

PASTOR'S MESSAGE

**"Sing praises to the LORD, O you his faithful ones,
and give thanks to his holy name." - Psalm 30:4**

Dear Friends,

I pray you are all healthy in Body, Mind, and Spirit! May God bless you with love, joy, and song this week!

Many thanks to all who attended yesterday's concert featuring the Ebony Chorale of the Palm Beaches! They were absolutely awesome! Their voices and instruments filled the sanctuary with God's Power! I truly hope that Trinity can host them again sometime soon! Wow!

The Founding Members of Trinity UMC in Jensen Beach have blessed us with a Sanctuary that amplifies and compliments the human voice. I've heard from several groups this year that they love the acoustics in our Sanctuary! What a gift we have to offer our community and the world! In the years to come, I pray that Trinity will grow and become known as THE CHURCH to enjoy sacred music on the Treasure Coast!

And we all can take part in creating that sacred sound when we worship every single Sunday! As the Psalmist writes above, when we gather to sing God's praise, let's use our God-given voices to worship with faith, power, and a healthy enthusiasm. If we find ourselves standing near each other, let's incline ourselves towards one another, so our voices can join together, creating a heavenly sound.

**Singing together can lift us and bring us a little closer to God!
And a Singing Buddy can make Church a whole lot more fun!
Let's lift our voices in musical thanks and praise every time we gather!**

**"May mercy, peace, and love be yours in abundance." - Jude
