

OUTDOORADVENTURE.ORG

Who Are We?

OutdoorAdventure.org was founded in 2015. We provide opportunities for members to take part in many types of exciting and challenging outdoor activities year-round. Manitoba has a variety of landscapes from prairies to rolling hills and from lake to desert-like environments; there are many adventures that awaits your exploration!

We have events every week with overnight camping once a month year-round. We also have four base camp workshops a year, one for each season, where members learn how to build primitive shelters and have the opportunity to sleep in them.

Mission Statement:

Document the beauty of Manitoba's four-season wilderness, while highlighting the importance of environmental sustainability, climate change and our ability to adapt. As a result, most events are video recorded and photographed. This group prides itself in the joy of exploring the outdoors with the ability to accomplish challenging terrain through self-determination, trust and cooperation.

What You Need To Know: All events are video recorded and photographed.

SAFETY: Please understand these are group events, which means you must stay with the group, look out for each other's wellbeing and participate.

LEVEL OF SKILL: An intermediate skill level is required for most events as we traverse challenging terrain such as hills, forested areas, and long distances. We encourage members to participate in city events prior to a backcountry for physical and mental conditioning, and when testing new gear. These events prepare us for day hikes and backpacking.

Fees

NEW MEMBERS would be required to pay an Annual Membership (\$200), 6-Month Membership: Late Spring/May to Early Fall/Oct (\$150); Late Fall/Nov to Early Spring/Apr (\$100) or an event fee (\$5 to \$20), unless it is a No-Fee Event. One paid Event Fee could be used towards a membership.

OFFICIAL MEMBERS Annual Renewal (\$100) expires on May 31, 2021. Annual Members also qualify for the 6-month Renewals: Late Spring/May to Early Fall/Oct (\$70) & Early Fall/Nov to Early Spring/Apr (\$50).

*Carpooling fees are an additional cost for those needing a ride;

**Rental, camping or lodging fees would apply during those events;

***All fees are used towards covering external costs and equipment maintenance.
