Purple Paws hosts fundraisers in and around Murfreesboro including our signature event, the Mardi Paw Gala, as well as Paw Painting Parties, and more. Visit our website to keep up with our calendar of events so you can come out to support local rescues!

Many animal rescues do not have the resources or energy to fundraise for themselves. They are on the frontlines helping to care for vulnerable animals in our community. That is where we come in...

Since our founding as a 501c3 charity in 2014, over \$25,000.00 has been distributed to more than 30 local animal rescue organizations. We are an all volunteer organization which helps us to maintain operating costs of less than 4%.

All donations are kept local in Middle Tennessee.
