Terms of Product Warranty:

Every trailer produced by Valiant Expedition Trailers, LLC carries the same warranty. Trailers are covered under a lifetime* warranty that is not bound to the owner. This warranty covers any failure due to a manufacturing or craftsmanship defect and does not cover failures due to abuse, misuse, neglect or accident. Lifetime warranty does not apply to surface coatings such as powder coat, Rhino Lining, Paint, etc. Surface coatings are warrantied for 3 years against flaking or peeling. Warranty does not apply to damaged caused by outside influence (rock chips, surface scratches, etc.). Warranty coverage for accessory items manufactured by a third party (generators, refrigerators, water heaters, batteries, etc) fall under the manufacturer's warranty coverage terms. Warranty paperwork for these items will be provided with your purchase.

Warranty repairs or replacements must be performed by Valiant Expedition Trailers, LLC.

*Lifetime is determined by Valiant Expedition Trailers, LLC as being a reasonable amount of time given the trailer's history of care and maintenance. Lack of maintenance and proper storage will reduce the lifetime of the trailer and eventually void this warranty.
