

PASTOR'S MESSAGE

"All of them were filled with the Holy Spirit and began to speak in other languages, as the Spirit gave them ability." - Acts 2:4

Dear Friends,

I pray that all is well with you. May God bless you with great health in Body, Mind and Spirit this week!

An amazing vision of God's Kingdom came to me during Annual Conference last week: During a time of worship, singers from the Praise Team took turns singing the refrain to a song in English, Spanish, Creole and Tagalog, my Mom's native language.

It reminded me of Pentecost, when the Holy Spirit enabled the Apostles to preach in a multitude of languages.

In that moment, they embodied the scriptural notion that God's Love embraces the entire Cosmos!

As Apostles of our time and place, we are also called to help others receive and believe the Good News. I'm so proud and grateful to have witnessed fellow United Methodists answering the call in such a melodic way. I am truly blessed and overjoyed to belong to The United Methodist Church! I hope you are too!

God has given us all unique abilities to offer salvation in Christ to our neighbors, in word and in action. How might we answer God's call in our own way today?

"May mercy, peace, and love be yours in abundance." - Jude
