

PASTOR'S MESSAGE

Dear Friends,

I pray your week is off to a great start, and that you are enjoying these steamy days of summer! Just a quick reminder that this Sunday, District Superintendent Vidalis Lopez will visit us at Trinity and offer us the sermon at both services. If you happen to be in town on Sunday, please plan to attend!

Rev. Lopez is "All Florida!" She graduated from Florida Southern College (which has hosted our Annual Conferences for many years now), and she earned her M. Div. at Asbury Theological Seminary. Rev. Lopez planted a church here in Florida, and she served as Lead Pastor of First UMC in Coral Springs for six years. We are blessed to have Rev. Lopez visit Trinity and bring the Word. I pray that you can all come and greet Rev. Lopez and live into our aspiration to be the friendliest Church on the Treasure Coast!

"May mercy, peace, and love be yours in abundance." - Jude
