OUR HOME

A calm, home-like alternative to large facilities

Holly Mapleton is shared senior living designed for adults 55+ who want a peaceful place to live—with the option to add support as needed.

Our intentionally small household helps create a quieter environment and a more personal experience.

Inside TRI-FOLD

Holly Mapleton
A Senior Living Home

At a glance:

- Small resident household (about 3–4 per home)
- Utilities + Wi-Fi included
- Housekeeping and routine upkeep included
- Pet-free home
- Private rooms and select shared options (as available).

Who it's a great fit for:

- You want a calm home environment (not a large community)
- You value privacy, routines, and respectful boundaries
- You want simple living with optional support
