had had a highly successful season, and bad carried everything before them.

He then presented the medals (silver medals with gold centre) to the members of the team, and called upon Mr. Alex Stewart to hold the Nissen Cup, which has been won in 1913, 1914 and 1915. MrT Brazier the Brook Cup. won in 1912, 1913. 1914. and 1915

. On behalf of the junior-minor team, he asked Mr. T. Potts. to take charge of the Green Cup for the 12 months. Each of the gentlemen suitably returned thanks.

The Chairman requested Mr. Gledson to make presentations to Privates D Neilson and J. Lindsay on behalf of the club, as they had offered their services to the Empire. Mr Gledeon said they were all proud of the young men who were giving up all for the defence of the Empire. and proud of the parents who were sacrificing their sons. But they were comforted by the glowing reports that had come from the front and hoped that both would be spared to see victory come to the allies and also return to take their place in the teams once more, Mr Bognuda on behalf of Private Neilson thanked the club for a gift of a wrist watch. MrsW Lindsay on behalf of Pte Lindsay who was unable to be present accepted the gift of a gents gold band ring suitably inscribed by his club mates.
