

"You don't have to be a Grand Champion in the world's eyes to be a Grand Champion in God's eyes!"

That's the message we pass through our actions and support to the youth we donate to. We are a group of folks, passionate about helping support the youth of our ag and ranching culture. Our mission is to financially support youth that make the sale at the San Antonio Livestock Exposition, Jr. Livestock Auction, who will not bring in the "big money" during the auction of their animal. We strive to identify and "add on" to the auction bid for these hardworking youth that will struggle to break even, much less profit. This "add on" money allows youth to continue raising animals throughout their high school years and to save money for college. In addition, each youth we support receives a special gift bag containing a Bible, a wooden cross, a personal note, and other items all meant to provide spiritual encouragement.

We invite you to join us in becoming a member of Believers Buyers Group. This is an opportunity to partner with us to support the youth of Texas and develop the leaders of tomorrow. Since our humble beginnings in 2016, we have supported 330 kids with \$187,700 in donations! Your becoming a member will help us continue these efforts and grow to support more youth. Membership has its privileges! Come join us and have fun in changing lives!

Membership Requirements:

- \$50 to join
- Attend 2 organizational meetings
- Serve at or attend one of our fundraising events
- Provide \$75 of in-kind donations (raffle items) or fundraising gifts
