

## **TRAILBLAZERS OUTDOOR ADVENTURE**

### **Who Are We**

Trailblazers Outdoor Adventure is a not-for-profit group founded in 2015. We provide opportunities for members to take part in many types of exciting and challenging outdoor activities year-round. Manitoba has a variety of landscapes from prairies to rolling mountains and from lake to desert-like areas; there are many adventures that awaits your exploration!

We have outings every week with overnight camping once a month. There are also four base camp workshops a year, one for each season, where members learn how to build primitive shelters, and have the opportunity to sleep in them.

### **Mission Statement:**

Document the beauty of Manitoba's four season wilderness, while highlighting the importance of environmental sustainability, climate change, and our ability to adapt. As a result, all events are video recorded and photographed. This group prides itself in the joy of exploring the outdoors with the ability to accomplish challenging terrain through self-determination, trust and cooperation.

### **What You Need To Know**

All events are video recorded and photographed.

*Safety:* Please understand these are group events, which means you must stay with the group, look out for each other's well being, and participate.

*Level of skills:* An intermediate skill level is required for most events as we traverse challenging terrain such as hills, forested areas, and long distances. We encourage members to participate in city events prior to a backcountry for physical and mental conditioning, and when testing out new gear. These events prepare us for day hikes and backpacking.

### **Fees**

New members would be required to pay an Annual Membership (\$200), 6-Month Membership: Late Spring/May to Early Fall/Oct (\$150); Late Fall/Nov to Early Spring/Apr (\$100) or an event fee (\$10 to \$20 suggested), unless it is a No-Fee Event. One paid Event Fee could be used towards a membership. Membership Renewals (\$100) expires on May 31, 2020. Annual Members qualify for the 6-month Renewal Fees: Late Spring/May to Early Fall/Oct (\$70) & Early Fall/Nov to Early Spring/Apr (\$50).

\*All fees are used towards covering external costs and equipment maintenance.

\*\*Carpooling fees are an additional cost for those needing a ride.

\*\*\*Camping or lodging fees would apply during those events.
