PLACEMENT OVERVIEW

Best Fit For

- Adults 55+ seeking calm, shared home setting
- Individuals who want a home setting (not a large facility)
- Those who benefit from routines and a respectful environment
- Individuals who can live safely in a shared home setting

May Not Be a Fit If

- Requires 24/7 skilled nursing or continuous clinical monitoring
- Behaviors that create an unsafe environment for others
- Needs exceed what can be supported in a shared home model
