 - 2” ball standard hitch coupler
 - Swivel tongue jack

- Complete XTD Cab “shell”
 - Fully powder coated cab framework
 - All exterior aluminum body work powder coated, installed, trimmed and sealed.
 - Rear hatch door installed
 - Tail lights installed

Price: \$12,499

NOTE: Windows and doors are NOT pre-installed or included with the base trailer.

Windows and doors are included with the three add-on packages, or as separate a-la-carte items. When you receive your trailer, there will be no window or door cutouts. You will need to choose the placement for where you want these, frame a border accordingly, and cut the opening in the aluminum side walls. This may sound frightening but it is an easy process with a jigsaw or skill saw.

NOTE: KITS DO NOT COME WITH INSTRUCTIONS

The only form of instructions you will receive will be a guide book on some general principals on installing framing, doors and windows, wiring, plumbing, etc. We will also be posting a video series to our Youtube Channel to give builders some helpful tips.

We want to be very clear that we are not selling you an easy-to-build kit complete with drawings, schematics and step-by-step instructions. Think of these kits as “parts bundles”. When you receive your kit trailer, all of the components you have selected will be bundled and shipped inside the trailer. It is up to YOU to determine what and how you want build. By purchasing an Adventure add-on package for example, you are purchasing the raw materials and components that we would use to build that model. You are not receiving pre-cut or pre-fabricated parts, all of that is up to your skill set and ability level.

Add-On's:

See the “A-la-Carte” add-on sheet for a breakdown of what is included with each package. You may also add additional components by selecting them on the “A-la-Carte sheet”.

Add-on Kit Packages:

■ **Weekender Package: \$7,199**

■ **Adventure Package: \$15,199**

■ **Expedition Package: \$16,699**

What is NOT included with a “Kit Package”:

Although the kits are very comprehensive, they do not include all supply-type items. These are going to be items that are easily sourced from your local home improvement and auto parts stores such as electrical supplies (wire, connectors, etc) and things like screws and nails.

Color Selection for body:

Stock Colors for 2022:

RAL 7035 (Grey/White)

RAL 7043 (Dark Grey)

RAL 7046 (Medium Grey)

RAL 5012 (Blue)

Other: _____

we will review your color request and advise before proceeding. In-stock colors carry no additional charge, special order colors are an additional \$450-\$600 depending on color.

Terms of Product Warranty for Kit Built Trailers:

Every trailer produced by Valiant Expedition Trailers, LLC carries the same warranty. Trailers are covered under a lifetime* warranty that is not bound to the owner. This warranty covers any failure due to a manufacturing or craftsmanship defect and does not cover failures due to abuse, misuse, neglect or accident. This warranty only applies to work performed by Valiant Expedition Trailers. Any additions, modifications or alterations made to the trailer after purchase are the sole responsibility of the purchaser. If the purchaser makes a modification, addition or alteration to the trailer that results in the damage or failure of an otherwise warrantable part, the warranty of that part is void. Lifetime warranty does not apply to surface coatings such as powder coat, Rhino Lining, Paint, etc. Surface coatings are warranted for 3 years against flaking or peeling. Warranty does not apply to damaged caused by outside influence (rock chips, surface scratches, etc.). Warranty coverage for accessory items manufactured by a third party (generators, refrigerators, water heaters, batteries, etc) fall under the manufacturer's warranty coverage terms. Warranty paperwork for these items will be provided with your purchase.

Warranty repairs or replacements must be performed by Valiant Expedition Trailers, LLC.

*Lifetime is determined by Valiant Expedition Trailers, LLC as being a reasonable amount of time given the trailer's history of care and maintenance. Lack of maintenance and proper storage will reduce the lifetime of the trailer and eventually void this warranty.

I have read and agree to the warranty terms listed above _____ (initial)

Order Agreement and Payment of Deposit

To be completed by VET representative:

Total Price: _____

Deposit Amount (50% of order total, excluding any shipping): _____

Estimated* completion date: _____

*This date is only to be used as a reference and may change. It is based on the next available completion date at the time this document is signed. Once your order is placed, you will have access to the shared shop calendar which you will be able to view at any time. This will show the current status of your build and the estimated completion date.

Deposits given to Valiant Expedition Trailers, LLC are required to begin the manufacturing of your trailer. You may request a cancellation of your order at any time. Cancelled orders will incur a fee of 10% of the order total, less any taxes or shipping.

Once the trailer is completed, if the invoice balance remains unpaid for 90 days after the final completion date, Valiant Expedition Trailers reserves the right to sell the trailer. Your build will then be moved to the next available build slot and subject to any new price changes.
