

2022 XTD Packages and Options

Weekender Package

\$22,900

Perfect for the weekend warrior who's "perfectly fine" sleeping on the ground but his wife is tired of it and he doesn't want a full on RV but needs something rugged. It's also a great platform for the DIY'er looking to add their own modifications.

Electrical system with 110VAC, 12V and USB outlets. Requires shore / generator power to power AC household outlets. Lights, USB and 12v outlets will run off of your vehicle's battery when connected, provided your tow vehicle has a factory-installed 7-way connector.

Rear galley area with butcher block countertop, open storage space below, and storage cubbies above

Interior LED's in the main cabin, galley, and under the rear door

Storage cubbies in the main cabin on the front wall, along the front corners and inside the rear dividing wall

Tern Overland Wildlands door on driver side (can be switched to passenger side on request)

Adventure Package

\$31,900

Tired of carting around coolers of hotdog water, stopping every day for ice and little green propane bottles? The Adventure package has everything you need to keep you self sufficient and comfortable.

Includes Weekender Package

Galley outfitted with Furrion 3 burner stainless steel cooktop, and a Dometic CFX3 75DZ dual zone refrigerator/ freezer that slides out from under the counter. Propane is supplied by an 11lb tank with Powertank stainless steel mount.

Power upgrade with two deep cycle 90 amp hour AGM batteries and a 1kw inverter to power AC outlets. Allows all electrical systems to function off of battery power instead of relying on shore power or a generator. Includes solar input for portable solar packs.

Propex 2211 forced air propane furnace with thermostat in the main cabin

Maxxfan powered reversible vent fan with automatic temperature control

10 gallon Yakima Roadshower solar shower system. Great for washing dishes, showering, carrying water for the dogs, etc.

Expedition Package

\$34,900

For those long range trips and the user looking to be fully self sustained, the Expedition Package has it all. Your wife will tell you to just get this one, and she's probably right.

Includes Adventure Package

Deluxe galley adds a stainless steel sink with running hot / cold water and a 15 gallon water tank. Exterior shower box on the driver side. Galley is fitted with storage drawers under the counter on the passenger side. (Replaces Roadshower from Adv. Package)

Dometic CFX3 75DZ dual zone fridge / freezer is relocated from under the counter to a custom enclosure on the tongue. Fridge slides out on a heavy duty slide to the driver side.

190W solar system fitted to the front slope of the roof with adjustable mounts for changing panel angle. Digital charging controller installed in the galley to recharge batteries.
