

Dear Friends,

I pray this week is off to a blessed start for you!
May God fill your lives with Peace, Joy, and Love
in these final weeks of Lent!

And an enormous "Thank You" to everyone who
volunteered for our Pancake Breakfasts this
season!

We had some record-breaking days this winter!

I am amazed at how Trinity's servers adapted their
workflow and table capacity to accommodate all
our guests.

Great work, everyone!

As we head into Easter and as our summer months approach, I pray that
we at Trinity can continue to bless our community through our ministries.

Let's keep inviting and welcoming people to their new Home in Christ!

"May mercy, peace, and love be yours in abundance." - Jude
